For 3 years & 8 months Felix has lived in a convent orphanage high in the mountains in Poland. But Felix is convinced his parents are alive & will come back to get him. Felix embarks on a long & dangerous journey through Nazi occupied Poland. Once I escaped from an orphanage to find my Mum and Dad. Once I saved a girl called Zelda from a burning house. Once I made a Nazi with toothache laugh. My name is Felix. This is my story. Felix and Zelda have escaped the train to the death camp, but where do they go now? They're two runaway kids in Nazi-occupied Poland. Danger lies at every turn of the road. With the help of a woman named Genia and their active imaginations, Felix and Zelda find a new home and begin to heal, forming a new family together. But can it last? "Set in the haunted town of Blackwater, Maine, two boys fall for each other as they dig for clues to a paranormal mystery. Tony Price is a popular high school track star and occasional delinquent aching for his dad's attention and approval. Eli Hirsch is a quiet boy with a chronic autoimmune

disorder that has ravaged his health and social life. What happens when these two become unlikely friends (and a whole lot more...) in the spooky town of Blackwater, Maine? Werewolf curses, unsavory interactions with the quarterback of the football team, a ghostly fisherman haunting the harbor, and tons of high school drama." -- Felix, a Jewish boy in Poland in 1942, is hiding from the Nazis in a Catholic orphanage. The only problem is that he doesn't know anything about the war, and thinks he's only in the orphanage while his parents travel and try to salvage their bookselling business. And when he thinks his parents are in danger, Felix sets off to warn them--straight into the heart of Nazi-occupied Poland. To Felix, everything is a story: Why did he get a whole carrot in his soup? It must be sign that his parents are coming to get him. Why are the Nazis burning books? They must be foreign librarians sent to clean out the orphanage's outdated library. But as Felix's journey gets increasingly dangerous, he begins to see horrors that not even stories can explain. Despite his grim surroundings, Felix never loses hope. Morris Gleitzman takes a painful subject and expertly turns it into a story filled with love, friendship, and even humor.
