A clear organisation and fresh approach have already made it a popular route to success at FCE in many countries: thirty short units provide thorough training in exam skills, solid language development, and lively class discussion. The course is written by experienced authors who have an in-depth knowledge of the FCE exam, and understand the needs of both students and teachers alike. This book is for you if you've never taught Cambridge First Certificate before, you want to know the most efficient techniques for getting your students through the exam, even if you've taught it before or you want to be able to advertise your services as an expert in First Certificate. The best way to learn to teach Cambridge First Certificate, is to take students through an entire course. Most schools I've worked at don't offer much in the way of additional training. You're just expected to get on with it. When I taught First, Advanced and PET, I was bumbling along with the books just trying to stay one answer further ahead than the students. Even if you're experienced at teaching general English, you can end up feeling like you've just stepped off the TEFL course. Learning along the way means you won't always be able to see around every little corner. With this book, you'll have everything you need to teach the exam the way your students deserve. Making Progress to First Certificate provides an introduction to the Cambridge First Certificate examination, whilst providing intermediate level students with the essential language and vocabulary training they need before starting an FCE-level preparation course. The Audio CDs contain all the recorded material for the listening exercises in the course book including FCE exam-type tasks. This popular First Certificate course has been updated to prepare students for the new examination syllabus introduced from December 2008. A clear organisation and fresh approach have already made it a popular route to success at FCE in many countries: thirty short units provide thorough training in exam skills, solid language development, and lively class

discussion. The course is written by experienced authors who have an in-depth knowledge of the FCE exam, and understand the needs of both students and teachers alike.
