Novel 11, Book 18 Jan 24 2020 A brilliant novel by the Norwegian master Dag Solstad Bjorn Hansen, a respectable town treasurer, has just turned fifty and is horrified by the thought that chance has ruled his life. Eighteen years ago he left his wife and their two-year-old son for his mistress, who persuaded him to start afresh in a small, provincial town and to devote himself to an amateur theater. In time that relationship also faded, and

after four years of living alone Bjorn contemplates an extraordinary course of action that will change his life forever. He finds a fellow conspirator in Dr. Schiotz, who has a secret of his own and offers to help Bjorn carry his preposterous plan through to its logical conclusion. But the sudden reappearance of his son both fills Bjorn with new hope and complicates matters. The desire to gamble with his comfortable existence proves irresistible, however, taking him to Vilnius in Lithuania, where very soon he cannot tell whether he's tangled up in a game or reality. Dag Solstad won the Norwegian Critics Prize for Literature for Novel 11, Book 18, a concentrated uncompromising existential novel that puts on full display the author's remarkable gifts and wit.

He That Hath Jul 12 2021 For he that hath, to him shall be given: and he that hath not, from him shall be taken even that which he hath. -Mark 4:25 "What a seemingly unfair Scripture! Why should those who have money be the ones to get even more money? Why should those who have little be the ones to lose even what they have? Why is it that in real life, it is those who have, who get even more? Why is it that things are the exact opposite of what we expect? - Even though this Scripture sounds unfair, it is true for two reasons. It is true because Jesus said it. Heaven and earth will pass away but His words will not pass away (Matthew 24:35). The words of Jesus are the most powerful words ever spoken." So opens this book which examines one of the most heartfelt cries of the human heart: why is that fair?

In this work Dag Heward-Mills, founder of a charismatic denomination with now well over a thousand planted churches worldwide, illuminates the Biblical truths that bear up what Christ declared and helps us overcome the perceived unfairness of the concept. The Wolf and the Watchman

Feb 04 2021 "The Alienist set in eighteenth-century Stockholm: Brawny, bloody, intricate, enthralling—and the best historical thriller I've read in twenty years." —A.J. Finn, #1 bestselling author of *The Woman in the Window* "Thrilling, unnerving, clever, and beautiful." —Fredrik Backman, #1 bestselling author of *A Man Called Ove* "Chilling and thought-provoking. Relentless, well-written, and nearly impossible to put down." —Kirkus Reviews (starred review) One morning in the autumn of 1793, watchman Mikel Cardell is awakened from his drunken slumber with reports of a body seen floating in the Larder, once a pristine lake on

Stockholm's Southern Isle, now a rancid bog. Efforts to identify the bizarrely mutilated corpse are entrusted to incorruptible lawyer Cecil Winge, who enlists Cardell's help to solve the case. But time is short: Winge's health is failing, the monarchy is in shambles, and whispered conspiracies and paranoia abound. Winge and Cardell become immersed in a brutal world of guttersnipes and thieves, mercenaries and madams. From a farmer's son who is lead down a treacherous path when he seeks his fortune in the capital to an orphan girl consigned to the workhouse by a pitiless parish priest, their investigation peels back layer upon layer of the city's labyrinthine society. The rich and the poor, the pious and the fallen, the living and the dead—all collide and interconnect with the body pulled from the lake. Breathtakingly bold and intricately constructed, *The Wolf and the Watchman* brings to life the crowded streets, gilded palaces, and dark corners of late-eighteenth-

century Stockholm, offering a startling vision of the crimes we commit in the name of justice, and the sacrifices we make in order to survive.
