Memorie per la vita di Giovanni II. Bentivoglio. [With a portrait.] Feb 27 2020

Moravians in North Carolina May 31 2020 Members of the Moravian Church who settled in North Carolina were meticulous record keepers, documenting almost every aspect of their day-to-day lives. A significant part of those records is preserved in the form of photographs. Moravian photographers-both professional and amateur-created an enduring legacy by capturing their society and surroundings in faithful detail. Their photographs, which record the towns of Bethabara, Bethania, Salem, Friedberg, Hope, and Friedland, as well as other

communities throughout the state, provide a rare glimpse into the historic world of Moravian life in North Carolina.

Sepher Rezial Hemelach Jun 12 2021 Sepher Rezial Hemelach is the long-awaited first English translation of this famous magical text a translation from the ancient Hebrew in the rare and complete 1701 Amsterdam edition. According to Hebrew legend, the Sepher Rezial was presented to Adam in the Garden of Eden, given by the hand of God, and delivered by the angel Rezial. The myth thus suggests that this is the first book ever written, and of direct divine provenance. A diverse compendium of ancient Hebrew magical lore, this book was quite possibly the original source for later, traditional literature on angelic hierarchy, astrology, Qabalah, and Gematria. Moses Gaster mentions this in his introduction to *The Sword of Moses* (1896) suggesting that the Sepher Rezial could be a primary source for many magic and qabalistic books of the Middle Ages. Sepher Rezial Hemelach is a compilation of five books: "The Book of the Vestment," "The Book of the Great Rezial," "The Holy Names," "The Book of the Mysteries," and "The Book of the Signs of the Zodiac." It includes extensive explanatory text on the holy names of God, the divisions of Heaven and Hell, the names and hierarchy of the angels and spirits, as well as symbolic interpretations of both the Book of Genesis and Sepher Yetzirah. It also includes material on astronomy, astrology, gematria, and various magical talismans, most notably those used for protection during childbirth. In his introduction, Steve Savedow details the history, bibliographical citations, and lineage of this famous work. He lists the old and rare manuscripts still in existence, and provides a bibliography of other reference works for study of the Western esoteric tradition.

IL CIELO II : Heavean 2 (Italian Edition) Aug 03 2020 La Nuova Gerusalemme, costruita attraverso l'amore infinito di Dio ed il suo incommensurabile potere, è ripiena della gloria divina, è il vertice del reame spirituale, da qui l'Eterno ha preso la forma della Trinità per portare a compimento la coltivazione umana, qui si trova il Trono di Dio. Riuscite ad immaginare la magnificenza, la bellezza e lo splendore di questo luogo? Forse no, perché la sapienza umana non può afferrare tale santità!

The Divine Comedy, II. Purgatorio, Vol. II. Part 2 Jul 14 2021 Continuing the paperback edition

of Charles S. Singleton's translation of *The Divine Comedy*, this work provides the English-speaking reader with everything he needs to read and understand the *Purgatorio*. This volume consists of the prose translation of Giorgio Petrocchi's Italian text (which faces the translation on each page); its companion volume of commentary is a masterpiece of erudition, offering a wide range of information on such subjects as Dante's vocabulary, his characters, and the historical sources of incidents in the poem. Professor Singleton provides a clear and profound analysis of the poem's basic allegory, and the illustrations, diagrams, and map clarify points that have previously confused readers of *The Divine Comedy*.
