Of Bones and Ashes Dec 29 2022 You've heard the stories about her. Skin white as snow. Lips red as blood. Hair black as ebony. A real beauty, right?

Good and kind and all of that. Lies. Every one. Well, her skin is white but more like bones than snow. And her lips are red as blood, but her hair is black as sin. In truth, not a beauty but a terror in the night and during the sunlit hours too. Horrible and vicious. Terrible and frightening. Powerful and detestable. You know her as Snow White. I know her as the harbinger of my death. This bone-chilling retelling returns a beloved fairy tale to its classic, dark roots. This volume contains The Cost of Treachery, The Cost of Enchantment, Of Bones and Ashes, and an alternative ending.

In Dust and Ashes Sep 01 2020 The final nail-biting installment in the ten-part, award-winning Hanne Wilhelmsen series—bestselling in Norway and throughout Europe—from Scandinavia's most celebrated female crime writer, Anne Holt. Police investigator Kjell Bonsaksen is a contented man in most areas of life, but for one mistake he made years ago that has

rankled like a stone in his shoe ever since: in 2001, a two-year-old girl was killed by a speeding car while playing in the road in front of her home. The marriage of the toddler's grief-stricken parents dissolved in the wake of the accident, and not long thereafter, the girl's mother died under mysterious circumstances. The girl's father, Jonas, was convicted of his ex-wife's murder and sentenced to twelve years in prison. But Kjell Bonsaksen knew he was innocent. Now it's 2016, and Kjell is looking forward to his retirement to the French countryside with his wife. An uncomfortable chance encounter with Jonas at a roadside gas station prompts him to dig out Jonas's case files for Detective Henrik Holme, the resident cold case prodigy. Henrik doesn't take long to convince his beloved mentor, Hanne Wilhelmsen, that Jonas was wrongly convicted for his ex-wife's murder. As their investigation evolves, Hanne and Henrik uncover eerie connections to the recent

suicide of a right-wing extremist blogger whose fanatic ideologies seem incompatible with a desire to die. Masterfully plotted, *In Dust and Ashes* is the outstanding finale to Anne Holt's award-winning, politically and socially conscious series, confirming Hanne Wilhelmsen as a character who will "get in your head—and stay there" (Entertainment Weekly).

The Farming of Bones Apr 28 2020 It is 1937 and Amabelle Désir, a young Haitian woman living in the Dominican Republic, has built herself a life as the servant and companion of the wife of a wealthy colonel. She and Sebastien, a cane worker, are deeply in love and plan to marry. But Amabelle's world collapses when a wave of genocidal violence, driven by Dominican dictator Rafael Trujillo, leads to the slaughter of Haitian workers. Amabelle and Sebastien are separated, and she desperately flees the tide of violence for a Haiti she barely remembers. Already acknowledged as a classic, this

harrowing story of love and survival—from one of the most important voices of her generation—is an unforgettable memorial to the victims of the Parsley Massacre and a testimony to the power of human memory. From the Trade Paperback edition.

From the Ashes Aug 01 2020

The road to redemption has never been so fierce. Atticus Riot wants to leave his tortured past behind, but his partner's murder haunts his every step. Before he can find peace, the gunfighter turned detective needs to find the killer. But then a missing heiress draws him into a conspiracy of lies. A young woman's life is at stake, so why won't her rich, older husband tell the whole truth about her disappearance? The clock is ticking and Riot must unravel a twisted trail before an innocent life is lost. But

deceit runs deeper than he imagined, and he's soon thrown into the path of a fiercely independent woman who's his match in every way. A suspenseful Victorian mystery with a strong female lead and a romantic detective duo in San Francisco's lawless Barbary Coast. Fans of Laurie R. King, Deanna Raybourn, and C.S. Harris will love this thrilling historical mystery series.

"Magic is seeping out of the world, leaving the witches who've relied on it for countless centuries increasingly hopeless. While some see an inevitable end of their era, others are courting madness--willing to sacrifice former allies, friends, and family to retain the power they covet. While the other witches watch their reality unravel, young Alice Marin is using magic's waning days to delve into the mystery of numerous disappearances in the occult circles of New Orleans. Alice disappeared once, too--caged

in an asylum by blood relatives ... Discovering the cause of the vanishings, though, could be the only way to escape her mother's reach while determining the future of all witches"--Amazon.com.

Struggling with a lackluster teaching position at an archeology field school in South Carolina, Tempe Brennan discovers a fresh skeleton among ancient bones and traces leads to a free street clinic where patients are going missing.

Not Even Bones Nov 15 2021

"Twisty, grisly, genre-bending and immersive, Not Even Bones will grab you by the throat and drag you along as it gleefully tramples all of your expectations." —Sara Holland, New York Times best-selling author of *Everless* Dexter meets *This Savage Song* in this dark fantasy about a girl who sells magical body parts on the black market—until she's betrayed. Nita doesn't murder supernatural beings and sell their body parts on the internet—her mother does that.

Nita just dissects the bodies after they've been "acquired." Until her mom brings home a live specimen and Nita decides she wants out; dissecting a scared teenage boy is a step too far. But when she decides to save her mother's victim, she ends up sold in his place—because Nita herself isn't exactly "human." She has the ability to alter her biology, a talent that is priceless on the black market. Now on the other side of the bars, if she wants to escape, Nita must ask herself if she's willing to become the worst kind of monster. Now available as a Webtoon!

[A Heart of Blood and Ashes](#)

Feb 04 2021 A generation past, the western realms were embroiled in endless war. Then the Destroyer came. From the blood and ashes he left behind, a tenuous alliance rose between the barbarian riders of Parsathe and the walled kingdoms of the south. That alliance is all that stands against the return of an ancient evil—until the barbarian king and queen are slain in an act of

bloody betrayal. Though forbidden by the alliance council to kill the corrupt king responsible for his parents' murders, Maddek vows to avenge them, even if it costs him the Parsathean crown. But when he learns it was the king's daughter who lured his parents to their deaths, the barbarian warrior is determined to make her pay. Yet the woman Maddek captures is not what he expected. Though the last in a line of legendary warrior-queens, Yvenne is small and weak, and the sharpest weapons she wields are her mind and her tongue. Even more surprising is the marriage she proposes to unite them in their goals and to claim their thrones—because her desire for vengeance against her father burns even hotter than his own...

Ashes of a Black Frost Mar 27 2020 Bones jutted from the sand at angles—not odd angles, though, for that would suggest that there were ways bones could protrude that made sense—and the eyes of those

still living stared and saw nothing. Amidst a scene of carnage on a desert battlefield blanketed in metallic snow, Major Konowa Swift Dragon sees his future, and it is one drenched in shadow and blood. Never mind that he has won a grand victory for the Calahrian Empire. He came here in search of his lost regiment of elves, while the Imperial Prince came looking for the treasures of a mystical library, and both ventures have failed. But Konowa knows, as do the Iron Elves—both living and dead—that another, far more important battle now looms before them. The campaign in the desert was only the latest obstacle on the twisted, darkening path leading inexorably to the Hyntaland, and the final confrontation with the dreaded Shadow Monarch. In this third novel of musket and magic in Chris Evans's Iron Elves saga, Konowa's ultimate journey is fraught with escalating danger. A vast, black forest finds a new source of dark power, spawning creatures even more monstrous

than the blood trees from which they evolve. The maniacally unstable former emissary of the Shadow Monarch hungers for revenge, leading an army of ravenous beasts bent on utterly destroying the Iron Elves. A reluctant hero, Private Alwyn Renwar, struggles to maintain his connection to this world and that of the loyalty of the shades of the dead. And in a maze of underground tunnels, Visyna Tekoy, whom Konowa counts among those he has loved and lost, fights for her life against the very elves he so desperately wants to find. And so Konowa sets off from this Canyon of Bones, pursuing his freedom from a curse that has cast his life in darkness. For though his long, violent trek may indeed lead him to his destiny, he is ill prepared for the discovery he will make . . . with the fate of the Iron Elves, and the world, hinging on the courage of one wrathful elf.

Times bestseller From #1 New York Times bestselling author Sabaa Tahir Amazon's Best Young Adult Book of 2015 People's Choice Award winner - Favorite Fantasy Bustle's Best Young Adult Book of 2015 "This novel is a harrowing, haunting reminder of what it means to be human -- and how hope might be kindled in the midst of oppression and fear." -- The Washington Post "An Ember in the Ashes could launch Sabaa Tahir into JK Rowling territory...It has the addictive quality of The Hunger Games combined with the fantasy of Harry Potter and the brutality of Game of Thrones."--Public Radio International "An Ember in the Ashes glows, burns, and smolders--as beautiful and radiant as it is searing."--Huffington Post "A worthy novel - and one as brave as its characters." --The New York Times Book Review Laia is a slave. Elias is a soldier. Neither is free. Under the Martial Empire, defiance is met with death. Those who do not vow their blood and bodies to the Emperor risk the execution of

their loved ones and the destruction of all they hold dear. It is in this brutal world, inspired by ancient Rome, that Laia lives with her grandparents and older brother. The family ekes out an existence in the Empire's impoverished backstreets. They do not challenge the Empire. They've seen what happens to those who do. But when Laia's brother is arrested for treason, Laia is forced to make a decision. In exchange for help from rebels who promise to rescue her brother, she will risk her life to spy for them from within the Empire's greatest military academy. There, Laia meets Elias, the school's finest soldier--and secretly, its most unwilling. Elias wants only to be free of the tyranny he's being trained to enforce. He and Laia will soon realize that their destinies are intertwined--and that their choices will change the fate of the Empire itself.

Ashes to Ashes Mar 20 2022
Master Hugh, Kate, and their children attend the Midsummer's Eve fire. Next

morning early Hugh hears the passing bell ring from the Church of St. Beornwald, and moments later is summoned. Tenants collecting the ashes to spread upon their fields have found burned bones. Master Hugh learns of several men of Bampton and nearby villages who have gone missing recently. Most are soon found, some alive, some dead. Master Hugh eventually learns that the bones are those of a bailiff from a nearby manor. Someone has slain him and placed his body in the fire to destroy evidence of murder. Bailiffs are not popular men; they dictate labour service, collect rents, and enforce other obligations. Has this bailiff died at the hand of some angry tenant? Hugh soon discovers this is not the case. There is quite another reason for murder ...

From Blood and Ash Dec 25 2019 Captivating and action-packed, *From Blood and Ash* is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension,

enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel. Reviews for *From Blood and Ash*: "Dreamy, twisty, steamy escapism. Take me back!" -New York Times bestseller Wendy Higgins "Jennifer Armentrout has the power to control my emotions with every word she writes. From swooning to crying to racing through the pages to find out what happens next, I

couldn't stop reading about Hawke and Poppy, and you won't be able to either." - Brigid Kemmerer, New York Times Bestselling Author of A Curse So Dark and Lonely "Action, adventure, sexiness, and angst! From Blood and Ash has it all and double that. So many feels and so many moments it made me cheer for the character. Read. This. Book! You'll be obsessed!" - Tijan NYT bestselling author "From Blood and Ash is a phenomenal fantasy novel that is filled to the brim with danger, mystery and heart melting romance. I loved every single second of it and I couldn't get enough of this new fantastical world. A heart stopping start to what is clearly going to be a stunning series, perfect for both those who love fantasy and those who are new to the genre. A must read." Bones to Ashes May 02 2023 In

Kathy Reichs's tenth bestselling novel featuring forensic anthropologist Temperance Brennan, the discovery of a young girl's skeleton in Acadia, Canada might be connected to the disappearance of Tempe's childhood friend. For Tempe Brennan, the discovery of a young girl's skeleton in Acadia, Canada, is more than just another case. Evangeline, Tempe's childhood best friend, was also from Acadia. Named for the character in the Longfellow poem, Evangeline was the most exotic person in Tempe's eight-year-old world.

When Evangeline disappeared, Tempe was warned not to search for her, that the girl was "dangerous." Thirty years later, flooded with memories, Tempe cannot help wondering if this skeleton could be the friend she had lost so many years ago. And what is the meaning of the strange skeletal lesions found on the bones of the young girl? Meanwhile, Tempe's beau, Ryan, investigates a series of cold cases. Two girls dead. Three missing. Could the New Brunswick skeleton be part of the pattern? As Tempe draws on the latest advances in forensic anthropology to penetrate the past, Ryan hunts down a serial predator.

Spider Bones Apr 08 2021 A complex and riveting tale of deceit and murder unfolds in this repackage of the thirteenth thrilling novel in Reichs's "cleverly plotted and expertly maintained series" (The New York Times Book Review). John Lowery was declared dead in 1968—the victim of a Huey crash in Vietnam, his body buried long ago in North Carolina. Four decades later,

Temperance Brennan is called to the scene of a drowning in Hemmingford, Quebec. The victim appears to have died while in the midst of a bizarre sexual practice. The corpse is later identified as John Lowery. But how could Lowery have died twice, and how did an American soldier end up in Canada? Tempe sets off for the answer, exhuming Lowery's grave in North Carolina and taking the remains to Hawaii for reanalysis—to the headquarters of JPAC, the U.S. military's Joint POW/ MIA Accounting Command, which strives to recover Americans who have died in past conflicts. In Hawaii, Tempe is joined by her colleague and ex-lover Detective Andrew Ryan (how "ex" is he?) and by her daughter, who is recovering from her own tragic loss. Soon another set of remains is located, with Lowery's dog tags tangled among them. Three bodies—all identified as Lowery. And then Tempe is contacted by Hadley Perry, Honolulu's flamboyant medical examiner, who needs help

identifying the remains of an adolescent boy found offshore. Was he the victim of a shark attack? Or something much more sinister?

Ashes and Bones Jan 30 2023

Just when everything is going beautifully for archaeologist Emma Fielding -- a position at a respected university, a beautiful home in New England, and the warm love of a devoted husband -- her world starts to crumble. What begins as a series of seemingly

innocent gestures -- the anonymous delivery of gifts and flowers to Emma's family and friends -- soon progresses to secret, sadistic acts designed to destroy her reputation, her character, and her career. Someone has instituted a brilliantly insidious campaign of personal terror against Emma Fielding, and she is certain she knows who it is: a cunning and dangerous enemy whom everyone but she believes is dead. But with no proof, no clues, and no allies, Emma will have to fight alone in the dark to rescue a life being rapidly reduced to ashes . . . if she can survive long enough to do so.

The Crown of Gilded Bones Jul

12 2021 Bow Before Your Queen Or Bleed Before Her...

From #1 New York Times bestselling author Jennifer L. Armentrout comes book three in her Blood and Ash series. She's been the victim and the survivor... Poppy never dreamed she would find the love she's found with Prince Casteel. She wants to revel in her happiness but first they

must free his brother and find hers. It's a dangerous mission and one with far-reaching consequences neither dreamed of. Because Poppy is the Chosen, the Blessed. The true ruler of Atlantia. She carries the blood of the King of Gods within her. By right the crown and the kingdom are hers. The enemy and the warrior... Poppy has only ever wanted to control her own life, not the lives of others, but now she must choose to either forsake her birthright or seize the gilded crown and become the Queen of Flesh and Fire. But as the kingdoms' dark sins and blood-drenched secrets finally unravel, a long-forgotten power rises to pose a genuine threat. And they will stop at nothing to ensure that the crown never sits upon Poppy's head. A lover and heartmate... But the greatest threat to them and to Atlantia is what awaits in the far west, where the Queen of Blood and Ash has her own plans, ones she has waited hundreds of years to carry out. Poppy and Casteel must consider the impossible—travel

to the Lands of the Gods and wake the King himself. And as shocking secrets and the harshest betrayals come to light, and enemies emerge to threaten everything Poppy and Casteel have fought for, they will discover just how far they are willing to go for their people—and each other. And now she will become Queen... *Flash and Bones* Feb 16 2022 Kathy Reichs—#1 New York Times bestselling author and producer of the FOX television hit *Bones*—returns with a riveting new novel set in Charlotte, North Carolina, featuring America's favorite forensic anthropologist, Dr. Temperance Brennan. Just as 200,000 fans are pouring into town for Race Week, a body is found in a barrel of asphalt next to the Charlotte Motor Speedway. The next day, a NASCAR crew member comes to Temperance Brennan's office at the Mecklenburg County Medical Examiner to share a devastating story. Twelve years earlier, Wayne Gamble's sister, Cindi, then a high school senior and aspiring

racer, disappeared along with her boyfriend, Cale Lovette. Lovette kept company with a group of right-wing extremists known as the Patriot Posse. Could the body be Cindi's? Or Cale's? At the time of their disappearance, the FBI joined the investigation, only to terminate it weeks later. Was there a cover-up? As Tempe juggles multiple theories, the discovery of a strange, deadly substance in the barrel alongside the body throws everything into question. Then an employee of the Centers for Disease Control and Prevention goes missing during Race Week. Tempe can't overlook the coincidence. Was this man using his lab chemicals for murder? Or is the explanation even more sinister? What other secrets lurk behind the festive veneer of Race Week? A turbocharged story of secrets and murder unfolds in this, the fourteenth thrilling novel in Reichs's "cleverly plotted and expertly maintained series" (The New York Times Book Review). With the smash hit Bones about to enter its

seventh season and in full syndication—and her most recent novel, *Spider Bones*, an instant New York Times bestseller—Kathy Reichs is at the top of her game.

Skull in the Ashes Jan 06 2021

On a February night in 1897, the general store in Walford, Iowa, burned down. The next morning, townspeople discovered a charred corpse in the ashes. Everyone knew that the store's owner, Frank Novak, had been sleeping in the store as a safeguard against burglars. Now all that remained were a few of his personal items scattered under the body. At first, it seemed to be a tragic accident mitigated just a bit by Novak's foresight in buying generous life insurance policies to provide for his family. But soon an investigation by the ambitious new county attorney, M. J. Tobin, turned up evidence suggesting that the dead man might actually be Edward Murray, a hard-drinking local laborer. Relying upon newly developed forensic techniques, Tobin gradually built a case

implicating Novak in Murray's murder. But all he had was circumstantial evidence, and up to that time few murder convictions had been won on that basis in the United States. Others besides Tobin were interested in the case, including several companies that had sold Novak life insurance policies. One agency hired detectives to track down every clue regarding the suspect's whereabouts. Newspapers across the country ran sensational headlines with melodramatic coverage of the manhunt. Veteran detective Red Perrin's determined trek over icy mountain paths and dangerous river rapids to the raw Yukon Territory town of Dawson City, which was booming with prospectors as the Klondike gold rush began, made for especially good copy. *Skull in the Ashes* traces the actions of Novak, Tobin, and Perrin, showing how the Walford fire played a pivotal role in each man's life. Along the way, author Peter Kaufman gives readers a fascinating glimpse into forensics,

detective work, trial strategies, and prison life at the close of the nineteenth century. As much as it is a chilling tale of a cold-blooded murder and its aftermath, this is also the story of three ambitious young men and their struggle to succeed in a rapidly modernizing world. **A Breath of Snow and Ashes**
Mar 08 2021 Eagerly anticipated by her legions of fans, this sixth novel in Diana Gabaldon's bestselling *Outlander* saga is a masterpiece of historical fiction from one of the most popular authors of our time. Since the initial publication of *Outlander* fifteen years ago, Diana Gabaldon's *New York Times* bestselling saga has won the hearts of readers the world over — and sold more than twelve million books. Now, *A Breath of Snow and Ashes* continues the extraordinary story of 18th-century Scotsman Jamie Fraser and his 20th-century wife, Claire. The year is 1772, and on the eve of the American Revolution, the long fuse of rebellion has already been lit. Men lie dead in the

streets of Boston, and in the backwoods of North Carolina, isolated cabins burn in the forest. With chaos brewing, the governor calls upon Jamie Fraser to unite the backcountry and safeguard the colony for King and Crown. But from his wife Jamie knows that three years hence the shot heard round the world will be fired, and the result will be independence — with those loyal to the King either dead or in exile. And there is also the matter of a tiny clipping from *The Wilmington Gazette*, dated 1776, which reports Jamie's death, along with his kin. For once, he hopes, his time-traveling family may be wrong about the future.

City of Ashes Oct 03 2020 Is love worth betraying

everything? Plunge into the second adventure in the internationally bestselling *Mortal Instruments* series and "prepare to be hooked" (*Entertainment Weekly*). Clary Fray just wishes that her life would go back to normal. But what's normal when you're a demon-slaying Shadowhunter, your mother is in a magically induced coma, and you can suddenly see Downworlders like werewolves, vampires, and faeries? If Clary left the world of the Shadowhunters behind, it would mean more time with her best friend, Simon, who's becoming more than a friend. But the Shadowhunting world isn't ready to let her go -- especially her handsome, infuriating, newfound brother, Jace. And Clary's only chance to help her mother is to track down rogue Shadowhunter Valentine, who is probably insane, certainly evil—and also her father. To complicate matters, someone in New York City is murdering Downworlder children. Is Valentine behind the killings—and if he is, what is he trying to do? When the

second of the Mortal Instruments, the Soul-Sword, is stolen, the terrifying Inquisitor arrives to investigate and zooms right in on Jace. How can Clary stop Valentine if Jace is willing to betray everything he believes in to help their father? In this breathtaking sequel to City of Bones, Cassandra Clare lures her readers back into the dark grip of New York City's Downworld, where love is never safe and power becomes the deadliest temptation.

Bones to Ashes - Book 10 - Temperance Brennan Apr 20 2022 Under the microscope, the outer bone surface is a moonscape of craters ... 'Preliminary diagnosis?' 'Deformity of the bone. Maybe. Cortical destruction on a metacarpal. Maybe. Localised infection? Systemic disease process? Postmortem destruction, either purposeful or natural? A combination of the above? I don't have a diagnosis ... 'The skeleton is that of a young girl, no more than fourteen years old - and forensic anthropologist Dr

Temperance Brennan is struggling to keep her emotions in check. Coroner Yves Bradette is being evasive, insisting the bones are ancient and of no interest. But it doesn't quite add up, and a frustrated Tempe is convinced that Bradette is hiding something ... It's not Tempe's case; she's overwhelmed with more urgent work in the lab ... But the nagging in her subconscious won't let up. A memory triggered, deep in her hindbrain - the disappearance of a childhood friend; no warning, no explanation ... Working on instinct, Tempe takes matters into her own hands. But she couldn't have predicted where this case would lead, or the horrors it would eventually uncover ... Can Tempe maintain a professional distance as the past catches up with her in this, her most deeply personal case yet?
