***BenBee and the Teacher Griefer Sep 27 2020 From the author of Rhyme Schemer, House Arrest, and Knockout! The Kids Under the Stairs: BenBee and the Teacher Griefer is a funny, clever novel-in-verse series about Ben Bellows—who failed the Language Arts section of the Florida State test—and three classmates who get stuck in a summer school class. But these kids aren't dumb—they're divergent thinkers, as Ms. J tells them: they simply approach things in a different way than traditional school demands. • Each chapter is told through the perspective of one of the four students, who each write in a different style (art, verse, stream of consciousness). • Celebrates different types of intelligence • A heartwarming, laugh-out-loud novel-in-verse Soon, the kids win over Ms. J with their passion for Sandbox, a Minecraft-type game. The kids make a deal with Ms. J: every minute they spend reading aloud equals one minute they get to play Sandbox in class. But when the administration finds about this unorthodox method of teaching, Ben B. and his buds have to band together to save their teacher's job—and their own academic future. The first in a series of complementary storylines, this is an honest, heartfelt book about friendship, videogames, and learning to love yourself. • Features a distinct and engaging cast of characters • Encourages even the most reluctant reader to embrace their own "divergent" self • Perfect for parents of kids age 10 and up who love Minecraft, educators and librarians, middle grade readers, new readers of poetry, and fans of videogames • You'll love this book if you love books like Ghost by Jason Reynolds, Patina by Jason Reynolds, and Short by Holly Goldberg Sloan.***

*Holt Handbook 6E Nov 10 2021 The goal for the sixth edition of THE HOLT HANDBOOK is the same as it was for the first edition: To create a writer's handbook that serves as a classroom tool, a comprehensive reference, and a writer's companion. In preparing for the first edition, the authors concentrated on making the book inviting, accessible, useful, and clear for both teachers and students. In the sixth edition, they have kept these goals in mind, adding distinctive new design features, and fine-tuning established ones in order to make information even easier to locate than before. As a result, the sixth edition of THE HOLT HANDBOOK is the most accessible hardback college handbook currently on the market. THE*

*HOLT HANDBOOK, Sixth Edition, puts writing first. It is a classroom text, a reference book, and -- above all -- a writing companion that students can turn to again and again for advice and guidance as they write in college and beyond.*

*Teach Your Own Jun 24 2020 Today more than one and a half million children are being taught at home by their own parents. In this expanded edition of the book that helped launch the whole movement, Pat Farenga has distilled John Holt's timeless understanding of the ways children come to understand the world and added up-to-the-moment practical advice. Rather than proposing that parents turn their homes into miniature schools, Holt and Farenga demonstrate how ordinary parents can help children grow as social, active learners. Chapters on living with children, "serious play," children and work, and learning difficulties will be of interest to all parents, whether home schooling or not, as well as to teachers. This new edition is supplemented with financial and legal advice as well as a guide to*

*cooperating with schools and facing the common objections to home schooling. Teach Your Own not only has all the vital information necessary to be the bible for parents teaching their own children, it also conveys John Holt's wise and passionate belief in every child's ability to learn from the world that has made his wonderful books into enduring classics.*

*Mister and Me Oct 09 2021 Jolene's family was just Momma and Grandpa until big, loud Leroy Redfield started taking Momma dancing. Jolene refuses to call him anything but "Mister." Without a name, he isn't a real person to her. But then Jolene learns that Mister wants to marry Momma. Is there anything Jolene can do to make him go away? "The warmth and love in the Johnson household envelops the novel... Jolene's willingness to face the uncertainties of her future may well give courage to readers confronting sea changes of their own."-Publishers Weekly Awards: ( New York Public Library "100 Titles for Reading and Sharing" ( A Texas Bluebonnet Master List Book*
