Jane Austen wrote her novels in the midst of a large and sociable family. One of Jane's dearest friends, Martha Lloyd, lived with the family for many years and recorded in her "Household Book" over 100 recipes enjoyed by the Austens. A selection of this family fare, now thoroughly tested and modernized for today's cooks, is re-created here, together with some of the more sophisticated dishes which Jane and her characters would have enjoyed at balls, picnics and supper parties. A charming and memorable debut, which reminds us of the universal language of literature and the power of books to unite and heal." —Pam Jenoff, New York Times bestselling author of The Lost Girls of Paris Just after the Second World War, in the small English village of Chawton, an unusual but like-minded group of people band together to attempt something remarkable. One hundred and fifty years ago, Chawton was the final home of Jane Austen, one of England's finest novelists. Now it's home to a few distant relatives and their diminishing estate. With the last bit of Austen's legacy threatened, a group of disparate individuals come together to preserve both Jane Austen's home*

*and her legacy. These people—a laborer, a young widow, the local doctor, and a movie star, among others—could not be more different and yet they are united in their love for the works and words of Austen. As each of them endures their own quiet struggle with loss and trauma, some from the recent war, others from more distant tragedies, they rally together to create the Jane Austen Society. A powerful and moving novel that explores the tragedies and triumphs of life, both large and small, and the universal humanity in us all, Natalie Jenner's *The Jane Austen Society* is destined to resonate with readers for years to come. This is the first facsimile publication of 'Martha Lloyd's Household Book', the manuscript cookbook of Jane Austen's closest friend. Martha's notebook is reproduced to scale in a colour facsimile section with complete

transcription and detailed annotation. Introductory chapters discuss its place among other household books of the long eighteenth century. Martha Lloyd befriended a young Jane Austen and later lived with Jane, her sister Cassandra and their mother at the cottage in Chawton, Hampshire, where Jane wrote or revised her novels. Martha later married into the Austen family. Her collection features recipes and remedies handwritten during a period of over thirty years and includes the only surviving recipes from Mrs Austen and Captain Francis Austen, Jane's mother and brother. There are many connections between Martha's book and Jane Austen's writing, including white soup from 'Pride and Prejudice' and the author's favourites - toasted cheese and mead. The family, culinary and literary connections detailed in the introductory chapters of this work give a fascinating perspective on the time and manner in which both women lived, thanks to this extraordinary artefact passed down through the Austen family. Jane Austen wrote her novels in the midst of a large and sociable family. Brothers and sisters, nieces and nephews, friends and acquaintances were always coming and going, and eating and drinking. Fortunately one of Jane's dearest friends, Martha Lloyd, lived with the family for many years and recorded in her Household Book over 100 recipes enjoyed by the Austens. This family fare, tested and modernized for today's cooks, is reproduced here, together with some of the more sophisticated dishes which Jane and her characters would have enjoyed at balls, picnics and supper parties. The Frugal Housewife, or Complete Woman Cook was the only cookbook published in the United States during the 50-year period before publication of American Cookery by Amelia Simmons—the first truly American cookbook. Originally published in the United Kingdom, Susannah Carter's work was hugely successful, and after achieving best-seller status in that market, it was published for an American audience. Again, it was well-received, this

time by colonial housewives. The first American printing actually included plates engraved by Paul Revere. The *Frugal Housewife* contains a fascinating array of recipes including: Baked Indian Pudding, Eel Pie, Peach Sweetmeats, Maple Beer, Method of Destroying the Putrid Smell which Meat Acquires during Hot Weather, and Spruce Beer out of Shed Spruce. The cookbook and author Carter are credited with influencing author Amelia Simmons, who wrote the first American-specific cookbook, but the *The Frugal Housewife, or Complete Woman Cook* is historically significant in its own worth as well for its recipes, social information, and time period when it was published. Later US editions included some Americanization for New World ingredients and methods. This edition of *The Frugal Housewife, or Complete Woman Cook* was reproduced by permission from the volume in the collection of the American Antiquarian Society, Worcester, Massachusetts. Founded in 1812 by Isaiah Thomas, a Revolutionary War patriot and successful printer and publisher, the Society is a research library documenting the life of Americans from the colonial era through 1876. The Society collects, preserves, and makes available as complete a record as possible of the printed materials from the early American experience. The cookbook collection includes approximately 1,100 volumes. Ever wondered what Lembas Bread, Cram, or Beorn's Honey Cakes might taste like?
