**The Peculiar** Dec 25 2022 The international bestseller and debut novel by teenage author and classical musician Stefan Bachmann is part murder mystery, part gothic fantasy, part clockwork adventure. Best-selling author Rick Riordan said of *The Peculiar*, "Stefan Bachmann breathes fresh life into ancient magic." Don't get yourself noticed and you won't get yourself hanged. In the faery slums of Bath, Bartholomew and his little sister Hettie live by these words. Bartholomew and Hettie are Peculiars, and neither faeries nor humans want anything to do with them. But when Peculiars start showing up in London murdered and covered with red tattoos, Bartholomew breaks

all the rules and gets himself noticed. Full of magic, dazzling inventions, and intriguing characters such as Mr. Jelliby and Lord Lickerish, this story of friendship, bravery, and nonstop action adventure was hailed by best-selling author Christopher Paolini as "swift, strong, and entertaining. Highly recommended." The Peculiar ends with a spectacular cliff-hanger, and the story concludes in The Whatnot.

Intergenerational Solidarity in Children's Literature and Film Jun 07 2021 Contributions by Aneesh Barai, Clémentine Beauvais, Justyna Deszcz-Tryhubczak, Terri Doughty, Aneta Dybska, Blanka Grzegorzczak, Zoe Jaques, Vanessa Joosen, Maria Nikolajeva, Marek Oziewicz, Ashley N. Reese, Malini Roy, Sabine Steels, Lucy Stone, Björn Sundmark, Michelle Superle, Nozomi Uematsu, Anastasia Ulanowicz, Helma van Lierop-Debrauwer, and Jean Webb  
Intergenerational solidarity is a vital element of societal relationships that ensures survival of humanity. It connects generations, fostering

transfer of common values, cumulative knowledge, experience, and culture essential to human development. In the face of global aging, changing family structures, family separations, economic insecurity, and political trends pitting young and old against each other, intergenerational solidarity is now, more than ever, a pressing need. *Intergenerational Solidarity in Children's Literature and Film* argues that productions for young audiences can stimulate intellectual and emotional connections between generations by representing intergenerational solidarity. For example, one essayist focuses on Disney films, which have shown a long-time commitment to variously highlighting, and then conservatively healing, fissures between generations. However, Disney-Pixar's *Up* and *Coco* instead portray intergenerational alliances—young collaborating with old, the living working alongside the dead—as necessary to achieving goals. The collection also testifies to the cultural, social, and political significance of children's culture in the development of generational intelligence and empathy towards age-others and positions the field of children's literature studies as a site of intergenerational solidarity, opening possibilities for a new socially consequential inquiry into the culture of childhood.

The Peculiars Apr 29 2023 A young girl sets off on a journey of self-discovery in this “richly atmospheric” tale blending steampunk, adventure, and gothic romance (Kirkus Reviews). With her noticeably large hands and feet, Lena Mattacascar is undoubtedly different. Secretly, she’s wondered if she might actually be Peculiar, and if her father—who left when she was only five years old—may have been Peculiar too. On her eighteenth birthday, Lena receives a letter that inspires her to leave the safety of the City and search for her father in the northern wilderness of Scree—a place inhabited by people whose own unusual characteristics make them unacceptable to modern society. Her journey leads to romance, danger, and a darkness she’s never imagined. For in the wilds of Scree, she must confront her deepest fears . . . “Readers graduating from the stories of C.S. Lewis and Edward Eager will be right at home—and cat lovers will adore Jimson’s employer’s pet, Mrs. Mumbles. McQuerry’s extensive world-building leaves open the possibility of future installments.”

*The Whatnot* Jun 26 2020 The Whatnot is the acclaimed international bestseller and sequel to Stefan Bachmann's riveting debut novel, *The Peculiar*, which Publishers Weekly called "an absolute treat for readers of any age," and which the Los Angeles Times compared to "Dostoevsky's *Crime and Punishment*, Charles Dickens's *A Tale of Two Cities*, and more recent classics, such as J. K. Rowling's *Harry Potter* and Lemony Snicket's *A Series of Unfortunate Events*." Twelve-year-old Pikey Thomas is missing an eye, a family, and friends of any sort. One day, running from bigger boys set on bullying him, Pikey finds himself in front of a grand, beautiful house. There he meets and helps a black-winged faery who is injured. It's a small gesture of kindness and bravery in steam-powered Victorian London, where faeries, now banned, are on the run or imprisoned; where the human

armies are preparing for war; and where the changeling Bartholomew Kettle, aided by Arthur Jelliby, still searches for his missing sister, Hettie. This is the epic, dark, imaginative, unforgettable, and ultimately hopeful sequel to Stefan Bachmann's acclaimed debut novel, *The Peculiar*. "An enthralling read . . . Bachmann combines the pleasures of a Dickensian cast of characters with the eldritch qualities of British faerie lore and adds a touch of steampunk to entice readers into an alternate universe in which the English are on the verge of war with the fay. The breathtaking beauty of his prose is coupled with a plot that also leaves his audience breathless."—*School Library Journal*

**More London Peculiars** Aug 09 2021 In this second volume, writer and photographer Peter Ashley digs just a little bit deeper into the patina of London's past, revealing the rich patterns that make this the most exciting capital city on earth. His camera discovers a city's occupations that have, quite literally, disappeared, but that nevertheless leave tantalising evidence of their existence. The truly odd is explored and puzzled over - wartime ambulance stretchers recycled as council flat railings, King Lud hiding in Fleet Street, a colourful Wild West icon presenting the pipe of peace to pedestrians in St James. He gets to grips with the suburban miasma, from the largest collection of post-war pre-fabricated houses in Britain to the leonine remnants that celebrate empire in Metroland Wembley. This is an essential book for all those who enjoy living in London, visiting London, and who, in any case, ultimately love London.
