In the instant New York Times bestseller that started the Dark Elements series, one kiss is enough to kill... Layla just wants to fit in at school and go on a date with Zayne, whom she's crushed on since forever. Trouble is, Zayne treats Layla like a sister—and Layla is a half demon, half gargoyle with abilities no one else

possesses. And even though Zayne is a Warden, part of the race of gargoyles tasked with keeping humanity safe, Layla's kiss will kill anything with a soul—including him. Then she meets Roth—a demon who claims to know her secrets. Though Layla knows she should stay away, it's tough when that whole no-kissing thing isn't an issue. Trusting Roth could ruin her chances with Zayne, but as Layla discovers she's the reason for a violent demon uprising, kissing the enemy suddenly pales in comparison to the looming end of the world. "Armentrout works her magic with swoon-worthy guys and a twist you never see coming."—#1 New York Times bestselling author Abbi Glines "Armentrout is a major talent... I just can't stop reading!"—New York Times bestselling author Gena Showalter

The Dark Elements Series: Bitter Sweet Love (ebook-only prequel) White Hot Kiss Stone Cold Touch Every Last Breath En route to their honeymoon in the Scottish Highlands, Paul and Carol Wilson lose their way in an unseasonable blizzard and

are forced to take shelter in remote Ardvreck House. But this sprawling, dilapidated Victorian mansion, with its reputation as the scene of violent unsolved mysteries, is also playing host to an eclectic and mysterious group of people who are engaged in a bizarre experiment. It soon becomes clear that even more threatening than the worsening storm outside are the dangers within: The Wilsons and the rest of the assembled company may not survive their stay, as Ardvreck House, home to a century-old evil, refuses to give up its long-buried secret - the devil in the darkness. Renowned professor of astronomy Archie Roy was also a prominent researcher in the field of the paranormal. Drawing heavily on his own experience and investigations, *Devil in the Darkness* (1978) is a chilling haunted house story in the tradition of Shirley Jackson's *The Haunting of Hill House* and Richard Matheson's *Hell House*. This new edition makes Roy's sixth novel available in America for the first time and includes a new

introduction by Greg Gbur. Soso Tham (1873-1940), the acknowledged poet laureate of the Khasis of northeastern India, was one of the first writers to give written poetic form to the rich oral tradition of his people. Poet of landscape, myth and memory, Soso Tham paid rich and poignant tribute to his tribe in his masterpiece *The Old Days of the Khasis*. Janet Hujon's vibrant new translation presents the English reader with Tham's long poem, which keeps a rich cultural tradition of the Khasi people alive through its retelling of old narratives and acts as a cultural signpost for their literary identity. This book is essential reading for anyone with an interest in Indian literature and culture and in the interplay between oral traditions and written literary forms. This edition includes: • English translation • Critical apparatus • Embedded audio recordings of the original text *Air and Darkness*, an intriguing and fantastic adventure, is both an independent novel and the gripping

conclusion of the *Books of the Elements*, a four-volume set of fantasies set in Carce, an analog of ancient Rome by David Drake. Here the stakes are raised from the previous novels in an ultimate conflict between the forces of logic and reason and the forces of magic and the supernatural. During the extraordinary time in which this story is set, the supernatural is dominant. The story is an immensely complex journey of adventure through real and magical places. Corylus, a soldier, emerges as one of the most compelling heroic figures in contemporary fantasy. Battling magicians, spirits, gods, and forces from supernatural realities, Corylus and his companions from the family of the nobleman Saxa-especially Saxa's impressive wife Hedia, and his friend (and Saxa's son) Varus-must face constant deadly and soul-destroying dangers, climaxing in a final battle not between good and evil but in defense of logic and reality. At the Publisher's request, this title is being sold without Digital Rights Management Software

(DRM) applied. Two gods, two houses, one quest, and the eternal war between life and death To save his kingdom, Anubis, Lord of the Dead, sends forth his servant on a mission of vengeance. At the same time, from The House of Life, Osiris sends forth his son, Horus, on the same mission to destroy utterly and forever The Prince Who Was a Thousand. But neither of these superhuman warriors is prepared for the strange and harrowing world of mortal life, and The Thing That Cries in the Night may well destroy not only their worlds, but all mankind. As Zelazny did with the Hindu pantheon in the legendary, groundbreaking classic Lord of Light, the master storyteller here breathes new life into the Egyptian gods with another dazzling tale of mythology and imagination. The dialectic of light and darkness studied in this collection of essays reveals itself as a primal factor of life as well as the essential element of the specifically human world. From its borderline position between physis and psyche, natural growth and

techne, bios and ethos, it functions as the essential factor in all the sectors of life at large. We see its crucial role in all sectors of life while, prompted by man's creative imagination, it enhances and spurs his vital as well as societal and spiritual life. This rare collection contains studies by Thomas Ryba, Krystina Górnjak-Kocikowska, Lois Oppenheim, Sydney Feshback, Eldon van Lieve, Sitansu Ray, Theodore Litman, Peter Morgan, Colette Michael, Christopher Lalonde, L. Findlay, Christopher Eykman, Beverly Schlack Randles, Jorge García-Gómez, William Haney, Sherilyn Abdoo, David Brottman, Alan Pratt, Hans Rudnick, George Scheper, Freema Gottlieb, Marlies Kronegger. In Into the Dying Light, the jaw-dropping conclusion to the Age of Darkness trilogy, hearts will shatter, cities will fall, and a god will rise. "A successful ending to a brilliant trilogy about human hope and connection." —Kirkus Reviews, starred review and Best Book of the Month "Solidifies Katy Rose Pool's status as one of the best

fantasy writers of the 21st century." —Popsugar on *As the Shadow Rises* Following the destruction of the City of Mercy, an ancient god has been resurrected and sealed inside Beru's body. Both are at the mercy of the Prophet Pallas, who wields the god's powers to subjugate the Six Prophetic Cities. But every day, the god grows stronger, threatening to break free and sow untold destruction. Meanwhile, far away from Pallas Athos, Anton learns to harness his full powers as a Prophet. Armed with the truth about how the original Prophets killed the god, Anton leads Jude, Hassan, and Ephyra on a desperate quest to the edge of the world. With time running out, the group's tenuous alliance is beset by mounting danger, tumultuous romance, and most of all by a secret that Anton is hiding: a way to destroy the god at the price of an unbearable sacrifice. But the cost of keeping that secret might be their lives—and the lives of everyone in the Six Prophetic Cities. The *Age of Darkness* trilogy is perfect for fans of *Throne of*

*Glass*, *Children of Blood and Bone*, and *An Ember in the Ashes*. A Simon & Schuster eBook. Simon & Schuster has a great book for every reader. "I loved the darkness, but I also craved the light. The night called to my magic, the day to my spirit." \* \* \* Sasha has always known she was different, but now she also knows that the shadow men she's seen all her life, are real. With a life goal of fitting in, Sasha hopes her strange abilities will finally make true friendship a possibility. Unfortunately, her magic doesn't function like everyone else's. What she thought would make her belong, sets her apart now more than ever. Stefan, all but promised to a different woman, has tried to keep his mind on his duties instead of the irresistible and free-spirited human. But when she is threatened, he can't keep his distance anymore. He'll stop at nothing to keep her safe, and more importantly, make her his. Just when one thing clicks into place, another spirals out of control. Stefan's clan isn't the only group that would benefit from an

extremely rare type of magic. And their enemies will stop at nothing to get what they want. With Sasha as the proclaimed Mage of high ranking power, she can't just slip under the carpet to a peaceful existence. Instead, she must present herself to the Council, a group of white mages who reside over the magical community, governing Stefan's people. There she must prove she has what it takes to be the mage of Stefan's clan, not something easily done. Stefan, too, has been noticed by the large faction of rulers. An alpha leader with a firm hold over his people, he has outgrown in his position, and it shows. Ties to a human mage with a vast well of power, though, has made him a target. Sasha is sought after, and those who want to harness her power will take her by force if necessary. With Dominicus' and Toa's help, Sasha and Stefan must face the trials coming up. Proving themselves is the easy part. Getting out with their lives becomes the challenge. The cries of the dead are deafening. Women are being taken

in Virginia, and FBI agent Mark Gallagher is determined to put a stop to it. Certain he's closing in on the killer known as The Embracer, Mark is less than thrilled when he's partnered with rookie agent Colleen Law, worried she's a liability when there's so much at stake. But like everyone in the Krewe of Hunters, Colleen has talents that extend beyond the usual investigative toolbox. She can hear the voices of the victims in her head, and they're telling her she and Mark are near to uncovering the truth. When Mark's prime suspect takes a liking to Colleen, he's surprisingly protective of his new partner, even as he admits her connection to the victims is key. But tense interrogations turn dangerously personal when someone close to Colleen goes missing, luring the agents deep into the shadows of wooded rural Virginia, where nobody can hear them scream. "A high-octane page turner that's two parts thrills, one part cautionary tale, and an absolute blast to read." —Providence Journal on *Danger* in

Numbers Krewe of Hunters Book 1: Phantom Evil Book 2: Heart of Evil Book 3: Sacred Evil Book 4: The Evil Inside Book 5: The Unseen Book 6: The Unholy Book 7: The Unspoken Book 8: The Uninvited Book 9: THE NIGHT IS WATCHING Book 10: The Night Is Alive Book 11: THE NIGHT IS FOREVER Book 12: The Cursed Book 13: The Hexed Book 14: The Betrayed Book 15: The Silenced Book 16: The Forgotten Book 17: The Hidden Book 18: Haunted Destiny Book 19: Deadly Fate Book 20: Darkest Journey Book 21: Dying Breath Book 22: Dark Rites Book 23: Wicked Deeds Book 24: Fade to Black Book 25: Pale as Death Book 26: Echoes of Evil Book 27: The Summoning Book 28: The Seekers Book 29: The Stalking Book 30: Seeing Darkness Book 31: Deadly Touch Book 32: Dreaming Death Book 33: The Unforgiven Book 34: The Forbidden Book 35: The Unknown Book 36: Sound of Darkness Book 37: Aura of Night Book 38: Voice of Fear The darkness inside people is something that cannot be

removed, will not be destroyed. For with a lack of darkness, the light itself becomes destructive. This is true of all things without death, life has no purpose. Without oppression, the human spirit has no wings. One must never endure a complete lack of good, nor a complete lack of evil; to do so would destroy everything you are, as well as the potential of what you could be. Do not strive to be purely good, for walking always in the light changes a person. Attempt forever to avoid the darkness, for it will rip you apart. Walk instead a hairs width between the two - it is here, in the darkness before the light, that the great, the influential, and the god-like are most often found. Kayara Kutaragi The world has split into its six core elements. The resulting world of the element Earth has four quadrants, each one perpetually one of the seasons: winter, spring, summer, and fall. For longer than any can remember, the world has thrived, the people and animals evolving to live on the new planet. The gears have begun to turn, however, on a new

evolution. A lemure, close kin to the lemurs of the original Earth, brings the girl Aria a tiny emerald. Ameagla is kicked out of the shelter of his homeland to live or die alone in the harshest quadrant. Jade takes it on herself to strike a deal with the merchant of death in order to save her father's life. There, she meets Kaalin and Kayara, who will join her on her task. The players are set on a world-sized chessboard to unravel the mysteries of the ancients, the technology, and the power they possessed over the very world itself. With the guardians of the seasons and other forces out to deter them, it is unknown what questions will be answered and what answers will reveal more questions. I'd always been different. I saw objects in the night where others saw emptiness. Large, human shaped shadows, fierce yet beautiful, melting into the darkness. I collected secrets like other women collected bells; afraid to fully trust lest my oddities be exposed. Until I saw him. He'd been gliding down the street, unshakable confidence

in every step. It wasn't just that he was breathtakingly handsome with perfect features. Something about him drew me. Sucked my focus to him and then tugged at my body. As his eyes met mine, I was entrapped. No one had noticed him. He'd been right there, just beyond the light, but only I had perceived. I had to know if he was real. Or maybe I really was crazy. And even when my secret box was blasted wide open, dangers hurled at me like throwing knives, I couldn't stop until I unraveled his true identity. I just had to know. Casey Callow, a prestigious member of the Protection Guild, has her sights set on understanding the rare power over darkness plaguing her country of Calgonia. In a land where everyone possesses an ability over either water, air, earth, or fire, darkness stands out as a dangerous and mysterious fifth element. But darkness is not the only thing plaguing the country. Rival to her own guild, the Assassin Guild poses threats to Calgonia with their less than moral undertakings. After the estate of the

esteemed Onendilo family is ravaged by darkness, Casey soon discovers the Assassin Guild is more sinister than she once believed. She finds herself partnered with the enigmatic ex-Assassin, Noriko Ondendilo, as she works to uncover the truth of the Assassin Guild and its connection to darkness. Through trials of trust, love, and humanity, Casey and Noriko strive to save those closest to them from falling into the clutches of the Assassin Guild. Can the duo uncover the plot of the Assassins in time? Or will the Assassins' use of darkness consume all they know to be true? The Devil, Satan, Lucifer, Mephistopheles - throughout history the Prince of Darkness, the Western world's most powerful symbol of evil, has taken many names and shapes. Jeffrey Burton Russell here chronicles the remarkable story of the Devil from antiquity to the present. While recounting how past generations have personified evil, he deepens our understanding of the ways in which people have dealt with the enduring problem of radical

evil. After a compelling essay on the nature of evil, Russell uncovers the origins of the concept of the Devil in various early cultures and then traces its evolution in Western thought from the time of the ancient Hebrews through the first centuries of the Christian era. Next he turns to the medieval view of the Devil, focusing on images found in folklore, scholastic thought, art, literature, mysticism, and witchcraft. Finally, he follows the Devil into our own era, where he draws on examples from theology, philosophy, art, literature, and popular culture to describe the great changes in this traditional notion of evil brought about by the intellectual and cultural developments of modern times. Is the Devil an outmoded superstition, as most educated people today believe? Or do the horrors of the twentieth century and the specter of nuclear war make all too clear the continuing need for some vital symbol of radical evil? A single-volume distillation of Russell's epic tetralogy on the nature and personification of evil

from ancient times to the present (published by Cornell University Press between 1977 and 1986), *The Prince of Darkness* invites readers to confront these and other critical questions as they explore the past faces of that figure who has been called the second most famous personage in Christianity. Deputy coroner Clay Edison goes to extreme lengths for a forgotten Jane Doe in the new thriller from a father-son team of bestselling authors who write “brilliant, page-turning fiction” (Stephen King). “As for the keen sense of drama, it must be a genetic trait. . . . The Kellermans show compassion for the survivors, including conscientious officials like Edison.”—*The New York Times Book Review*

Former star basketball player Clay Edison is busy. He’s solved a decades-old crime and redeemed an innocent man, earning himself a suspension in the process. Things are getting serious with his girlfriend. Plus his brother’s fresh out of prison, bringing with him a whole new set of complications. Then the phone rings

in the dead of night. A wild party in a gentrifying East Bay neighborhood. A heated argument that spills into the street. Gunshots. Chaos. For Clay and his fellow coroners, it’s the start of a long night and the first of many to come. The victims keep piling up. What begins as a community tragedy soon becomes lurid fodder for social media. Then the smoke clears and the real mystery emerges—one victim’s death doesn’t match the others. Brutalized and abandoned, stripped of ID, and left to die: She is Jane Doe, a human question mark. And it falls to Clay to give her a name and a voice. Haunted by the cruelty of her death, he embarks upon a journey into the bizarre, entering a hidden world where innocence and perversity meet and mingle. There, his relentless pursuit of the truth opens the gateway to a dark and baffling past—and brings him right into the line of fire. Praise for *A Measure of Darkness* “Edison is an interesting protagonist, a good man for whom finding the truth is more important than anything else,

including his own safety. He's gentle and strong, compassionate and ruthless, methodical and impulsive. A strong sequel to *Crime Scene* that will leave readers wanting to see more of Edison."—Booklist Leigh Bardugo's *Six of Crows* meets Kristin Cashore's *Graceling*, with a dash of *Winter is Coming*, in this showstopping debut YA fantasy--and recipient of FOUR starred reviews! A Morris Award Finalist for best debut young adult novel! A Kirkus Best Book of the Year! A Tor.com Best YA SFF/Horror Book of the Year! "One of the most stunning debuts of the year." —Seventeen *The Age of Darkness* approaches. Five lives stand in its way. Who will stop it . . . or unleash it? For generations, the Seven Prophets guided humanity. Using their visions of the future, they ended wars and united nations—until the day, one hundred years ago, when the Prophets disappeared. All they left behind was one final, secret prophecy, foretelling an Age of Darkness and the birth of a new Prophet who could be the world's salvation .

. . . or the cause of its destruction. With chaos on the horizon, five souls are set on a collision course: A prince exiled from his kingdom. A ruthless killer known as the Pale Hand. A once-faithful leader torn between his duty and his heart. A reckless gambler with the power to find anything or anyone. And a dying girl on the verge of giving up. One of them—or all of them—could break the world. Will they be savior or destroyer? Perfect for fans of *Throne of Glass*, *Children of Blood and Bone*, and *An Ember in the Ashes*. Praise for *There Will Come a Darkness* "A can't miss debut from an exciting new talent." —Kiersten White, *New York Times* bestselling author of *Slayer* "Even in a world filled with graces and prophets, the real magic of *There Will Come a Darkness* is in how Pool has crafted her heroes—messy, flawed, and so beguilingly human. I dare you not to fall madly in love with all of them." —Laura Sebastian, *New York Times* bestselling author of *Ash Princess* \* "A well-crafted, surprising, and gripping start to

a new trilogy." —Kirkus Reviews, STARRED review In a sizzling prequel novella to her new series *The Dark Elements*, #1 New York Times bestselling author Jennifer L. Armentrout draws readers into the extraordinary, irresistible world of Wardens and demons. Dez wasn't just Jasmine's crush. A gargoyle Warden like Jas, he helped her come to terms with her destiny—fending off demons and maintaining the balance between good and evil. He was her everything...right until the moment he disappeared without a trace. It didn't help that Jas's father had just announced that she and Dez would one day be mated. Hard not to take that personally. And now he's back, three years older, ten times hotter, ready to pick up exactly where they left off. But Jas isn't taking that risk again. Dez has seven days to meet all her conditions and earn back her trust. Seven days filled with terrifying danger and sweet temptation. Seven days to win her heart—or shatter it all over again... "With her signature

flare for combining humor, romance and action, Armentrout weaves a fast-paced read that will have readers' hearts racing in more ways than one. Like Armentrout's previous heroines, Jasmine is fun and full of attitude, while Dez is as snarky as he is sexy. This is a must read for new and old fans alike!" -RT Book Reviews Don't miss *White Hot Kiss*, book one in Jennifer L. Armentrout's *The Dark Elements* series from Harlequin TEEN! El has no idea she's an elemental. She's just turned 15 and has her whole life ahead of her when a tragic death destroys her future. Soon after, she meets a mysterious, dark stranger named Astin who's beautiful features and charming wit serve to ease her pain and excite her senses. His mystique teases at a dangerous past, but El is so swept up in her obsession, and her inexplicable budding powers that her judgement is compromised. While riding with Astin, she is strangely drawn to the east, with a destination unknown. Liana didn't mean to electrocute four

boys by harnessing the power of lightning. She didn't know she could do it, it just happened when the boys were hurting Blake, her best friend since childhood. Strange things just began happening the moment she turned 15. The ability to command nature when she allowed her emotions to control her. Speaking with animals on a telepathic level. All the while battling with a strong compelling to travel west. Together with Blake, they ride their horses as far as possible to answer the strange, silent call. She has high hopes that when she reaches her destination, she will finally get answers to questions that have been plaguing her for years. But when she finds her home, will it be the sanctuary she's always wanted, or be wrought with more turmoil? This is the first book in a 3 part series. The remaining books are Shadow and Ruin. A dangerous forbidden romance rocks a Texan oil town in 1937, when segregation was a matter of life and death. A Top Ten Most Challenged Book of the Year "This is East Texas, and there's lines.

Lines you cross, lines you don't cross. That clear?" New London, TX. 1937. Naomi Vargas is Mexican American. Wash Fuller is Black. These teens know the town's divisive racism better than anyone. But sometimes the attraction between two people is so powerful it breaks through even the most entrenched color lines. And the consequences can be explosive. Naomi and Wash dare to defy the rules, and the New London school explosion serves as a ticking time bomb in the background. Can their love survive both prejudice and tragedy? Race, romance, and family converge in this riveting novel that transplants Romeo and Juliet to a bitterly segregated Texas town. Includes a fascinating author's note detailing the process of research and writing about voices that have largely been excluded from historical accounts. Children's Book Award The Final Book in the USA TODAY BESTSELLING Series! Charles is a guy that likes to play the field. He's highly sought after in the Mansion, both for his prowess, and his position. He's content to stay the playboy for life, too, steeped in the culture in which he was raised. That is, until he finds himself on a mission with Ann, trying to figure out why shifters are mysteriously going missing. Suddenly things that were so clear cut, get muddled. When Ann succumbs to the danger that is plaguing her kind, all bets are off. The vampires and werewolves chosen to be the Guardians of Eternity believe they've conquered their latest threat. But as one of them will learn in this mesmerizing installment from New York Times bestselling author Alexandra Ivy, old lovers make the most ruthless new enemies . . . Only one drastic mission can tempt Kyi away from the peaceful woodland where the dryads raised her: killing her mother. Xuria's beauty masks a bone-deep evil that has enslaved fey for

centuries with the help of a powerful stone. A hundred years ago, Kyi almost succeeded—until one meddling vampire destroyed her chance. With rumors that Xuria has emerged from her secret realm, Kyi's determined to try again—despite the vampire who is now focused on destroying her. Locke has been waiting over a century to avenge what he believes was Xuria's death. Discovering the sorceress's raven-haired fey daughter was the assassin is a surprise—until her story of Xuria's treachery begins to ring true. Working with Kyi is one solution—and the relentless heat simmering between them is a hint that they may be fated as mates. But even a destined love will have to wait as they now struggle to defeat Kyi's twin sister, who has a chilling plan of her own . . . Seventeen-year-old Lorelei Patio is the adopted daughter of a two-hundred-year-old vampire, Sergio Patio. She never realized why her family has had to move often or why she is not permitted to get too friendly with other young

people. In fact, except for one shocking moment, that seemed more like a dream, Lorelei never fully realized who and what her father was, nor what her sisters were brought up to do for him. But one day, that all changed. Sergio's 'daughters' serve a very important purpose: they are all beautiful young ladies who can easily attract - and lure - men so Sergio can feed on their blood. And now Daddy expects Lorelei to be the obedient daughter he needs and bring him new victims. But when Lorelei meets the shy but handsome Buddy in school, she quickly falls in love with him. He feels the same way, but wonders why she doesn't want to take him home to meet her father. Lorelei knows what will happen if she does and tries desperately to keep her two worlds apart, but she knows she can never truly escape her fate as a daughter of darkness. In the aftermath of the Haitian earthquake, 15-year-old Shorty, a poor gang member from the slums of Site Soleil, is trapped in the rubble of a ruined hospital, and as he

grows weaker he has visions and memories of his life of violence, his lost twin sister, and of Toussaint L'Ouverture, who liberated Haiti from French rule in the 1804. Toward the end of World War Two Hitler unleashed the Gommorrah virus, which wiped out most of humanity and turned the rest into vampires, except for those like seventeen-year-old Sophie Harkness, who carry a genetic mutation that makes them immune--but when her best friend is murdered and attempts are made on her life, Sophie sets out to discover the dark secrets that lie at the heart of Haven, the last refuge of the immunes. A boy on the run. A girl determined to find him. A compelling fantasy looks at issues of privilege, protest, and justice. All light in Chattana is created by one man — the Governor, who appeared after the Great Fire to bring peace and order to the city. For Pong, who was born in Namwon Prison, the magical lights represent freedom, and he dreams of the day he will be able to walk among them. But when Pong

escapes from prison, he realizes that the world outside is no fairer than the one behind bars. The wealthy dine and dance under bright orb light, while the poor toil away in darkness. Worst of all, Pong's prison tattoo marks him as a fugitive who can never be truly free. Nok, the prison warden's perfect daughter, is bent on tracking Pong down and restoring her family's good name. But as Nok hunts Pong through the alleys and canals of Chattana, she uncovers secrets that make her question the truths she has always held dear. Set in a Thai-inspired fantasy world, Christina Soontornvat's twist on Victor Hugo's *Les Misérables* is a dazzling, fast-paced adventure that explores the difference between law and justice — and asks whether one child can shine a light in the dark. Atlanta: it's the promised city for the off-worlders, foreigners from the alternate dimensions of heaven-like Elysia and hell-like Charbydon. Some bring good works and miracles. And some bring unimaginable evil.... Charlie Madigan is a

divorced mother of one, and a kick-ass cop trained to take down the toughest human and off-world criminals. She's recently returned from the dead after a brutal attack, an unexplained revival that has left her plagued by ruthless nightmares and random outbursts of strength that make doing her job for Atlanta P.D.'s Integration Task Force even harder. Since the Revelation, the criminal element in Underground Atlanta has grown, leaving Charlie and her partner Hank to keep the chaos to a dull roar. But now an insidious new danger is descending on her city with terrifying speed, threatening innocent lives: a deadly, off-world narcotic known as ash. Charlie is determined to uncover the source of ash before it targets another victim -- but can she protect those she loves from a force more powerful than heaven and hell combined? When Felix is hired to take care of a recently blinded man, he thinks his life might finally be turning around. It has to be better than where he came from, but he has no idea

what he's signed up for. Lane is depressed, rude, and difficult to be around. It doesn't help that Felix is clearly not qualified for the job, especially since he can't even make oatmeal right. But Felix is trying to make his life better, so he'll put up with the man even if it requires some unconventional methods. Felix's humor soon pulls Lane out of his depression, and Felix feels like things are finally going right in his life. That is, until he's attacked by someone who wants to keep Lane quiet. It's clear that Lane isn't who he's pretending to be, and Felix should probably walk away. But Felix has finally found a place where he belongs and he's willing to go to great lengths to stay by Lane's side. Even if it involves kidnapping, stealing, and Felix's overwhelmingly bad ideas, Felix will do just about anything because Lane is there for him unlike anyone else has ever been. Felix might be out of his element, but one thing he is sure about is that he doesn't want to leave Lane... even if it costs him his life. Hidden in Darkness is 90k

words of snark, car chases, and morally questionable choices. Newly edited with an updated cover. Is it possible for one man to touch the hearts of the whole human race, even though we are all individually different? Here you have it! The most anticipated book in the world! Designed to empower minds for the greater good! With (belief) we create life with (understanding) we know why and what it takes to make (sacrifices) for what we desire. To live through the zombie apocalypse they have to survive each other first. College freshman Parker Osborne is having the worst day ever. He humiliated himself trying to pick up a cute guy, he hasn't made any friends at school, and his stupidly hot jerk of a TA gave him a crappy grade on his paper. He's going to drop Adam Hawkins' film class and start fresh tomorrow after he's had a good sulk. But Parker's about to find out what a bad day really looks like—if he can survive the night. A virus is unleashed, transforming infected people into zombie-like

killers. After these quick and deadly creepers swarm campus, Parker only escapes thanks to Adam swooping him onto the back of his trusty motorcycle. Now they're on the run—and stuck with each other. When they're not bickering, they're fighting off the infected in a bloody battle for survival. Their only hope is to head east to Parker's family, but orphaned Adam has a secret he's not sure Parker will accept: he's a werewolf. Can they trust each other enough to find some light in these dark days? This gay romance from Keira Andrews features enemies to lovers, a really stressful road trip, two young men finding love in the zombie apocalypse, and of course a happy ending. Book one in the Kick at the Darkness m/m shifter romance series. In the first of a dazzling new romantic trilogy, one woman's courageous search plunges her into a millennia-old supernatural war--and an irresistible passion. . . Nurse Kayla Friday has dedicated her life to science and reason. But for her, Seattle is a place of eerie loss and

fragmented, frightening memories. And now the only clue to her sister's murder reveals a secret battle between two ancient mythologies. . .and puts Kayla in the sights of lethally-sexy werewolf mercenary Hart. He'll do whatever it takes to obtain the key to the Gate of the Land of the Dead and free what's left of his soul. But seducing the determined Kayla is putting them at the mercy of powerful desires neither can control. And as the clock ticks down to hellish catastrophe, the untested bond between Kayla and Hart may lead to the ultimate sacrifice. Spanning the icy streets of Reykjavik, the Icelandic highlands and cold, isolated fjords, *The Darkness* is an atmospheric thriller from Ragnar Jonasson, one of the most exciting names in Nordic Noir. The body of a young Russian woman washes up on an Icelandic shore. After a cursory investigation, the death is declared a suicide and the case is quietly closed. Over a year later Detective Inspector Hulda Hermannsdóttir of the Reykjavík police is forced

into early retirement at 64. She dreads the loneliness, and the memories of her dark past that threaten to come back to haunt her. But before she leaves she is given two weeks to solve a single cold case of her choice. She knows which one: the Russian woman whose hope for asylum ended on the dark, cold shore of an unfamiliar country. Soon Hulda discovers that another young woman vanished at the same time, and that no one is telling her the whole story. Even her colleagues in the police seem determined to put the brakes on her investigation. Meanwhile the clock is ticking. Hulda will find the killer, even if it means putting her own life in danger. As she discovers the truth about her past, Kaira, a senior at a boarding school for aspiring musicians and artists, discovers that vengeful gods are threatening humanity. In the wake of ridding their territory of a menace, Sasha has only one pressing duty left: find more human magic workers. And while it is undoubtedly important

on some grand scale, the task is, in itself, surprisingly uneventful. That is, until a strange predator takes an interest in her and Charles on their trek home one evening. In the space of twenty-four hours Sasha's life goes from mundane to being stalked and threatened. A new shifter has moved into town, and if the whispered rumors are to be believed, something even more sinister is lurking behind, watching and waiting for the right moment to spring. But that isn't the only element that turns Sasha's life upside down. She has one hell of a secret that will change her and Stefan's life forever. As Layla's half-demon, half-gargoyle powers evolve, the demon prince Roth returns to bring her news that could change her world forever. This major new work about World War II exposes the myths of military heroism as shallow and inadequate. "Tears in the Darkness" makes clear, with great literary and human power, that war causes suffering for people on all sides. The blistering story of a young man making his Broadway

debut in Henry IV just as his marriage implodes—a "witty, wise, and heartfelt novel" (Washington Post) about art and love, fame and heartbreak from the acclaimed actor/writer/director. A bracing meditation on fame and celebrity, and the redemptive, healing power of art; a portrait of the ravages of disappointment and divorce; a poignant consideration of the rites of fatherhood and manhood; a novel soaked in rage and sex, longing and despair; and a passionate love letter to the world of theater, A Bright Ray of Darkness showcases Ethan Hawke's gifts as a novelist as never before. Hawke's narrator is a young man in torment, disgusted with himself after the collapse of his marriage, still half hoping for a reconciliation that would allow him to forgive himself and move on as he clumsily, and sometimes hilariously, tries to manage the wreckage of his personal life with whiskey and sex. What saves him is theater: in particular, the challenge of performing the role of Hotspur in a

production of Henry IV under the leadership of a brilliant director, helmed by one of the most electrifying—and narcissistic—Falstaff's of all time. Searing, raw, and utterly transfixing, A Bright Ray of Darkness is a novel about shame and beauty and faith, and the moral power of art.
