AdrenalineMoto is an authorized dealer of Parts-Unlimited and claims no ownership or rights to this catalog. The Parts Unlimited 2014 Street catalog is more than "just a book." It is designed to help you and your customers get the most out of your passion for powersports. It showcases the new,

exciting, in-demand products, as well as highlighting trusted favorites. The well-organized catalog sections make it easy to find the items you want. And every part is supported with the latest fitment information and technical updates available. Looking for tires? See the Drag Specialties/Parts Unlimited Tire catalog. It has tires, tire accessories and tire/wheel service tools from all the top brands. And for riding gear or casual wear, see the Drag Specialties/ Parts Unlimited Helmet/Apparel catalog. Combine all three catalogs for the most complete powersports

resource of 2014. The new Canon EOS Rebel XS is designed to capture the perfect photos. But if you're new to SLRs, digital photography can be a bit intimidating. Canon EOS Rebel XS/1000D For Dummies shows you how to get the most out of this digital camera, taking advantage of its 10.1 megapixel CMOS sensor with DIGIC III image processor. This book offers explanations of all the controls and menus, suggestions to make using lenses a breeze, and picture-taking advice to give you the confidence to start shooting fantastic photos. You'll learn to manage aperture, shutter speed, and

ISO, and work with the Auto Lighting Optimizer to enhance your creativity. You'll also discover how to: Handle and manipulate lenses Get creative with exposure, lighting, and color balance Download, organize, print, and share your photos See how to use the Live View mode, adjust settings, and get great shots in automatic or manual mode Use Autofocus with Live View, set white balance, and choose a color space Work with Canon's downloading tools, prepare images for print, and create Web-friendly files Get great photos in automatic modes Follow ten speedy editing tricks Avoid motion blur and

noise Check focus by magnifying the view Capture action, scenic vistas, and close-ups Print from the ZoomBrowser EX/ImageBrowser You've invested in the Canon EOS Rebel XS, so it makes sense to learn the best techniques for using this camera. Canon EOS Rebel XS/1000D For Dummies gives you the knowledge to become a pro. InfoWorld is targeted to Senior IT professionals. Content is segmented into Channels and Topic Centers. InfoWorld also celebrates people, companies, and projects. Old-House Journal is the original magazine devoted to restoring and

preserving old houses. For more than 35 years, our mission has been to help old-house owners repair, restore, update, and decorate buildings of every age and architectural style. Each issue explores hands-on restoration techniques, practical architectural guidelines, historical overviews, and homeowner stories—all in a trusted, authoritative voice. Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology,

information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle. In their struggle to identify successful solutions for their schools, teachers, administrators, board members, and parents must wade through reams of educational rhetoric and sales hype. This resource is designed to serve a broad audience of practicing teachers, preservice teachers, administrators, resource teachers, college professors, parents, and others who would like to stay abreast of new education programs and innovations. It objectively explains

how each program, practice, and philosophy is supported by research and how it really works in schools. It provides straightforward definitions and concisely illustrates the practical applications and supporting research for approximately 125 educational innovations. Entries include feedback from award-winning teachers, giving educators an unbiased view of real-world effectiveness. Some highlights are as follows: (1) the exploration of more than 60 innovative practices, including assertive discipline, computer-assisted instruction, conflict resolution, distance learning, and the Socratic method;

(2) an examination of results-oriented programs, including emergent literacy, Jumpstart, and Touch Point Math; (3) detailed discussion of policies regarding immersion and inclusion, standardized testing, and summer school; and (4) comprehensive coverage of movement, concepts, and theories, including brain-based learning, mainstreaming, multicultural education, and school vouchers. (Contains 135 references.) (RT) A #1 bestseller on Amazon for early childhood education with more than half a million copies in print, Teach Your Child to Read in

100 Easy Lessons will give your child the reading skills needed now for a better chance at tomorrow, while bringing you and your child closer together. Is your child halfway through first grade and still unable to read? Is your preschooler bored with coloring and ready for reading? Do you want to help your child read, but are afraid you'll do something wrong? Teach Your Child to Read in 100 Easy Lessons is a complete, step-by-step program that shows parents simply and clearly how to teach their children to read. Twenty minutes a day is all you need, and within 100 teaching days your child will be

reading on a solid second-grade reading level. It's a sensible, easy-to-follow, and enjoyable way to help your child gain the essential skills of reading. Everything you need is here—no paste, no scissors, no flash cards, no complicated directions—just you and your child learning together. One hundred lessons, fully illustrated and color-coded for clarity, give your child the basic and more advanced skills needed to become a good reader. Intended as a working manual, with chapters following a uniform format for ease of use. Assumes basic nursing knowledge, e.g. history-taking,

aseptic techniques, documentation. For each procedure, describes indications, contraindications and cautions, equipment, patient preparation, procedural steps. Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better. Contains comprehensive listings of some of the most difficult to identify dinnerware manufacturers. "Offers unique data on the physiochemical

properties, functions and metabolism, toxicological and pharmacological effects, regulatory control, antimicrobial resistance, and consumer perceptions of food residue regulation."
