Description of the product: • 100% Updated with Board Specimen Paper & Exam Papers • Crisp Revision Topic wise Revision Notes, Mind Maps & Mnemonics • Extensive Practice with 3000+ Questions & Board Marking Scheme Answers • Concept Clarity with 1000+concepts & 50+Concept videos • 100% Exam Readiness with Previous Year's Exam Questions +MCQs From the standpoint of practising engineers, architects and contractors, the law of contract is the most important one and, from preparation of technical documents to its execution and in the determination of disputes, the engineer or architect must have relevant knowledge. This book acts as a practical guide to building and engineering contracts. All points are explained with illustrations gathered from decided court cases. This book covers the substantive law of contract applicable to building and engineering contracts with updated noteworthy judgments. FIDIC conditions are mentioned at appropriate places with a global focus. Key Features: Guide for a full and thorough understanding of the contractual undertakings of the civil engineering industry, primarily in India Discusses specific conditions which are fertile sources of disputes, referring to and commenting upon the FIDIC conditions Covers internationally adopted standard form conditions of contract with analysis, discussions and interpretations, with decided court cases from India and abroad Focuses on technical civil engineering aspects Addresses cases from countries including UK, US, Canada, Australia, New Zealand and India Study conducted by Institute of Public Enterprise, Hyderabad. The Kenya Gazette is an official publication of the government of the Republic of Kenya. It contains notices of new legislation, notices required to be published by law or policy as well as other announcements that are published for general public information. It is published every week, usually on Friday, with occasional releases of special or supplementary editions within the week. How can we best understand the impact of revolutionary technologies on the business cycle, the economy, and society? Why is economics meaningless without history and without an understanding of institutional and technical change? Does the 'new economy' mean the 'end of history'?an we best understand the impact of revolutionary technologies on business organization and the business cycle? These are some of the questions addressed in this authoritative analysis of modern economic growth from the Industrial Revolution to the 'New Economy' of today. Chris Freeman has been one of the foremost researchers on innovation for a long time and his colleague Francisco Louçã is an outstanding historian of economic theory and an analyst of econometric models and methods. Together they chart the history of five technological revolutions: water-powered mechanization, steam-powered mechanization, electrification, motorization, and computerization. They demonstrate the necessity to take account of politics, culture, organizational change, and entrepreneurship, as well as science and technology in the analysis of economic growth. This is an well-informed, highly topical, and persuasive study of interest across all the social sciences. ICSE Geography is a series based on the latest syllabus for ICSE schools. They cover all aspects of the subject, such as practical geography, continents and water bodies, their physical features, climate, natural vegetation, resources, utilization and life of the people. Large-sized maps make learning geography a hands-on experience. Exercises on the pattern of the board exams will help children to prepare for them. ProjectX India | 1st February 2021 edition provides you with power-packed information on 214 projects from 45 sectors of the Indian economy. In this issue we have covered 27 projects in Conceptual/Planning Stage, 40 Contract Awards, 57 Projects Under Implementation, 67 Tenders, and 23 other projects. When you buy this issue, you will get access to new projects, ongoing projects, contract awards, commissioned projects, and tenders information from India. Apart from this, the project information is provided along with the nearest contacts as available in the public domain to facilitate B2B exchange. The book examines the various aspects of non-financial central public sector enterprises (PSEs) in India, for a period from 1986-87 to 2010-11. The analysis is based on all the key financial ratios; namely, profitability, efficiency, liquidity, leverage and productivity. Liberalization and globalization have caused competition in India and have lowered the profit margins. At the same time, Indian government has reduced subsidies and budgetary support for PSEs to curtail their own fiscal deficit. Strategic and economic reforms were also introduced in PSEs to make their operations commercially profitable so that they are not dependent on the government to meet their financial requirements on the one hand, and have their own earnings to

finance their expansion/modernization requirements as well as their social obligations, on the other. To what extent, the PSEs have succeeded in this objective constitutes one major aspect of the present research work. The other equally important aspect examined is financial performance of the PSEs which have opted for disinvestment and have signed memorandum of understanding (MoU)/ self obligations. The Indian Government has desired the central PSEs to be profitable in their operations in post-liberation era of 1990s. For this purpose, two major instruments, namely, disinvestment and MoUs, were introduced. This book examines, in detail, financial performance of PSEs which had opted for disinvestment and have signed MoU. Based on analysis/ findings and literature on the subject, the book contains some concrete suggestions that would prove extremely helpful to Indian Government to further improve their financial performance. ? 1. General Studies Paper – 1 is the best- selling book particularly designed for the civil services Preliminary examinations. 2. This book is divided into 6 major sections covering the complete syllabus as per UPSC pattern 3.
