*Charlotte Walsh Likes To Win* Dec 19 2019 From bestselling author Jo Piazza comes one of People's "Best

Summer Books,” a “comically accurate” (New York Post) novel about what happens when a woman wants it all—political power, marriage, and happiness. Charlotte Walsh is running for Senate in the most important race in the country during a midterm election that will decide the balance of power in Congress. Reeling from a presidential election that shocked and divided the country and inspired to make a difference, she’s left her high-powered job in Silicon Valley and returned, with her husband and three young daughters, to her downtrodden Pennsylvania hometown to run for office in the Rust Belt state. Once the campaign gets underway, Charlotte is blindsided by just how dirty her opponent is willing to fight, how harshly she is judged by the press and her peers, and how exhausting it becomes to navigate a marriage with an increasingly ambivalent and often resentful husband. When the opposition uncovers a secret that could threaten not just her campaign but everything Charlotte holds dear, she must decide just how badly she wants to win and at what cost. “The essential political novel for the 2018 midterms” (Salon), *Charlotte Walsh Likes to Win* is an insightful portrait of what it takes for a woman to run for national office in America today. In a dramatic political moment like no other with more women running for office than ever before, this searing, suspenseful story of political ambition, marriage, class, sexual politics, and infidelity is timely, engrossing, and perfect for readers on both sides of the aisle.

Pirate Sep 27 2020 In Ted Bell's scorching follow-up to his

New York Times bestseller *Assassin*, intrepid intelligence operative Alex Hawke must thwart a secret, deadly alliance between China and France before they annihilate everything and everyone in their headlong rush toward world domination. Aboard the *Star of Shanghai* in the south of France, an American spy is held captive. He possesses vital, explosive intelligence linking two nations and one horrifying plot. If he is not rescued, he faces certain torture and inevitable death. Nearby, in a seaside hotel, a man still haunted by the loss of his wife two years earlier finds comfort in the arms of a beautiful Chinese actress--but is she to be trusted? So begins *Pirate*, an electrifying thriller marking the return of international counterterrorist Alex Hawke. In Paris, a ruthless descendant of Napoleon has risen to power, hell-bent on restoring France's former glory. His fiery ambitions are cynically stoked by a coterie of cold-blooded Mandarins, plotting behind the gates of Beijing's Forbidden City. Cloaked in secrecy, this unholy alliance devises a twisted global plan, backed by China's growing nuclear arsenal, that will send America and the world to the brink of a gutwrenching showdown. With the aid of his old friend and former Navy SEAL, Stokely Jones, Hawke sets out to investigate the deadly connections that bind the French-Chinese axis. Together, they discover that a powerful German industrialist may hold the key, somewhere inside the walls of his Bavarian mountain lair. Meanwhile, clues to an old and gruesome murder in Paris lead to New York City, where horrifying evidence could finally bring a

madman to his knees. In the end, as American and British forces prepare to defend a sovereign and oil-rich Gulf nation against unwilling occupation, the terror is all too real. The world is once more balanced on the knife-edge of a full-blown nuclear confrontation. Hawke must once more prepare to hurl himself deep into the nightmare visions of madmen. He must garner every ounce of strength, courage, and useful pain from his past. He must defeat this enemy or else forfeit the lives of untold thousands, including his own, to an axis of evil no historian could have ever predicted. Packed with unrelenting action, glamour, and high style, and featuring the spectacular Alex Hawke, who time and again transports readers to the edge of danger, *Pirate* is a spellbinding thriller. Be prepared for Alex Hawke's most daunting and heart-pounding mission yet. Here is an author who gets you in the palm of his hand...and then clenches his fist!

**Reagan: What Was He Really Like? Volume I** Dec 23 2022 Intimate behind-the-scenes recollections of Ronald Reagan by those who knew him during his early political career in California—photos included! People often wonder: “What was Reagan like privately?” “How did he treat his children?” “How did he handle pressure?” “How did he handle danger?” “How did he treat his staff?” “How did he handle difficult, almost impossible to deal with, legislators?” This book collects reminiscences from those who were there, working in a wide variety of positions, recounting how the former actor, governor of California,

and future president of the United States used humor to disarm his most ardent critics and tenacious opponents. In this book, you'll discover observations about the close bond between Ronald and Nancy Reagan; the gentlemanly character of the governor who "never equated disagreement with disloyalty;" the way Reagan thrived on being underestimated; the untold story behind the secret plan hatched by former Air Force Secretary Thomas C. Reed and a handful of dedicated insiders to launch Reagan's unequivocal, arguably first campaign for President of the United States in 1968; and much more.

**Power Play** Jun 24 2020 A WALL STREET JOURNAL  
BUSINESS BESTSELLER • The riveting inside story of Elon Musk and Tesla's bid to build the world's greatest car—from award-winning Wall Street Journal tech and auto reporter Tim Higgins. "A deeply reported and business-savvy chronicle of Tesla's wild ride." —Walter Isaacson, New York Times Book Review Tesla is the envy of the automotive world. Born at the start of the millennium, it was the first car company to be valued at \$1 trillion. Its CEO, the mercurial, charismatic Elon Musk has become not just a celebrity but the richest man in the world. But Tesla's success was far from guaranteed. Founded in the 2000s, the company was built on an audacious vision. Musk and a small band of Silicon Valley engineers set out to make a car that was quicker, sexier, smoother, and cleaner than any gas-guzzler on the road. Tesla would undergo a hellish fifteen years, beset by

rivals—pressured by investors, hobbled by whistleblowers. Musk often found himself in the public's crosshairs, threatening to bring down the company he had helped build. Wall Street Journal tech and auto reporter Tim Higgins had a front-row seat for the drama: the pileups, breakdowns, and the unlikeliest outcome of all, success. A story of impossible wagers and unlikely triumphs, *Power Play* is an exhilarating look at how a team of innovators beat the odds—and changed the future.

**Whenever I Feel Like It** May 16 2022

**Harper's Magazine** Dec 31 2020

*Spelling It Like It Is* Jul 06 2021 The popular Hollywood starlet presents a collection of essays about the challenges of life in Hollywood, from navigating tabloid scrutiny and the latest headline-making feud to her visit to the set of the new "90210" and her baby nurse Patsy's health scare.

*I Really Like Slop!* Aug 07 2021 "Piggie really likes slop. She likes it so much, she wants Gerald to try some! But can Gerald find the courage to do it? Or will the smell alone be too much to handle?"--

**Secrets of the World's Worst Matchmaker** Jan 12 2022 Colton is Juno's best friend. He'd usually be the one she goes to for advice on what do you do when you fall in love with your best friend. Imagine you're a matchmaker and you realize too late you're in love with your childhood best friend. You only have yourself to blame—you're the one who matched him and now he's engaged to be married. When you find yourself in this position there's a few

secrets you're going to need to keep... Secret #1 - Smile when he tells you the happy news, even if your heart cracks in half. Secret #2 - Don't compare yourself to his beautiful French fiancée. You're just as beautiful. Secret #3 - Don't tag along to the tux fitting with him alone. Just no. Secret #4 - Don't help him learn to dance to his wedding song. Secret #5 - Erase all memories of the two of you through the years when lines blurred for even the briefest of moments. And the one you never saw coming... Secret #6 - Definitely, don't stand and object—someone else might just do it for you.

**A Psychic's Life** Apr 15 2022 Michael Bodine shares his most fascinating stories as a celebrity psychic. Discover how Michael receives information from the other side, and how he deals with the responsibilities that come with psychic knowledge. Find out what makes the energy of Michael's famous Hollywood clients so unique. Get a first-hand glimpse at what it's like for a psychic to learn the hard lessons from spirit when his ego gets too big for his own good. **A Psychic's Life** also shares compelling stories from Michael's experience of growing up in a psychic family. Whether you're interested in developing your own psychic abilities, starting a psychic practice, or are curious about what happens behind the scenes of a renowned psychic's life, this book is an all-access pass to one of the world's most unique mystical minds.

**Street Fight in Iraq** Sep 20 2022 "Street Fight in Iraq" relates with great candor the unvarnished realities of dealing with day to day combat in and around Ramadi,

Iraq. You will be shocked, fascinated, outraged and frustrated when you read about the fight for Democracy and Peace in Iraq. This book is about Marines who made the journey to combat and the unbelievable events that made up their seven month combat tour. The language is harsh, the writing brutally honest and the message clear. This is a definite must read for military and civilians alike.

*I Like it When--* Sep 08 2021 A baby penguin describes things he likes to do with his parent.

*Hungry Hell* Feb 01 2021 This is a different sort of anorexia book. My Hungry Hell is not simply about recovery. Journeying back into the mindset of her 24-year-old self, Kate seeks to relive the experience of anorexia and, with the help of those suffering from the disease now, to explain its cruel contradictions.

*People Who Knew Me* Apr 03 2021 Everything was fine fourteen years after she left New York. Until suddenly, one day, it wasn't. Emily Morris got her happily-ever-after earlier than most. Married at a young age to a man she loved passionately, she was building the life she always wanted. But when enormous stress threatened her marriage, Emily made some rash decisions. That's when she fell in love with someone else. That's when she got pregnant. Resolved to tell her husband of the affair and to leave him for the father of her child, Emily's plans are thwarted when the world is suddenly split open on 9/11. It's amid terrible tragedy that she finds her freedom, as she leaves New York City to start a new life. It's not easy, but Emily---now Connie Prynne---forges a new happily-ever-

after in California. But when a life-threatening diagnosis upends her life, she is forced to rethink her life for the good of her thirteen-year-old daughter. A riveting debut in which a woman must confront her own past in order to secure the future of her daughter, Kim Hooper's *People Who Knew Me* asks: "What would you do?"

**The Sibling Slam Book** Jan 24 2023 Siblings of special-needs children discuss hopes, fears, frustrations, resentment, and triumphs regarding their life with their siblings.

**Dodo** May 24 2020

*Love Or Something Like It* Mar 14 2022 As summer approaches, April is conflicted about going to camp and missing time with new boyfriend Matt and her friend Sophie, who'll be visiting, and wonders if her flame with Matt is strong enough to survive a long absence.

*Life as a clinical psychologist* Oct 21 2022 Considering a career as a Clinical Psychologist? This book is an ideal, jargon-free introduction for those wishing to find out more about working in this demanding but rewarding mental health profession. An accessible text that invites you to think critically about whether becoming a Clinical Psychologist is right for you, questioning and challenging your views and providing an honest perspective of life as a clinical psychologist. Written from personal experience of over 10 years working in applied psychology, with a unique knowledge of the practice, theory, and application of Clinical Psychology, Paul Jenkins provides a first-hand perspective, blending anecdotes with factual advice on

the clinical academic culture. It is also packed with case studies which highlight a range of different career pathways (including in other mental health fields) and includes coverage of post-qualification life to gives the reader a sense of the career you can have after training. "If you are considering clinical psychology as a career, this excellent book is essential reading. Paul Jenkins describes the pathway to professional qualification, and all aspect of the job in an exciting and informative style." Alan Carr, PhD Professor of Clinical Psychology, University College Dublin

*A Bell Ringing in the Empty Sky* Mar 22 2020

**It's Love that Really Counts** Feb 19 2020

What It's Like to Be a Bird Oct 29 2020 The bird book for birders and nonbirders alike that will excite and inspire by providing a new and deeper understanding of what common, mostly backyard, birds are doing—and why: "Can birds smell?"; "Is this the same cardinal that was at my feeder last year?"; "Do robins 'hear' worms?" "The book's beauty mirrors the beauty of birds it describes so marvelously." —NPR In *What It's Like to Be a Bird*, David Sibley answers the most frequently asked questions about the birds we see most often. This special, large-format volume is geared as much to nonbirders as it is to the out-and-out obsessed, covering more than two hundred species and including more than 330 new illustrations by the author. While its focus is on familiar backyard birds—blue jays, nuthatches, chickadees—it also examines certain species that can be fairly easily observed, such as the seashore-dwelling Atlantic puffin. David Sibley's exacting artwork and wide-ranging expertise bring observed behaviors vividly to life. (For most species, the primary illustration is reproduced life-sized.) And while the text is aimed at adults—including fascinating new scientific research on the myriad ways birds have adapted to environmental changes—it is nontechnical, making it the perfect occasion for parents and grandparents to share their love of birds with young

children, who will delight in the big, full-color illustrations of birds in action. Unlike any other book he has written, *What It's Like to Be a Bird* is poised to bring a whole new audience to David Sibley's world of birds.

**Fighting Dirty** Apr 22 2020 There's nothing I wouldn't do for my best friend. Like, hide the fact I've been in love with her for years. Or agree to be her fake boyfriend when we have to return to her hometown for her exes wedding. Little does Jillian know this is what I've been waiting for. It's a dream come true. I finally get to touch her and love her in all the ways I've been dying to show her. For one weekend only, she's mine, even if she thinks it's fake. Pretending to love her is easy. I want her to be mine forever. Getting Jillian to admit it's what she wants too, is another thing. On or off the ice, I have no problems fighting dirty to get what I want. But this is one fight I might just lose.

*What Animals Really Like* Nov 10 2021 DIVWhen the National Animal Choir performs the latest song by renowned composer and conductor Mr. Herbert Timberteeth, nothing goes exactly as planned. Mr. Timberteeth has some preconceived notions of what animals like to do that are reflected in his song. But it turns out that lions prefer flower arranging to prowling and shrimp would rather ski than swim! With all the dissension and mayhem, will the show still go on? This hilarious picture book delivers a subtle message about stereotyping that kids, who are so often pigeonholed, will appreciate. Awards and Praise for *What Animals Really*

Like 2012 Winner of the Irma S. Black & James H. Black Award for Excellence in Children's Literature "Robinson's story will keep children giggling at the beaver's frustrated reactions and the animals' unpredictable preferences. Encore!" --Publishers Weekly "Guffaws and surprising twists will have youngsters clamoring for a repeat performance. Brava!" --Kirkus Reviews /div

**The 24 Hour Plays Viral Monologues** Jun 17 2022  
Since 1995 The 24 Hour Plays have been responding to theatre in the moment. As the 2020 Coronavirus pandemic brought an end to live theatre in the USA and Europe, the company sprang to work to keep the arts alive. Bringing together some of America's most prolific writers for the stage and screen, this unique and contemporary book of monologues collates the responses in dramatic fashion, making for an anthology of work that is timely, moving, irreverent and at its best, transcendent. Featuring original monologues by writers such as David Lindsay-Abaire, Clare Barron, Hansol Jung, Stephen Adly Guirgis, Christopher Oscar Peña, Jesse Eisenberg and Monique Moses this is a rich collection that can be enjoyed by actors, writers and those looking for creative responses to the global COVID-19 crisis. With over 50 monologues from the first three weeks of the project, edited by Howard Sherman, this is an important collection that documents an unprecedented moment in history whilst also offering practical resource for actors and performers.

Skyfaring May 04 2021 A poetic and nuanced exploration

of the human experience of flight that reminds us of the full imaginative weight of our most ordinary journeys—and reawakens our capacity to be amazed. The twenty-first century has relegated airplane flight—a once remarkable feat of human ingenuity—to the realm of the mundane. Mark Vanhoenacker, a 747 pilot who left academia and a career in the business world to pursue his childhood dream of flight, asks us to reimagine what we—both as pilots and as passengers—are actually doing when we enter the world between departure and discovery. In a seamless fusion of history, politics, geography, meteorology, ecology, family, and physics, Vanhoenacker vaults across geographical and cultural boundaries; above mountains, oceans, and deserts; through snow, wind, and rain, renewing a simultaneously humbling and almost superhuman activity that affords us unparalleled perspectives on the planet we inhabit and the communities we form.

[I Just Really Like Toy Fox Terrier](#) Nov 29 2020 Dog Training Logbook For Peoples Who Loves Their Toy Fox Terrier Dog. It's A Perfect Dog Training Logbook For Your Dog.

**What's It Really Like to Be an Electrician?** Mar 26 2023 Electricity affects every part of our lives, but we don't always think about it. We turn the lights on every day without wondering how the electricity gets there. Electricians are the reason we don't always have to worry that the lights are going to stop working and the people we can help if they do. Electricians don't just have to use

their intelligence, they also have to be good with their hands. They have to be able to work with many different people and know what to do in case of an electrical emergency. Electricians keep our world running.

Instructive, colorful photographs and diagrams will give readers even more insights to this important career.

**What It's Really Like: Outrageous Stories from Teachers Around the Country** Feb 25 2023 From the bestselling author of *Teacher Misery*, comes a collection of outrageous stories from other teachers. In this book you'll find a bit of everything including the usual helicopter parents and awful administration, horrendous student behavior with no consequences, and crazy-ass parents and their insane requests. But you'll also find weirdly entertaining stories about a little kid with a foot fetish, a group of teachers chasing a naked kid around the school parking lot, and two pregnant sisters fighting over the same baby daddy on the first day of school. There's plenty of gross stuff, like all the strange places kids put their poop and dirty maxi pads, a Barbie in a butthole, and kids who masturbate in class and hump desks. Unlike her other books, Morris included a sprinkling of tales that will break your heart and a few that will give you the warm and fuzzies we all need to keep going. This book is hilarious, shocking, heartwarming, sad, gross, and sometimes inspiring because that is what teaching is really like.

**If It Wasn't for the Customers I'd Really Like This Job** Feb 13 2022 Bacal provides a practical guide to dealing with nasty, hostile, angry, and even abusive

customers. He gives you the skills and confidence to deal with the most troublesome of customers.

**Convention Proceedings** Aug 27 2020

**It's You I Like** Oct 09 2021 The heartwarming song "It's You I Like" from Mister Rogers' Neighborhood is transformed into a board book for a new generation of kids. For the first time ever, Mister Rogers's heartwarming song "It's You I Like" is in board book form to share with the youngest readers. Featuring a diverse array of families and friendships, the affirming lyrics and illustrations convey Mister Rogers's singular warmth and belief that every child is special and loved. A welcome follow-up to the best-selling treasuring *A Beautiful Day in the Neighborhood*, and published alongside a board book edition of the beloved song "Won't You Be My Neighbor?" these Mister Rogers Poetry books are perfect gifts for the newest and oldest fans alike.

**What it Really Feels Like to Have Autism** Nov 22 2022 Do you know what it feels like to have a disability called autism? Do you have trouble with everyday social communication and interaction? Have you ever been called rude, embarrassing, or insensitive? In this inspirational diary, an autistic teenager explains what it really feels like to have the disability and the challenges that come along with it.

*You'll Like It Here (Everybody Does)* Aug 19 2022 While Meggie and David Blue are from another planet, they're a lot like Earth kids, with similar hopes and dreams, and can't wait to grow up. BUT they also have GROSSLY

UNIQUE qualities, such as blue streaks in their hair that pop up randomly and language skills that sound like nothing on this planet. The story takes these alien kids, along with their mother and grandfather, by accident, to a far planet in which the society is not only oppressive but hostile to individual freedom. People are kept submissive through drugs and brainwashing. The Blues, who have spent time in free societies recognize the upside-downness of this world. They're almost helpless to do anything, but do what they can, plan their escape, and vow to help others.

Why You Like It Jun 05 2021

**Who Wants to Be a Pirate?** Mar 02 2021 Have you ever wanted to be a pirate? To sail the high seas in search of adventure—and maybe some buried treasure? Well, writer Bridget Heos and illustrator Daniel Duncan welcome you aboard Captain Parrot's pirate ship! Captain Parrot is here to tell you about the life of a real swashbuckler from the Golden Age of Piracy (1650-1730). From danger to the doldrums, *Who Wants to Be a Pirate?* has all the need-to-know facts. And don't worry about walking the plank—strap in for fun and join Captain Parrot's pirate crew!

*It Looked Like Spilt Milk* Dec 11 2021 The white shape silhouetted against a blue background changes on every page. Is it a rabbit, a bird, or just spilt milk? Children are kept guessing until the surprise ending -- and will be encouraged to improvise similar games of their own.

*Was It Really Like That?* Apr 27 2023 This book gives a

startling account of many aspects of the author's life and an insight into the life of a peasant family, who migrated to Australia in the mid 1950's, leaving everything behind to face an uncertain future in a strange and unfamiliar country on the far side of the world. There were no guarantees of rich rewards or promises of an easier life, just a sincere hope for a chance at a new start, especially for their children. There was anticipation and there was fear, but it was their hope and aspirations which sustained them and gave them courage. The experience was a daunting one for any migrant of those times, but the contributions made to Australian life must not go unnoticed. The changes were many, as were the trials and tribulations. This book also gives a 'potted' insight into the author's early childhood and adulthood; his memoirs, a record of events of which he has a reasonably intimate knowledge being based upon personal observations and events. Gino also remembers all the good and fun times, and he portrays these beautifully and graphically through the many characters you will encounter in this book. He brings them to life and engages the reader, simply by the humour and by the special qualities that each one of these characters magnifies and how all of these experiences impacted on his own life. To some extent it's an autobiography of how all this impacted on him from boyhood and beyond shaping his life in ways he could not have imagined. A reflection on simpler times, coupled with the advances of technology, give an interesting and, perhaps, timely reminder of where we have been, where

we are, and what could lie ahead for all of us at different stages of our own lives. The numerous old photos, cleverly scattered throughout this book, bring to life some of the realities of the times.

Teacher Misery Jul 18 2022 Teacher Misery perfectly encapsulates the comical misery that has become the teaching profession. Morris' strange, funny, and sometimes unbelievable teaching experiences are told through a collection of short stories, essays and artifacts including real emails from parents, students and administrators. From the parents who blame their son's act of arson on the teacher for causing him low self-esteem, to the student who offers to teach the teacher how to sell drugs so she can pay her bills, to the administrator whose best advice is to "treat kids like sacks of shit," one story is more shocking than the next. An important read for teachers and non-teachers alike-- Teacher Misery paints an amusing and thoroughly entertaining picture of what has become of our education system, without detracting from the overall point that what teachers have to put up with today is complete, utter, unacceptable insanity.
