*Women on War* Apr 02 2023 An international anthology of women's writings from antiquity to the present.

*Servants of War* Nov 16 2021 NEW MILITARY FANTASY FROM THE CREATOR OF MONSTER HUNTER INTERNATIONAL LARRY CORREIA AND MASTER OF HORROR STEVE DIAMOND The war between Almacia and the Empire of Kolakolvnia is in its hundredth year. Casualties grow on both sides as the conflict leaves no corner of the world untouched. Illarion Glaskov's quiet life on the fringes of the empire is thrown into chaos when an impossible tragedy strikes his village. When he is conscripted into the Tsarist military, he is sent to serve in The Wall—an elite regiment that pilots suits of armor made from the husks of dead golems. But the great war is not the only—or even the worst—danger facing Illarion, as he is caught in a millennia-old conflict between two goddesses. He must survive the ravages of trench warfare, horrific monsters from another world, and the treacherous internal politics of the country he serves. At the publisher's request, this title is sold without DRM (Digital Rights Management). About Larry Correia: “Correia piles on the intrigue, action, and cliffhangers in the invigorating second Saga of the Forgotten Warrior epic fantasy. . . . Correia also weaves in elements that question the value of belief and the cost of giving authority to those who find more profit in preying on the weak. . . . Brisk fight scenes, lively characters, and plenty of black humor continue to make this series a real pleasure.” —Publishers Weekly About Steve Diamond: “Residue will scare you—that's its primary goal—but along the way it will touch you, shock you, make you laugh, make you cheer, and make you think. Horror has been waiting for Steve Diamond.” —Dan Wells

*The 33 Strategies of War* Apr 09 2021 Brilliant distillations of the strategies of war—and the subtle social game of everyday life—by the bestselling author of *The 48 Laws of Power* and *The Laws of Human Nature* Robert Greene's groundbreaking guides, *The 48 Laws of Power*, *The Art of Seduction*, and *Mastery*, espouse profound, timeless lessons from the events of history to help readers vanquish an enemy, ensnare an unsuspecting victim, or become the greatest in your field. In *The 33 Strategies of War*, Greene has crafted an important addition to this ruthless and unique series. Spanning world civilizations, synthesizing dozens of political, philosophical, and religious texts and thousands of years of violent conflict, *The 33 Strategies of War* is the I-Ching of conflict, the contemporary companion to Sun Tzu's *The Art of War*. Abundantly illustrated with examples from history, including the folly and genius of everyone from Napoleon to Margaret Thatcher, Shaka the Zulu to Lord Nelson, Hannibal to Ulysses S. Grant, as well as movie moguls, Samurai swordsmen, and diplomats, each of the thirty-three chapters outlines a strategy that will help you win life's wars. Learn the offensive strategies that require you to maintain the initiative and negotiate from a position of strength, or the defensive strategies designed to help you respond to dangerous situations and avoid unwinnable wars. The great warriors of battlefields and drawing rooms alike demonstrate prudence, agility, balance, and calm, and a keen understanding that the rational, resourceful, and intuitive always defeat the panicked, the uncreative, and the stupid. An indispensable book, *The 33 Strategies of War* provides all the psychological ammunition you need to overcome patterns of failure and forever gain the upper hand.

**War... &After** Jan 25 2020 This collection is the experience-the knowledge of those who have trained for, and more often than not engaged in war to bring it back to us so that we may indulge ourselves vicariously in war's brutal consequence. We should not diminish their valued contributions by referring to them simply as, warrior poets. Sure, they are that rare and ambiguous blend of strength and intellect, emotional connection and steadfast resolve, deserving of the title, but this is more specifically a collection of Poet-Warriors: individuals with the unique ability to deliver first hand the experience of war using the art of poetry. They are a great benefit to our society, our history, and the understanding of ourselves.

*Gears of War* Aug 14 2021 This collection bridges the gap between the Lightmass Bombing at the end of the first 'Gears of War' game and the start of the second game.

**The Norton Book of Modern War** Oct 28 2022 Selections from poetry and fiction describe the 20th century's major conflicts.

**Realms of War** Nov 28 2022 An anthology of fantasy tales features the realm of Sembia as it descends into chaos, a bitter war, and a suspicious offer of assistance from its treacherous neighbors from the Shade Enclave.

*Art of War* May 03 2023 How do you get forty fantasy authors to contribute short stories for a war-themed anthology without paying them? It sounds as if there should be a good punchline to that, but all Petros Triantafyllou did was twist the moral thumbscrews and tell them all the profits would go to Doctors Without Borders, a charity that works tirelessly across the world to alleviate the effects of conflict, sickness and poverty. So, with clear consciences, several busloads of excellent and acclaimed fantasy authors have applied themselves to the task of penning a veritable mountain of words on the subject of *The Art of War*, expect bloodshed, gore, pathos, insight, passion, and laughs. Maybe even a wombat. Who knows. Anyway, as the original blurb said: "It's good. Buy it." -Mark Lawrence Featuring: Mark Lawrence, Ed Greenwood, Brian Staveley, Miles Cameron, John Gwynne, Sebastien De Castell, Mitchell Hogan, Stan Nicholls, Andrew Rowe, C.T. Phipps, Rob J. Hayes, Nicholas Eames, Mazarkis Williams, Ben Galley, Michael R. Fletcher, Graham Austin-King, Ed McDonald, Anna Stephens, Anna Smith Spark, RJ Barker, Michael R. Paquet, Stephen Sossaman, Bryan Alec Floyd, Bruce Weigl, and Trang Thi Nga.

*The Great War* Jul 13 2021 Combines evocative photographs and illustrations in a treasury of stories by 11 international writers that were inspired by artifacts connected to World War I. Illustrated by the Kate Greenaway Medal-winning artist of *A Monster Calls*.

**The Penguin Book of First World War Stories** Aug 02 2020 An anthology of Great War short stories by British writers, both famous and lesser-known authors, men and women, during the war and after its end. These stories are able to illustrate the impact of the Great War on British society and culture and the many modes in which short fiction contributed to the war's literature. The selection covers different periods: the war years themselves, the famous boom years of the late 1920s to the more recent past in which the First World War has received new cultural interest.

*The Art of War in World History* Oct 04 2020 This engrossing anthology gathers together a remarkable collection of writings on the use of strategy in war. Gérard Chaliand has ranged over the whole of human history in assembling this collection—the result is an integration of the annals of military thought that provides a learned framework for understanding global political history. Included are writings from ancient and modern Europe, China, Byzantium, the Arab world, Persia, and the Ottoman Empire. Alongside well-known militarists such as Julius Caesar, Napoleon, Walter Raleigh, Rommel, and many others are "irregulars" such as Cortés, Lawrence of Arabia, and even Gandhi. Contrary to standard interpretations stressing competition between land and sea powers, or among rival Christian societies, Chaliand shows the great importance of the struggles between nomadic and sedentary peoples, and of the conflicts between Christianity and Islam. With the invention of firepower, a relatively recent occurrence in the history of warfare, modes of organization and strategic concepts—elements reflecting the nature of a society—have been key to how war is waged. Unparalleled in its breadth, this anthology will become the standard work for understanding a fundamental part of human history—the conduct of war. "This anthology is not only an unparalleled corpus of information and an aid to failing memory; it is also and above all a reliable and liberating guide for research. . . . Ranging "from the origins to the nuclear age," it compels us to widen our narrow perspectives on conflicts and strategic action and open ourselves up to the universal."—from the Foreword

*The Book of War* Aug 26 2022 Acclaimed military historian John Keegan's anthology of war writing from 25 centuries of battle In *The Book of War*, John Keegan marshals a formidable host of war writings to chronicle the evolution of Western warfare through the voice of the most eloquent participants—from Thucydides' classic account of ancient Greek phalanx warfare to a blow-by-blow description of ground fighting against the Iraqi troops in Kuwait during the Gulf War. Keegan gathers more than eighty selections, including Caesar's *Commentaries* on the Roman invasion of Britain; the French Knight Jehan de Wavrin at the battle of Agincourt; Davy Crockett in the war against the Creek; Wellington's dispatch on Waterloo; Hemingway after Caporetto; and Ernie Pyle at Normandy. "The best military historian of our generation." —Tom Clancy "A monumental piece of literary military history." —Chicago Tribune A brilliantly edited and comprehensive anthology."—The New York Times Book Review.

*Times of War Collection* Sep 14 2021 A stunning paperback collection of classic Morpurgo novels set in World War I, World War II and the Afghanistan conflict.

**Lest We Forget** Mar 09 2021

*Covenant of War* Sep 02 2020 The year is 993 BC. After years of bloody civil war, Eleazar son of Dodai, one of King David's most elite warriors, wants nothing more than to finally live peacefully in the land. But on the plains near the Great Sea, a terrifying army of Philistines has mobilized to crush the Hebrew tribes once and for all. In the sun-drenched valleys and dark forests of the hill country, Eleazar and his warriors make their stand against Israel's deadliest enemy. The fate of an entire nation rests on the courage of a small band of heroes known as the Mighty Men. In a land torn by conflict, depleted by drought and threatened by treachery, the horrors and heroism of the ancient battlefields come to life. This ebook download of *Covenant of War* is the second book in the *Lion of War* series—the intense, gritty, and stylistic portrayal of the Mighty Men of Israel, a rag-tag band of warriors who came to King David in his most desperate hour and fought with him while he claimed the throne he was destined to fill. Their legendary deeds are recorded in 2 Samuel 23 and 1 Chronicles 11.

*The Art of War (Pocket Edition)* May 30 2020 Compiled more than two thousand years ago by a mysterious warrior-philosopher, *The Art of War* is still perhaps the most prestigious and influential book of strategy in the world today, as eagerly studied in Asia by modern politicians and executives as it has been by military leaders since ancient times. As a study of the anatomy of organizations in conflict, *The Art of War* applies to competition and conflict in general, on every level from the interpersonal to the international. Its aim is invincibility, victory without battle, and unassailable strength through understanding of the physics, politics, and psychology of conflict. Translated from a standard collection of commentaries on Sun Tzu's text by eleven interpreters, this pocket classic has been edited by Thomas Cleary to bring out the meaning of the principles of strategy.

*Poetry of the First World War* May 23 2022 The First World War produced an extraordinary flowering of poetic talent, poets whose words commemorate the conflict more personally and as enduringly as monuments in stone. Lines such as 'What passing-bells for these who die as cattle?' and 'They shall grow not old, as we that are left grow old' have come to express the feelings of a nation about the horrors and aftermath of war. This new anthology provides a definitive record of the achievements of the Great War poets. As well as offering generous selections from the celebrated soldier-poets, including Wilfred Owen, Siegfried Sassoon, Rupert Brooke, and Ivor Gurney, it also incorporates less well-known writing by civilian and women poets. Music hall and trench songs provide a further lyrical perspective on the War. A general introduction charts the history of the war poets' reception and challenges prevailing myths about the war poets' progress from idealism to bitterness. The work of each poet is prefaced with a biographical account that sets the poems in their historical context. Although the War has now passed out of living memory, its haunting of our language and culture has not been exorcised. Its poetry survives because it continues to speak to and about us.

**The Bloody Game** Dec 06 2020 In sections ranging from fiction to poems, to simple letters home, this book presents the voices of this century's major conflicts: World War I, the Spanish Civil War, and the wars in Korea and Vietnam. Contributors include Rudyard Kipling, Wilfred Owen, Normal Mailer and Michael Herr.

**The Face of War** Dec 26 2019 A collection of "first-rate frontline journalism" from the Spanish Civil War to US actions in Central America "by a woman singularly unafraid of guns" (Vanity Fair). For nearly sixty years, Martha Gellhorn's fearless war correspondence made her a leading journalistic voice of her generation. From the Spanish Civil War in 1937 through the Central American wars of the mid-eighties, Gellhorn's candid reporting reflected her deep empathy for people regardless of their political ideology. Collecting the best of Gellhorn's writing on foreign conflicts, and now with a new introduction by Lauren Elkin, *The Face of War* is a classic of frontline journalism by "the premier war correspondent of the twentieth century" (Ward Just, *The New York Times Magazine*). Whether in Java, Finland, the Middle East, or Vietnam, she used the same vigorous approach. "I wrote very fast, as I had to," she says, "afraid that I would forget the exact sound, smell, words, gestures, which were special to this moment and this place." As Merle Rubin noted in his review of this volume for *The Christian Science Monitor*, "Martha Gellhorn's courageous, independent-minded reportage breaks through geopolitical abstractions and ideological propaganda to take the reader straight to the scene of the event."

*Crucible of War* Jul 25 2022 Brimming with action-packed tales of bloodshed, heroism, and courage, this collection of stories set in the Warhammer 40,000 realm throws readers headlong onto the desperate battlefields of the 41st millennium. Original.

**Fighting the Future War** Dec 30 2022 The period between World War I and World War II was one of intense change. Everything was modernizing, including our technology for making war—witness machine guns, trench warfare, biological agents, and ultimately The Final Solution. This modernization and eye toward the future was reflected in many facets of pop culture, including fashion, home-wear design, and the popular literature of the time. In sci-fi, a specific genre emerged—that of the 'future war.' Fred Krome has collected many of these future war stories together for the first time in *Fighting the Future War*. Bolstered by a comprehensive introduction, and introduced with historical information about both the authors of the stories and the historical time period, these stories provide a view into the field of pulp science fiction writing, the issues that informed the time period between the world wars, and the way people envisioned the wars of tomorrow. Revealing anxieties about society, technology, race and politics, the genre of the future war story is important material for students of history and literature.

*The Fireman's Son* Oct 16 2021 After the war, a sickly mother gives birth to twins. Realizing they can't care for both boys, the parents keep one child and give the other, who was considered to be not normal, to a family member. Though he was well cared for and was given an education and the best of everything, he was resentful of not being raised by his birth family. In addition, he seemed to have inherited some of his mother's mental instability. He was caught in the grips of changing morals, discovering the sub-culture of covert sexuality. Absorbing the experiences of his first eighteen years, he sought a place where he can develop his personality. Upon finding "flower power" had blossomed in Philadelphia, he fell in love with all the city had to offer. A story of deep love and profound regret, this novel offers a look at one family's dynamics and demonstrates the consequences of choices made by many throughout the years.

**Writing Between the Lines** Jun 11 2021 In this work, over 40 combat veterans, nurses, relief workers, journalists and other men and women who have seen the face of war, reflect on their experiences. It includes poetry, fiction and critical prose on war and its legacy, from Vietnamese, American and Central American authors.

*War Stories* Apr 29 2020 In *War Stories: New Military Science Fiction*, editors Andrew Liptak and Jaym Gates collect short stories by science fiction and fantasy authors dealing with the effects of war prior, during, and after battle to soldiers and their families. War is everywhere. Not only among the firefights, in the sweat dripping from heavy armor and the clenching grip on your weapon, but also wedging itself deep into families, infiltrating our love letters, hovering in the air above our heads. It's in our dreams and our text messages. At times it roars with adrenaline, while at others it slips in silently so it can sit beside you until you forget it's there. Join Joe Haldeman, Linda Nagata, Karin Lowachee, Ken Liu, Jay Posey, and more as they take you on a tour of the battlefields, from those hurtling through space in spaceships and winding along trails deep in the jungle with bullets whizzing overhead, to the ones hiding behind calm smiles, waiting patiently to reveal itself in those quiet moments when we feel safest. *War Stories* brings us 23 stories of the impacts of war, showcasing the systems, combat, armor, and aftermath without condemnation or glorification. Instead, *War Stories* reveals the truth. War is what we are. *The New Yorker Book of War Pieces* Feb 26 2020

**In Times of War** Jul 01 2020 Pavilion is proud to publish as a result of the work of the Comenius Project, this unique anthology of extracts, short stories and poetry on the theme of war and peace in children's literature. The moving and thought provoking selection is taken from among others Raymond Briggs' *Ethel and Ernest* a true story, Michael Foreman's *'War Game'* Michael Morpurgo's *'War Horse'*, Peter Dickinson's *'AK'*, Wilfred Owen's *'Futility'*, Robert Westall's *'Gulf'*, Judith Kerr's *'When Hitler Stole Pink Rabbit'*, Art Spiegelman's *'Maus'* and includes literature on more recent wars in Bosnia and Rwanda and the troubles in Northern Ireland.

*The Oxford Book of War Poetry* Apr 21 2022 There can be no area of human experience that has generated a wider range of powerful feelings than war. The 250 poems included in this acclaimed anthology span centuries of human conflict from David's lament for Saul and Jonathan, and Homer's Iliad, to the finest poems of the First and Second World Wars, and beyond. Reflecting the feelings of poets as diverse as Byron, Hardy, Owen, Sassoon, and Heaney, they reveal a great shift in social awareness from man's early celebratory 'war-songs' to the more recent 'anti-war' attitudes of poets responding to 'man's inhumanity to man' - and to women and children.

Light at the End of the Tunnel Mar 01 2023 This updated and revised edition of *Light at the End of the Tunnel* is an exhaustive account of the Vietnam War that gives a total overview of the conflict. Starting with Ho Chi Minh's revolt against the French, Andrew Rotter takes the reader through the succeeding years as scholars, government officials, journalists, and others recount the important events and examine issues that developed during this tumultuous time. This book is essential for anyone who has an interest in truly understanding the Vietnam War. These readings will both educate and entertain students about this turning point in the history of the United States and, indeed, the world.

**Sabbat War** Dec 18 2021 Fantastic anthology full of stories from the Sabbat Worlds. The Sabbat War is a savage Imperial crusade, cutting a bloody, burning path across a vast swathe of the Imperium. On the front line, the stalwart regiments of the Astra Militarum, including the valiant Tanith First – known as Gaunt's Ghosts – confront the relentless menace of Chaos, the Archenemy of Mankind. There is, and ever will be, only war. This anthology will take you to the very forefront of the blistering action in the Sabbat Worlds, and features brand new stories from some of Black Library's most acclaimed authors, including Dan Abnett, Graham McNeill, John French, Matthew Farrer and Rachel Harrison.

**Vintage Book of War Stories** Feb 05 2021 Included in this collection of war fiction, from the First World War to the Gulf War, are stories by Erich Maria Remarque, Pat Barker, Isaac Babel, Ernest Hemingway, Heinrich Böll, Norman Mailer, J.G. Ballard, Tim O'Brien, Julian Barnes and Louis de Bernières.

Words of War Jan 31 2023 Includes both fiction and nonfiction showing the American viewpoint of the Vietnam War and its aftermath.

Day of War Mar 21 2022 In ancient Israel, at the crossroads of the great trading routes, a man named Benaiah is searching for a fresh start in life. He has joined a band of soldiers led by a warlord named David, seeking to bury the past that refuses to leave him. Their ragged army is disgruntled and full of reckless men. Some are loyal to David, but others are only with him for the promise of captured wealth. While the ruthless and increasingly mad King Saul marches hopelessly against the powerful Philistines, loyal son Jonathan in tow, the land of the Hebrew tribes has never been more despondent—and more in need of rescue. Over the course of ten days, from snowy mountain passes to sword-wracked battlefields, Benaiah and his fellow mercenaries must call upon every skill they have to survive and establish the throne for David—if they don't kill each other first. *Day of War* brings to life the exploits of the Mighty Men of Israel, a rag-tag band of disgruntled warriors on the run with David, the soon-to-be King. Their legendary deeds are recorded in 2 Samuel 23 and 1 Chronicles 11
