For hundreds of years Japan has lived in a reality consisting of the real world and the spirit world; sometimes the wall between the two worlds gets thin enough for spirits to cross over. In such a reality, ghost stories have been popular for centuries. Patrick Drazen, author of "Anime Explosion", looks at these stories: old and new, scary or funny or sad, looking at common themes and the reasons for their popularity. Mirror Image Jan 22 2020 "Bloody Mary! Bloody Mary! Bloody Mary!" We have all heard the name before, and if we were lucky, we live to remember it. For some, this will not be the case. When a young girl befriends a strange woman who only appears to her in the mirror, her babysitter, Jason Nothen, becomes concerned with the urban legend. Upon bringing attention to the existence of the ghost, Jason involves not only himself, but many of his friends in a cat-and-mouse game for survival against a very powerful entity. When the wrath of Mary devastates a small Colorado town, the involvement of the police becomes a serious issue for the group of teenagers who brought on this destruction. Now possible suspects in a series of grisly murders, Jason and his friends have more to hide from than just a ghost whom nobody believes really exists. When all hope seems lost, the terror brought on by the evil ghost grabs the attention of a private investigator, Martin Winfield, who seems to know too much about the history behind the urban legend. Could this man be their only hope to live through such a horrific ordeal, or is he just hell-bent on discovering the truth behind Bloody Mary for his own purposes? When evil lurks in every reflection, where do you hide? Nowhere. When evil is after you with unrelenting rage, where do you run? Not to the police: they don't believe you.
