Julius Caesar Jan 12 2022 (Applause Books). These popular editions allow the reader and student to look beyond the scholarly reading text to the more sensuous, more collaborative, more malleable performance text which emerges in conjunction with the commentary and notes. Each note, each gloss, each commentary reflects the stage life of the play with constant reference to the challenge of the text in performance. Readers will not only discover an enlivened Shakespeare, they will be empowered to rehearse and direct their own productions of the imagination in the process. Shakespeare's shortest play tells the story of Julius Caesar and Marcus Brutus, who, fearing the possibility of a dictator-led empire, betrays Caesar to protect Rome. Little does he know that Cassius has been holding the strings, manipulating Brutus into exploiting Caesar's weakness and removing him from power with the help of fellow conspirers. Contemplating motives for murder, national allegiance, and divine right, Shakespeare's Julius Caesar is a unique look at the true events surrounding Caesar's assassination in 44 B.C.

An Insider's Guide to the Mining Sector May 04 2021 - In 2003, four mining shares rose over four times in price, with one gaining ten times.- In just the first two months of 2004, 26 mining shares increased more than 20%, with five shares doubling.- Merrill Lynch's World Mining Trust is the UK's best performing fund over the past three years, having risen by over 200 per cent. But is the mining boom about to end? Not according to this book, by Michael Coulson, Chairman of the Association of Mining Analysts. Coulson argues that, if anything, we are still in the early stages of prolonged strength in mining stocks and despite what some commentators are saying, the boom is far from over. FROM THE BACK COVER The prospect of instant riches gives the mining sector an obvious glamour. And when the mining sector begins to run it can be an awesome sight and the excitement generated can be every bit as seductive and heady as that which enveloped markets during the internet boom. But due to the counter-cyclical nature of many mining stocks, they can also offer a valuable refuge when stock markets turn down. In this book, Michael Coulson gives a masterly overview of the sector, explains both the rewards and the pitfalls of investing in mining shares and argues convincingly that mining should once again form a core sector for all investors. The book is for anyone interested in mining, and particularly mining as an investment. Whilst it contains material which will be useful to even experienced followers of the sector, its main target is those who are interested in mining but perhaps not particularly familiar with the sector, and would like to know more. All the subjects are covered that are fundamental to acquiring sufficient knowledge about the mining sector to invest in it with confidence. While the mining s

Third Series](#) Sep 08 2021 Includes Part 1A: Books and Part 1B: Pamphlets, Serials and Contributions to Periodicals *Love & Decay* Mar 02 2021 *Zombies*- as if that wasn't enough to ruin any girl's dream of a happily ever after. A vaccination gone oh so wrong and a huge portion of the world's population was turned into *Zombies*. Reagan Willow is forced out of her home when her parents become casualties of the horrid *Zombie Apocalypse*. With the help of her best friend Haley, they've become somewhat of experts on surviving the dangers of a world thrust into chaos and decay. Reagan and Haley are on a vague mission to find somewhere safe to live out the remainders of their terrifying life when they stumble upon the Parkers, a pack of brothers that seem to have the survival thing down in a much more efficient and successful way than Reagan could ever have imagined. They are also protecting their eight year old sister, Page, and will do anything to keep her safe. The brothers decide that Reagan and Haley need help with being kept safe as well, and as a group they set off to find the *Zombie-free utopia* Reagan is dreaming of. *Zombies* are a daily problem, constantly threatening the lives of their group, but they're not the only peril on the journey ahead. Militia groups of power hungry men are also a constant concern. And settlements of paranoid, suspicious people turn out to be just as hazardous. Danger looms over every inch of the way, but Reagan, Haley and the Parkers are determined to get to their goal and remain together. Soon the Parkers become more to Reagan than just traveling companions and more than friendship starts to develop between her and Hendrix, the second oldest brother. But at the end of the world, nothing can be as simple as life and death. Now, Reagan is going to have to schedule falling in love between hunting and surviving. Hopefully she can last long enough to find out if true love can still exist when everything else has started to fall apart. *Love and Decay, Volume One*, is a compilation of the first six episodes in a twelve episode season. It is a *Dystopian Romance Novella Series* about *Zombies*, the end of the world and finding someone to share it with. This story takes place over multiple episodes, with a release date every two weeks. Each episode is approximately 20,000 words.
