Jack loves staying at his dad's house. They have tacos and milkshakes, and make each other laugh. But lately Jack wonders if his dad is lonely when he isn't there. Then Jimmy arrives. Jimmy is loud and obnoxious, but Dad thinks he's clever and funny. Jack does not think he's clever or funny. And he's starting to wonder if Dad likes Jimmy better than he likes Jack. This beautifully written and illustrated book about the unconditional love a parent has for a child is both heartwarming and reassuring. Learn from home and explore the world with these fun and easy board books! Babies and toddlers get to visit a farm in this lively and informative addition to the hit Hello, World! board book series. Effin' Birds is the most eagerly anticipated new volume in the grand and noble profession of nature writing and bird identification. Sitting proudly alongside Sibley, Kaufman, and Peterson, this book contains more than 150 pages crammed full of classic, monochrome plumage art paired with the delightful but dirty aphorisms (think "I'm going to need more booze to deal with this week") that made the Effin' Birds Twitter feed a household name. Also included in its full, Technicolor glory is John James Audubon's most beautiful work matched with modern life advice. Including never-before-seen birds, insults, and field notes, this guide is a must-have for any effin' fan or birder. Learn from home and explore the world with these fun and easy board books! Toddlers love to learn about the solar system. Here's a book all about our amazing planet Earth, with easy-to-understand facts about countries, continents, oceans, landforms, habitats, and Earth's place in space. Every young child loves to look up at birds in the sky. Now they can learn all about a variety of birds—with colors, shapes, sizes, and super-simple facts ("Peck, peck, peck! This noisy woodpecker is looking for food inside a tree trunk."). It's a perfect way to bring the outside world of natural science into the busy world of a toddler, where learning never stops. National bestselling book: Featured on Midwest, Mountain Plains, New Atlantic, Northern, Pacific Northwest and Southern Regional Indie

Bestseller Lists Perfect book for the birder and anti-birder alike A humorous look at 50 common North American dumb birds: For those who have a disdain for birds or bird lovers with a sense of humor, this snarky, illustrated handbook is equal parts profane, funny, and—let's face it—true. Featuring common North American birds, such as the White-Breasted Butt Nugget and the Goddamned Canada Goose (or White-Breasted Nuthatch and Canada Goose for the layperson), Matt Kracht identifies all the idiots in your backyard and details exactly why they suck with humorous, yet angry, ink drawings. With *The Field Guide to Dumb Birds of North America*, you won't need to wonder what all that racket is anymore!

- Each entry is accompanied by facts about a bird's (annoying) call, its (dumb) migratory pattern, its (downright tacky) markings, and more.
- The essential guide to all things wings with migratory maps, tips for birding, musings on the avian population, and the ethics of birdwatching.
- Matt Kracht is an amateur birder, writer, and illustrator who enjoys creating books that celebrate the humor inherent in life's absurdities. Based in Seattle, he enjoys gazing out the window at the beautiful waters of Puget Sound and making fun of birds. "There are loads of books out there for bird lovers, but until now, nothing for those that love to hate birds. *The Field Guide to Dumb Birds of North America* fills the void, packed with snarky illustrations that chastise the flying animals in a funny, profane way."

– Uncrate A humorous animal book with 50 common North American birds for people who love birds and also those who love to hate birds • A perfect coffee table or bar top conversation-starting book • Makes a great Mother's Day, Father's Day, birthday, or retirement gift

Perfect for fans of *Rain Reign*, this middle-grade novel *The Brave* is about a boy with an OCD issue and his move to a reservation to live with his biological mother. Collin can't help himself—he has a unique condition that finds him counting every letter spoken to him. It's a quirk that makes him a prime target for bullies, and a continual frustration to the adults around him, including his father. When Collin asked to leave yet another school, his dad decides to send him to live in Minnesota with the mother he's never met. She is Ojibwe, and lives on a reservation. Collin arrives in Duluth with his loyal dog, Seven, and quickly finds his mom and his new home to be warm, welcoming, and accepting of his condition. Collin's quirk is matched by that of his neighbor, Orenda, a girl who lives mostly in her treehouse and believes she is turning into a butterfly. With Orenda's help, Collin works hard to overcome his challenges. His real test comes when he must step up for his new friend and trust his new family. NOW A MAJOR MOTION PICTURE—The #1 New York Times bestselling worldwide sensation with more than 15 million copies sold, hailed by *The New York Times Book Review* as "a painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature." For years, rumors of the "Marsh Girl" have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens. *Where the Crawdads Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps. Learn from home and explore the world with these fun and easy board books! Fans of *Goodnight, Goodnight, Construction Site* will love this vehicle-filled adventure in the hit *Hello, World!* board book series. Toddlers can learn all about the busy world of a construction site, with easy-to-understand facts about all the huge, noisy machines that captivate little ones' imaginations. *Hello, World!* is a series designed to introduce first nonfiction concepts to babies and toddlers.
