Five reasons you're stuck – and what to do about it – by the psychologist and Sunday Times bestselling author, Dr Sophie Mort. Do you feel stuck in a rut and that you keep getting in your own way? Or maybe you have an idea of the version of yourself you want to be – self-assured, happy and thriving – but getting there seems impossible? Drawing on her expertise as a clinical psychologist with a masters in neuroscience, Dr Sophie shares the science of habit formation to help you understand your patterns of behaviour and start living the life you want. Packed full of practical tips, exercises, real-life examples and 'unsticking points', Dr Sophie breaks down the five reasons

you're stuck and gives you the tools to: Break bad habits and cultivate better ones Hack the heuristics that are holding you back Stop self-sabotaging Recognise the unconscious games you play Understand the long-lasting legacy of intergenerational beliefs (Un)Stuck is the must-have guide for becoming the YOU you want to be. 2022 IPPY Awards Gold Winner in Best Adult Fiction E-Book A 2021 Kirkus Reviews' Best Indie Book of the Year "[A] really clever plot....and Arch works it like a maestro. Fine writing, memorable characters, depth of feeling, and gripping drama—a real keeper." —Kirkus Reviews, STARRED At a boarding school in Pennsylvania, a deathbed request from the school's dean brings three former students back to campus, where secrets and betrayals from the past are brought out into the open—secrets that could have a catastrophic effect on the dean's eighteen-year-old son. Told in alternating points of view and time frames, Attachments is the story of best friends Stewart ("Goody") Goodman, Sandy ("Pick") Piccolo, and Laura Appleby, the girl they both love. The friends meet in 1972 at a boarding school in coal-country Pennsylvania where they encounter Henry Griffin, the school dean, whose genuine fatherly interest and deep human bond with them is so strong that when he has a severe stroke almost twenty years later, he uses what could be his last words ever to call out their names. Attachments is a puzzle—and the only one who knows how all the pieces fit is in a

coma. In the process, longtime secrets are unearthed, revelations come out into the open, and Young Chip Griffin is about to learn something he may or may not be able to handle. Group agencies by specialty, geography, and openness to submissions. Annotation ©2006 Book News, Inc., Portland, OR (booknews.com). Moscow, September 17th, 1904. A crowd, brandishing sticks, stones and rotten vegetables, gathers in the forecourt of the palace of Moscow's Governor. They're not happy. The state of their country and their standard of living is rapidly becoming intolerable. Up on the balcony, Governor Sergei Alexandrovitch drops his handkerchief... Was it intentional? Or a tragic accident? Whatever the case may be, it's the signal: the soldiers open fire on the crowd. In an explosive political context, where the people are gathering together in the fight against an autocratic regime, this unfortunate event is nothing short of a death sentence for the Governor of Moscow... From Shadow to Light: The Life and Art of Mort Meskin is a coffee table art book and critical biography of one of the twentieth century's most influential comic book artists. Meskin's career spanned both the Golden and Silver ages of comics, from the 1940s to the 1960s. His drawing, chiaroscuro technique, and storytelling are considered by connoisseurs of the form to be among the most sophisticated of his time. His passion for his artwork was equaled by his skill, and the quality of his overall oeuvre blurs the

artificial distinction between high and low art. Yet he is known mostly among hardcore aficionados today, eclipsed by many of his peers, some of whom he profoundly influenced. Among Meskin's fans and admirers are Jim Steranko, Joe Kubert, Alex Toth, Carmine Infantino, Steve Ditko, Jerry Robinson, and Jack Kirby. From *Shadow to Light: The Life and Art of Mort Meskin* will finally give this neglected artist the recognition he's due. A Night Club in the 1940s is the scene of a bizarre death. Was it an accident or was it murder? Inspector Constantine could pin it on any one of these mugs. The gangster, the showgirl, the French guy, the Russian with a hatchet. Will he pick the right one? For this new edition of *The Writer's Tale*, Russell T Davies and Benjamin Cook expand their in-depth discussion of the creative life of Doctor Who to cover Russell's final year as Head Writer and Executive Producer of the show, as well as his work behind the increasingly successful *Torchwood* and *The Sarah Jane Adventures* spin-offs. Candid and witty insights abound throughout two years' worth of correspondence, covering David Tennant's last episodes as the Doctor and the legacy that Russell and David leave behind as a new era of Doctor Who begins. With over 300 pages of new material, and taking in events from the entire five years since the show's return in 2005, *The Writer's Tale: The Final Chapter* is the most comprehensive - and personal - account of Doctor Who ever published. On the 8th of March 1953, Stalin's

death is announced. The news reverberates around the whole world. Millions of civilians from all corners of the Soviet Union flood to Moscow to pay their last respects to "the little father of the peoples." While the funeral preparations are underway, a vicious struggle is being fought out in the Politburo. Who is to succeed Stalin? Beria, Malenkov, Krouchtchev? May the best man win... Includes the decisions of the Supreme Courts of Missouri, Arkansas, Tennessee, and Texas, and Court of Appeals of Kentucky; Aug./Dec. 1886-May/Aug. 1892, Court of Appeals of Texas; Aug. 1892/Feb. 1893-Jan./Feb. 1928, Courts of Civil and Criminal Appeals of Texas; Apr./June 1896-Aug./Nov. 1907, Court of Appeals of Indian Territory; May/June 1927-Jan./Feb. 1928, Courts of Appeals of Missouri and Commission of Appeals of Texas. Death comes to us all. When he came to Mort, he offered him a job. But when Mort is left in charge for an evening, he allows his heart to rule his head and soon the whole of causality and the future of the Discworld itself, are at risk. Along the way, Mort encounters not only Death's adopted daughter, Ysabell - who has been 16 for 35 years - and his mysterious manservant Albert - whose cooking can harden an artery at ten paces - but also an incompetent wizard with a talking doorknocker and a beautiful, but rather bad-tempered and dead, princess. He also, of course, meets Death. On Terry Pratchett's Discworld, Death really is a 7 foot skeleton in a black hooded robe and

wielding a scythe. He is also fond of cats, enjoys a good curry, and rides around the skies on a magnificent white horse called Binky. On March 2nd 1953, in the middle of the night, Joseph Stalin, the "Father of the People," the man who reigned in absolute power over the people of Russia, had a stroke. He was declared dead two days later. Two days of fierce competition for the supreme power, two days that encapsulated all the insanity, the perversity and the inhumanity of totalitarianism. This is the story of a dictatorship plunged into madness. And it's all based on truth. Amnésique, Charlotte se réveille dans un institut isolé de tout, régi par d'étranges lois, où la violence et les mystères règnent. 1 VOLUME PARU - HISTOIRES INDÉPENDANTES L'Institut Noé n'est pas un établissement comme les autres. Créé pour endiguer la délinquance et le crime en augmentation constante, il accueille des adolescents en difficulté en vue de leur réinsertion. C'est en tout cas ce qu'on dit à Charlotte, une jeune fille amnésique qui vient juste de sortir du coma. A son arrivée à l'institut, elle découvre un lieu clos, coupé du monde, et se rend vite compte que des crimes abjects y sont commis en toute impunité. Charlotte devra découvrir qui elle est, pourquoi elle est là, et surtout... Où et quand elle se trouve ! This value-packed software/text provides step-by-step instructions for add-ons, new programs, utilities for Linux, insider modifications and features hundreds of megabytes of information of valuable programs such games, tools,

and the latest version of Linux kernel. The ultimate "nerd stocking stuffer" for the computer hacker on your holiday gift list. In Shadow Show, acclaimed writers and artists come together to pay tribute to the work of the one and only Ray Bradbury! The stories featured include "Who Knocks," written by Dave Eggers with art by Matthew Dow Smith, a classic horror tale about what lurks beneath the water; "Earth: A Gift Shop" by Charles Yu and Christine Larsen, about the future role of our planet as an intergalactic curio shop; and "Altenmoor, where the dogs dance" by Mort Castle and S L Gallant, where a young boy discovers the world that his grandfather wrote about in his fantasy novels. Death comes to us all. When he came to Mort he offered him a job. But when Mort is left in charge for an evening, he allows his heart to rule his head and soon the whole of causality and the future of the Discworld itself, are at risk. Along the way, Mort encounters not only Death's adopted daughter, Ysabell - who has been 16 for 35 years - and his mysterious manservant Albert - whose cooking can harden an artery at ten paces - but also an incompetent wizard with a talking doorknocker and a beautiful, but rather bad-tempered and dead, princess. He also of course meets Death. Terry Pratchett takes Shakespeare's Macbeth and then turns it up 'till the knob comes off. It's all there - a wicked duke and duchess, the ghost of the murdered king, dim soldiers, strolling players, a land in peril. And who stands between the Kingdom and

destruction? Three witches. Granny Weatherwax (intolerant, self-opinionated, powerful), Nanny Ogg (down-to-earth, vulgar) and Magrat Garlick (naïve, fond of occult jewellery and bunnies). Stephen Briggs has been involved in amateur dramatics for over 25 years and he assures us that the play can be staged without needing the budget of Industrial Light and Magic. Not only that, but the cast should still be able to be in the pub by 10 o'clock! Oh, and a world of advice omitted from the play text: LEARN THE WORDS Havelock, Lord Vetinari Scarcely a year on from the events of Guards! Guards!, the Ankh-Morpork City Night Watch find their services are once more needed to tackle a threat to their city. A threat at least as deadly as a 60-foot dragon, but mechanical and heartless to boot. It kills without compunction. It is the first gun on the Discworld. The original Watch - Captain Vimes, Sergeant Colon, Corporal Carrot and Corporal Nobbs - are joined by some new recruits, selected to reflect the city's ethnic make-up - Lance-Constable Cuddy (a dwarf), Detritus (a troll) and Angua (a w..., well, best to find out for yourself). The conclusion of this two-part series from Fabien Nury and Thierry Robin mixes historical fact with gripping thriller at the heart of Tsarist Russia, plunging us into the epicentre of the 1905 Russian revolution. Georgi is a terrorist. He wants to kill Governor Sergei Alexandrovich. He's even prepared to give his own life. This is a political thriller about a terrorist who'll do just about

anything for the cause... Includes bibliographies. “Not hubris but the ever self-renewing impulse to play calls new worlds into being.”—Nietzsche Parents and politicians have always taken play seriously. Its formative powers, its focus, its energy, and its ability to signify other things have drawn the attention of writers from Plato and Schiller to Wittgenstein, Nabokov, and Eco. The ease with which an election becomes perceived as a race, a political crisis as a football game, or an argument as a tennis match readily proves how much play means to contemporary life. Just how play confers meaning, however, is best revealed in literature, where meaning is perpetually at stake. “At stake” itself, the risk of a gamble, is only one intersection between play and life. Playtexts reveals numerous junctures where literary playfulness—seemingly so diverting and irrelevant—instead opens the most profound questions about creativity, community, value, and belief. How do authors play with their words and readers? Can literature proceed at all unless a reader is willing and able to play? No moralizing monologue, Playtexts is all for exuberance and creative surge: Breton’s construction of an antinovel, Gombrowicz’s struggle with adult formalities, Nabokov’s swats at the humorless, Sarrazin’s seductive notes, Eco’s recasting of spy and detective fiction, Reyes’s carnal metaphors. Rachilde was the pseudonym of Marguerite Eymery Vallette (1860-1953), a woman of powerful personality who made her place at the very

center of the Symbolist movement in fin-de-siecle France. Though relatively unknown in America, Rachilde had a significant influence on the course of French and Western literature and theater. She was a pioneer of antirealistic drama and the first to use the term absurd to characterize the new kind of theater that would be "a pretext for a dream." Rachilde's sexual politics and sardonic humor make her plays more interesting - and more performable - today than many of those of her more famous contemporaries. Where male Symbolists were obsessed with death, Rachilde explores the fearful thrill of sexuality. Topical, challenging, and all but lost to contemporary audiences, her extraordinary work offers the shock of relevance and freshness of discovery. A collection of short, one-act plays written for one to three actors. Instead of living at home and attending junior college, why couldn't he be looking out at the New York City skyline even if he were crashing in a cheap loft, broke and hungry. God! There had to be some way that he could get the cash to swing a life of his own. Mort Carmody is a green freshman at Southcoast Junior College in Southern California. He wants to escape his parents' desire for him to be an accountant, and he longs to win the heart of Fredericka McShay, the girl of his dreams. Mort's dad informs him that his chances of becoming a film director are about equal to those of becoming a rock star or an astronaut. But Mort has a plan. Unfortunately, he hasn't factored in the competing

ambitions of his kinky professor, some slow-witted but calculating bodybuilders, and an adult film actress with an agenda of her own. It's a wild ride from the school dance to the county jail, to an auto-wrecking yard, and even to a double wedding.
