Based on a True Story Mar 08 2021 'A wonderful literary trompe l'oeil: a book about friendship, writing and the boundary between reality and fantasy ... Dark, smart, strange, compelling' Harriet Lane, bestselling author of Her Overwhelmed by the huge success of her latest novel, exhausted and suffering from a crippling inability to write, Delphine meets L. L. embodies everything Delphine admires; sophisticated and unusually intuitive, she slowly but deliberately carves herself a niche in the writer's life. However, as she makes herself indispensable to Delphine, the intensity of this unexpected friendship manifests itself in increasingly sinister ways. And as their lives become further entwined, L. begins to threaten Delphine's identity and her safety.

Hunter Killer Dec 25 2019 The firsthand account of the hunt for al-

Qaeda terrorist Anwar al-Awlaki—and the drone squadron that found him. In September 2011, with Saddam Hussein and Osama bin Laden both dead, the United States pinpointed American-born terrorist Anwar al-Awlaki as priority target number one. In order to eliminate the threat, Air Force Lt. Col. T. Mark McCurley and his squadron were called upon to turn their RPAs' main function as tracking and surveillance devices into strategic weapons. Much was resting on the mission—al-Awlaki was the face of al-Qaeda propaganda, and his loss would have serious repercussions in AQ's recruitment efforts. The Air Force had only a limited amount of time and firepower—it was up to McCurley and his Predators to neutralize the threat before al-Awlaki disappeared underground forever. Remotely piloted aircraft (RPA), commonly referred to as drones, have become the new face of modern warfare, and Lt. Col. McCurley provides an insider look at the evolution of the RPA program. No book has ever told the story of the drones and the pilots who fly them. Until now. With an unprecedented bird's-eye view, Lt. Col. McCurley details the start of their sixty-day surveillance of al-Awlaki up through the day the drones were ordered to take the shot, when the war on terror experienced a critical success.

The True Story of the Novel Jun 22 2022 "An erudite, intelligent and imaginative work of literary scholarship. With vivacity, grace, and wit, Doody traces the history (of the novel) from the ancient novels of Apuleium and Heliodorus through the Renaissance fictions of Boccaccio, Cervantes, and Rabelais to the 'official' birth of the novel in 18th-century England".--BOSTON GLOBE. 39 illustrations.

An Invisible Thread Oct 27 2022 The story of a lifelong friendship between a busy sales executive and a disadvantaged young boy, and how both of their lives were changed by what began as one small gesture of kindness.

The Mostly True Story of Jack Feb 28 2023 Newbery Medal-winner Kelly Barnhill's debut novel is an eerie tale of magic, friendship, and sacrifice. Enter a world where magic bubbles just below the surface.

. . . When Jack is sent to Hazelwood, Iowa, to live with his strange aunt and uncle, he expects a summer of boredom. Little does he know that the people of Hazelwood have been waiting for him for quite a long time. When he arrives, he begins to make actual friends for the first time in his life-but the town bully beats him up and the richest man in town begins to plot Jack's imminent, and hopefully painful, demise. It's up to Jack to figure out why suddenly everyone cares so much about him. Back home he was practically... invisible. The Mostly True Story of Jack is a stunning debut novel about things broken, things put back together, and finding a place to belong. "There's a dry wit and playfulness to Barnhill's writing that recalls Lemony Snicket and Blue Balliett...a delightfully unusual gem." --Los Angeles Times

Money Aug 13 2021 The co-host of the popular NPR podcast Planet Money provides a well-researched, entertaining, somewhat irreverent look at how money is a made-up thing that has evolved over time to suit humanity's changing needs. Money only works because we all agree to believe in it. In Money, Jacob Goldstein shows how money is a useful fiction that has shaped societies for thousands of years, from the rise of coins in ancient Greece to the first stock market in Amsterdam to the emergence of shadow banking in the 21st century. At the heart of the story are the fringe thinkers and world leaders who reimagined money. Kublai Khan, the Mongol emperor, created paper money backed by nothing, centuries before it appeared in the west. John Law, a professional gambler and convicted murderer, brought modern money to France (and destroyed the country's economy). The cypherpunks, a group of radical libertarian computer programmers, paved the way for bitcoin. One thing they all realized: what counts as money (and what doesn't) is the result of choices we make, and those choices have a profound effect on who gets more stuff and who gets less, who gets to take risks when times are good, and who gets screwed when things go bad. Lively, accessible, and full of interesting details (like the 43-pound copper coins that 17th-century Swedes carried

strapped to their backs), *Money* is the story of the choices that gave us money as we know it today.

The True Story of Hansel and Gretel May 22 2022 A powerful retelling of the famous fairy tale is set in Nazi-occupied Poland as two children are left by their father and stepmother to find safety in a dense forest.

Raising the Dead Jun 30 2020 "Bushman's Hole, South Africa, 8 January 2005. Dave Shaw prepares for one of the most daring and ambitious dives ever attempted. His mission: to recover the remains of a diver who disappeared a decade earlier. Some 900 feet below the surface, he locates the body. Then disaster strikes ..."--Back cover.

True Story Jan 06 2021 Named a Best Nonfiction Book of 2022 by *Esquire* A sociological study of reality TV that explores its rise as a culture-dominating medium—and what the genre reveals about our attitudes toward race, gender, class, and sexuality What do we see when we watch reality television? In *True Story: What Reality TV Says About Us*, the sociologist and TV-lover Danielle J. Lindemann takes a long, hard look in the “funhouse mirror” of this genre. From the first episodes of *The Real World* to countless rose ceremonies to the White House, reality TV has not just remade our entertainment and cultural landscape (which it undeniably has). Reality TV, Lindemann argues, uniquely reflects our everyday experiences and social topography back to us. Applying scholarly research—including studies of inequality, culture, and deviance—to specific shows, Lindemann layers sharp insights with social theory, humor, pop cultural references, and anecdotes from her own life to show us who we really are. By taking reality TV seriously, *True Story* argues, we can better understand key institutions (like families, schools, and prisons) and broad social constructs (such as gender, race, class, and sexuality). From *The Bachelor* to *Real Housewives* to *COPS* and more (so much more!), reality programming unveils the major circuits of power that organize our lives—and the extent to which our own realities are, in fact, socially

constructed. Whether we're watching conniving Survivor contestants or three-year-old beauty queens, these "guilty pleasures" underscore how conservative our society remains, and how steadfastly we cling to our notions about who or what counts as legitimate or "real." At once an entertaining chronicle of reality TV obsession and a pioneering work of sociology, *True Story* holds up a mirror to our society: the reflection may not always be pretty—but we can't look away.

True Story May 02 2023 "A "mind-blowing, page-turning, unputdownable" novel (Elif Batuman) about the fifteen-year fallout from a poisonous high school rumor, exploring how stories from the past can come to define who we are. A gifted and reclusive ghostwriter, Alice Lovett makes a living helping other people tell their stories. But she is haunted by the one story she cannot tell: the story of, as she puts it, "the things that happened while I was asleep." Back in 1999, Nick Brothers and his high school lacrosse team return for their senior year in a well-to-do Baltimore suburb as the reigning state champs. The afterglow of their big win is bound to last until graduation; not even the pressure of college applications can get in the way of their fun. But when a private school girl attempts suicide in the wake of one of the team's "legendary" parties, and a rumor begins to circulate that two of Nick's teammates sexually assaulted her, it seems like it might ruin everything--until the team circles the wagons, casts doubt on the story, and the town moves on. But not everyone does. Fifteen years later, four people--Alice, Nick, a documentary filmmaker, and a wealthy entrepreneur--remain haunted by the roles they played, the things they still don't understand, and how the story has shaped their lives. In sections told from different points of view, each more propulsive than the last, the layers of mystery are gradually peeled back as we barrel toward the truth of what really happened that night . . . and what came after. At once a compulsive page-turner and a thought-provoking exploration of issues both timely and timeless, *True Story* marks the debut of a phenomenal new voice in

fiction."--

The True Story of Christmas Mar 27 2020 Everyone knows the story of Christmas. Decking the halls with boughs of holly. Hanging stockings by the chimney with care. Chestnuts roasting on an open fire. Then there's the true story of Christmas. And Ralph Mountfield is smack in the middle of it. Great Granny's crustier than ever. Grandpa's singing to the dog. Great Aunt Ida is completely crackers. Uncle Tristram's giving out bricks. The cousins are whining and throwing tantrums. Mum's looking for Dad. Dad's looking for aspirin. And Ralph is looking to stay out of trouble. But when a Christmas Quiz brings out some hidden truths, trouble is exactly what Ralph finds. It's anything but a silent, holy night for the Mountfield family! From the Hardcover edition.

True Story Apr 01 2023 The improbable but true story of a man accused of murdering his entire family and the journalist he impersonated while on the run In 2001, Mike Finkel was on top of the world: young, talented, and recently promoted to a plum job at the New York Times Magazine. Then he made an irremediable slip: Under extraordinary pressure to keep producing blockbuster stories, he fabricated parts of an article. Caught and excommunicated from the Times, he retreated to his home in Montana, swearing off any contact with the media. When the phone rang, though, he couldn't resist. At the other end was a reporter from the San Francisco Chronicle, whom Finkel congratulated on being the first in what was sure to be a long and bloodthirsty line of media watchdogs. The reporter was puzzled. In Waldport, Oregon, Christian Longo had killed his young wife and three children and dumped their bodies into the bay. With a stolen credit card, he fled south, making his way to Cancun, where he lived for several weeks under an assumed identity: Michael Finkel, journalist for the New York Times. *True Story* is the tale of a bizarre and convoluted collision between fact and fiction, and a meditation on the slippery nature of truth. When Finkel contacts Longo in jail, the two men begin a close and complex relationship. Over the course of a year,

they exchange long letters and weekly phone calls, playing out a cat-and-mouse game in which it's never quite clear if the pursuer is Finkel or Longo—or both. Finkel's dogged pursuit of the true story pays off only at the end, in the gripping trial scenes in which Longo, after a lifetime of deception, finally tells the whole truth. Or so he says.

Indecent Exposure Nov 15 2021 When the head of Columbia Pictures, David Begelman, got caught forging Cliff Robertson's name on a \$10,000 check, it seemed, at first, like a simple case of embezzlement. It wasn't. The incident was the tip of the iceberg, the first hint of a scandal that shook Hollywood and rattled Wall Street. Soon powerful studio executives were engulfed in controversy; careers derailed; reputations died; and a ruthless, take-no-prisoners corporate power struggle for the world-famous Hollywood dream factory began. First published in 1982, this now classic story of greed and lies in Tinseltown appears here with a stunning final chapter on Begelman's post-Columbia career as he continued to dazzle and defraud . . . until his last hours in a Hollywood hotel room, where his story dramatically and poignantly would end.

True Story Jan 30 2023 The co-founder of a brand studio describes how businesses can change their marketing strategies to describe and promote their brand's story in an effort to appeal to modern consumers who have become increasingly interested in what a business embodies and represents. 20,000 first printing.

Getting Away with Murder Feb 25 2020 Revised and updated with new information, this Jane Adams award winner is an in-depth examination of the Emmett Till murder case, a catalyst of the Civil Rights Movement. The kidnapping and violent murder of fourteen-year-old Emmett Till in 1955 was and is a uniquely American tragedy. Till, a black teenager from Chicago, was visiting family in a small town in Mississippi, when he allegedly whistled at a white woman. Three days later, his brutally beaten body was found floating in the Tallahatchie River. In clear, vivid detail Chris Crowe investigates the before-and-aftermath of Till's murder, as well as the

dramatic trial and speedy acquittal of his white murderers, situating both in the context of the nascent Civil Rights Movement. Newly reissued with a new chapter of additional material--including recently uncovered details about Till's accuser's testimony--this book grants eye-opening insight to the legacy of Emmett Till.

The Story of Batman Apr 28 2020 An early chapter book follows how the young Bruce Wayne--a boy who had everything--loses his parents and finds his place in the world as a superhero who fights for justice in Gotham City. Original.

Stubby the War Dog Dec 29 2022 Documents the heroic wartime achievements of a World War I mascot who was adopted by a soldier as an orphaned pup and who gained military honors and a display in the Smithsonian Institution for his brave service behind enemy lines.

Queen of Thieves Jul 24 2022 Queen of Thieves is the gritty, fast-paced story of Fredericka "Marm" Mandelbaum, a poor Jewish woman who rose to the top of her profession in organized crime during the Gilded Age in New York City. During her more than twenty-five-year reign as the country's top receiver of stolen goods, she accumulated great wealth and power inconceivable for women engaged in business, legitimate or otherwise. The New York Times called Mandelbaum "the nucleus and center of the whole organization of crime in New York City." Having emigrated from Germany in 1850, she began her climb to the top of the crime world as a peddler on the rough-and-tumble, crowded streets of the city. By 1880, she had amassed a fortune estimated at more than \$1 million. Mandelbaum was known for running an orderly criminal enterprise. She enlisted the services of an extensive network of criminals of every ilk and bribed police officials, politicians, and judges. If someone wanted to move stolen goods, needed protection from the law, or sought money to finance a caper, Marm was the person to see. In 1884, Mandelbaum escaped from the clutches of Pinkerton detectives, who were casing her house, and fled to Canada. Mandelbaum lived out the rest of her life in luxury on a small farm with her family and ill-got fortune. Hundreds of people

turned out for her funeral. Dozens of people later reported to police that they had their pockets picked at the service.

Flyboys Aug 01 2020 The classic New York Times bestselling story of heroism and sacrifice--by the author of *Flags of Our Fathers*, *The Imperial Cruise*, and *The China Mirage*. This acclaimed bestseller brilliantly illuminates a hidden piece of World War II history as it tells the harrowing true story of nine American airmen shot down in the Pacific. One of them, George H. W. Bush, was miraculously rescued. What happened to the other eight remained a secret for almost 60 years. After the war, the American and Japanese governments conspired to cover up the shocking truth, and not even the families of the airmen were informed of what happened to their sons. Their fate remained a mystery--until now. *FLYBOYS* is a tale of courage and daring, of war and death, of men and hope. It will make you proud and it will break your heart.

Based on a True Story Jan 24 2020 NEW YORK TIMES BESTSELLER • “Driving, wild and hilarious” (The Washington Post), here is the incredible “memoir” of the legendary actor, gambler, raconteur, and Saturday Night Live veteran. When Norm Macdonald, one of the greatest stand-up comics of all time, was approached to write a celebrity memoir, he flatly refused, calling the genre “one step below instruction manuals.” Norm then promptly took a two-year hiatus from stand-up comedy to live on a farm in northern Canada. When he emerged he had under his arm a manuscript, a genre-smashing book about comedy, tragedy, love, loss, war, and redemption. When asked if this was the celebrity memoir, Norm replied, “Call it anything you damn like.”

Redbone: The True Story of a Native American Rock Band Jun 10 2021 Experience the riveting, powerful story of the Native American civil rights movement and the resulting struggle for identity told through the high-flying career of West Coast rock 'n' roll pioneers Redbone. You've heard the hit song "Come and Get Your Love" in the movie *Guardians of the Galaxy*, but the story of the band behind it is one of cultural, political, and social importance. Brothers Pat

and Lolly Vegas were talented Native American rock musicians that took the 1960s Sunset Strip by storm. They influenced The Doors and jammed with Jimmy Hendrix before he was "Jimi," and the idea of a band made up of all Native Americans soon followed. Determined to control their creative vision and maintain their cultural identity, they eventually signed a deal with Epic Records in 1969. But as the American Indian Movement gained momentum the band took a stand, choosing pride in their ancestry over continued commercial reward. Created in cooperation of the Vegas family, authors Christian Staebler and Sonia Paoloni with artist Thibault Balahy take painstaking steps to ensure the historical accuracy of this important and often overlooked story of America's past. Part biography and part research journalism, Redbone tells a vivid story about this neglected chapter of American history.

The True Story of a Mouse Who Never Asked for It Mar 20 2022 The True Story of a Mouse Who Never Asked for It is a visually striking, deeply feminist, contemporary retelling of a Spanish folk tale, rediscovered and brought to new life by author Ana Cristina Herreros and illustrator Violeta Lopiz. In Herreros and Lopiz's version--which sharply diverges from the most mainstream and popularized telling of the story--a mouse is approached by many suitors, rejecting all but one: a cat, whose gentle meow assures her that he won't bring her harm. But one must remember that a kitten always grows up to be a cat...and thusly, will devour the mouse.

The True Story of the Whole World Apr 08 2021 This book provides an overview of the grand narrative of the Bible, showing how God's action in the world gives meaning to our lives and provides us with a foundation for our actions. The authors' bestselling textbook, The Drama of Scripture, presented this message for a student audience. It was then abridged and published at a more popular level as The True Story of the Whole World. This revised edition has been further updated and streamlined throughout for church readers and small groups. It includes contemporary reflection sections and discussion questions for individual or group use in each chapter.

438 Days May 10 2021 The miraculous account of the man who survived alone and adrift at sea longer than anyone in recorded history. For fourteen months, Alvarenga survived constant shark attacks. He learned to catch fish with his bare hands. He built a fish net from a pair of empty plastic bottles. Taking apart the outboard motor, he fashioned a huge fishhook. Using fish vertebrae as needles, he stitched together his own clothes. Based on dozens of hours of interviews with Alvarenga and interviews with his colleagues, search and rescue officials, the medical team that saved his life and the remote islanders who nursed him back to health, this is an epic tale of survival. Print run 75,000.

Publish This Book Sep 13 2021 Dear Reader- This is called the "back cover copy," and you are no doubt familiar with its purpose. It describes what the book is about, so you can decide if you want to read it. Here's the problem, though: I can't even describe this book, and I wrote the damn thing.(1) Basically, it's like this: fed up with the Byzantine quest of trying to publish a novel, I decide instead to cut to the chase and write a memoir about trying to publish a book- this book, to be precise. Of course, now you're saying to yourself, "That is stupid," which is fair. But then you'll read it, and you'll say, "Damn, that was actually pretty good." Because obviously it's about much more than just publishing a book. It's about life and love and friendship; politics, pop culture, and basketball; sex, drugs, and mild, inoffensive, slow-tempo Christian rock.(2) It's about the pitfalls of narrating your life as it unfolds, freaking out when an agent actually (spoiler alert!) takes an interest in this bizarre experiment, and the surreal shock you undergo when a publisher actually buys it(3) and you suddenly realize that every secret drunk, drug, and sex story you've related will now be required reading for your parents, aunts, ex-girlfriends, and thousands of strangers who-you were kind of hoping-would never find out that you once accidentally shut your penis in a dresser drawer.(4) And finally, but most importantly, it's about those tumultuous early years of adulthood-the years when hope and fear and rage broil together and the promise of youth still

holds the capacity to inspire awe. This is a story of those struggles to find your true voice in your work and in your life. And the best part? You pretty much know it has a happy ending.(5)p? 1 What's beside it on the shelf? Something with a sexy vampire? If you're looking for sexy, I do full-frontal nudity in Chapter 11. 3 And then later makes you write your own back cover copy even though you clearly do not know what you're doing. 4 Although I'll dodge a bullet there because I totally left that story out of the book. 5 Except for what happens to the puppy at the fertilizer plant. I admit, that part is kind of a downer.

Jet Sep 25 2022 First, he learned to eat. Then he learned to come when called. Then to wear a cape and ride a bike. Next he mastered hide-and-seek. Then he learned to talk. Not bad for a crow. Jet went on to master the wicked art of summoning the neighbor dog (Kroker! Come, Kroker, come!), only to rebuke him in his master's voice (Bad dog! Go home, Kroker!). Then one day he came to church. This is the true story of one fabulous bird with a 30-word vocabulary whose raucous antics delighted all who knew him--well, except for the neighbor who raised pigeons. Now you can enjoy this natural wonder through the eyes of Rhoda and her sister, Marion, Jet's owner. But watch out, or he might caw and croak his way right into your heart.

The True Story of George Dec 17 2021 George is hardly bigger than a child's middle finger. His knees and his elbows don't bend and his legs are fused together. When Katie and Mackenzie find him at the edge of the ocean, they are unimpressed, but George keeps turning up in their lives. And what may seem ordinary to a girl and a boy can be an awesome adventure if you are six centimeters tall.

The Circus Fire Feb 04 2021 The acclaimed author of *Emily, Alone and Henry, Himself* brings all his narrative gifts to bear on this gripping account of tragedy and heroism—the great Hartford circus fire of 1944. It was a midsummer afternoon, halfway through a Ringling Brothers Barnum and Bailey Circus performance, when the big top caught fire. The tent had been waterproofed with a mixture

of paraffin and gasoline; in seconds it was burning out of control. More than 8,000 people were trapped inside, and the ensuing disaster would eventually take 167 lives. Steward O'Nan brings all his narrative gifts to bear on this gripping account of the great Hartford circus fire of 1944. Drawing on interviews with hundreds of survivors, O'Nan skillfully re-creates the horrific events and illuminates the psychological oddities of human behavior under stress: the mad scramble for the exits; the perilous effort to maneuver animals out of danger; the hero who tossed dozens of children to safety before being trampled to death. Brilliantly constructed and exceptionally moving, The Circus Fire is history at its most compelling.

Best Friends Nov 03 2020 "Sinjin the badly burned black cat. . .who survived to welcome others home Victor the abandoned Australian Shepherd mix. . . the capo among dogs Tyson and Tommy, two tiny black kittens. . .who had something to teach us all Discover Best Friends A Place Where Every Animal Is Safe. . .Loved. . .And Never, Ever Killed In the summer of 1982, a group of young men and women pooled every penny they had and bought 3,000 acres of high desert called Angel Canyon, Utah. It was to become the most famous "no--kill" animal sanctuary in the world. . .a haven for over 2000 furry and feathered friends including stiff--legged Benton who is "chairpurrrson" of the TLC club. . .the infamous Goatie, comforter of horses. . .Baa Baa Ram Das, the sheep who teaches lessons. . .and Amra, the gigantic Malamute who is sheriff of Dogtown backed up by his deputy Rhonda, the tiny terrier who took one look at him and fell in love.

The True Story of Lu Xun Feb 16 2022 This is the first independent, full-life biography of Lu Xun, the most celebrated Chinese writer of the twentieth century, in any European language. It sets aside all the propaganda that has accrued over the sixty-six years since his death, and presents him as a credible human being, neither aggrandized nor belittled. As Lu Xun's life spanned the transition from Manchu empire to citizens' Republic, it can be seen as one

man's history of China's progress to modernity--a progress in which he personally played a significant part. The facts of Lu Xun's life are presented objectively, but they do not always speak for themselves. The author has therefore drawn on his lifelong study of modern Chinese literature to offer intelligent interpretations where necessary. Since the subject of this biography was a writer, the author has appended to the chronicle some brief 'sketches' of his work for the benefit of those unacquainted with it.

Severed Nov 27 2022 This new edition of the L.A. noir classic is released just in time to accompany the Brian De Palma film.

The Finest Hours Apr 20 2022 Survivors recount the heroic undertakings of Coast Guard teams aboard small crafts who attempted to save the crews of two oil tankers caught in a violent nor'easter off the coast of Cape Cod.

The True Story of the Three Little Pigs Jul 12 2021 A spoof on the three little pigs story, this time told from the wolf's point of view. Lane Smith also illustrated *Hallowe'en ABC* which was one of *The New York Times Best Illustrated Books of the Year*.

The Step Child Oct 03 2020 The true story of Donna Ford, who between the ages of five and eleven was abused by her stepmother Helen. Labelled 'the bastard', the 'little witch' and 'the evil one'; beaten, isolated and afraid to even look at her own reflection, this beautiful little child was told she was lucky to be the victim of abuse - abuse which began as physical and mental, but progressed to the most appalling sexual attacks. Despite an horrendous early life, Donna is now a successful artist and mother of three with an enormous enthusiasm and an optimism which completely belies her experiences. In 2003, Donna watched as her stepmother was found guilty of 'procuring a minor' for sexual abuse and sentenced to two years in prison. Beautifully written and savagely honest, *The Step Child* is Donna's story. It is an inspiring tribute to the resilience of the human spirit.

Shocking True Story May 29 2020 Kevin Ryan is a writer in the much-maligned genre of true crime who desperately needs a

devious, over-the-top story for the subject of his next book. How else can he keep his wife Valerie's roots dyed and keep himself from handing out taco samples at the local supermarket? When Kevin isn't Googling himself or spot checking his books' stock at stores around the country or online, he's bringing the hazards (ie, criminals and other crazies) of his job home to wife Val and twin daughters Taylor and Hayley. Kevin is on the hunt for the big one, the story that could break him out of the mid-list and onto the bestseller lists. And then there's a knock at the door--a story finds him...A distraught 20-year old Jett Carter shows up at the Ryan house because her mother and sister are imprisoned—perhaps if Kevin writes their story and reveals the truth, he might help exonerate them. The Carters' tale is the perfect white-trash-attempted-murder-love-triangle that Kevin's editor will love and his fans will devour. He begins to write “Love You to Death.” Then on a beautiful summer day, the wheels of homicide are set in motion and Kevin's own story begins to eclipse the crime he is chronicling. When his #1 fan is murdered and another body turns up, the Ryans' life in Port Gamble and all that Kevin holds dear is in jeopardy. Somewhere in “Love You to Death” and within the “bunch of low rent losers” he's interviewing is the killer.

The True Story of Our National Calamity of Flood, Fire and Tornado ...
Dec 05 2020

Journey Jan 18 2022 “Captivating and heartwarming...Animal lovers will howl with joy.” —Red Tricycle This beautiful picture book follows the journey of a young gray wolf who garnered nationwide attention when he became the first wild wolf in California in almost a century. Using facts recorded by Fish & Wildlife scientists, author Emma Bland Smith imagines the wolf's experiences in close detail as he makes an epic 2,000-mile trek over three years time. The wolf's story is interwoven with the perspective of a young girl who follows his trek through the media. As she learns more about wolves and their relationships with humans, she becomes determined to find a way to keep him safe by making him a wolf that is too famous

to harm. "A young girl follows the wolf's journey and, along the way, learns about issues around the re-introduction of wolves. It's an opportunity to engage young readers beyond the story." —Herald Net

Midnight Aug 25 2022 A foal is born at midnight, on the homestead side of the river. Coal black. Star ablaze. Moonlight in her eyes. On October 31, 1917, the 4th and 12th Regiments of the Australian Light Horse took part in one of the last great cavalry charges in history. Among the first to leap the enemy trenches was Lieutenant Guy Haydon riding his beloved mare, Midnight. This is their story.

Wild Rose Sep 01 2020 For sheer bravado and style, no woman in the North or South rivaled the Civil War heroine Rose O'Neale Greenhow. Fearless spy for the Confederacy, glittering Washington hostess, legendary beauty and lover, Rose Greenhow risked everything for the cause she valued more than life itself. In this superb portrait, biographer Ann Blackman tells the surprising true story of a unique woman in history. "I am a Southern woman, born with revolutionary blood in my veins," Rose once declared—and that fiery spirit would plunge her into the center of power and the thick of adventure. Born into a slave-holding family, Rose moved to Washington, D.C., as a young woman and soon established herself as one of the capital's most charming and influential socialites, an intimate of John C. Calhoun, James Buchanan, and Dolley Madison. She married well, bore eight children and buried five, and, at the height of the Gold Rush, accompanied her husband Robert Greenhow to San Francisco. Widowed after Robert died in a tragic accident, Rose became notorious in Washington for her daring—and numerous—love affairs. But with the outbreak of the Civil War, everything changed. Overnight, Rose Greenhow, fashionable hostess, become Rose Greenhow, intrepid spy. As Blackman reveals, deadly accurate intelligence that Rose supplied to General Pierre G. T. Beauregard written in a fascinating code (the code duplicated in the background on the jacket of this book). Her message to Beauregard turned the tide in the first Battle of Bull Run, and was a

brilliant piece of spycraft that eventually led to her arrest by Allan Pinkerton and imprisonment with her young daughter. Indomitable, Rose regained her freedom and, as the war reached a crisis, journeyed to Europe to plead the Confederate cause at the royal courts of England and France. Drawing on newly discovered diaries and a rich trove of contemporary accounts, Blackman has fashioned a thrilling, intimate narrative that reads like a novel. Wild Rose is an unforgettable rendering of an astonishing woman, a book that will stand with the finest Civil War biographies.

Ugly Child Oct 15 2021 An horrific true story of extreme bullying and childhood sexual abuse. Kate Skylark has previously co-authored two books about child abuse. But now, it's time for Kate (real name Siobhan) to tell her own story. Ugly Child, is a moving and shocking account of Siobhan's own childhood bullying and sexual abuse. Siobhan's life at school is a nightmare of constant verbal and physical attacks. As the abuse escalates, Siobhan begins to fear for her life and she must take drastic action to escape the torment. The story builds to a crescendo and one final, shocking act of sexual violence changes the lives of all concerned for ever. This is a story of extreme bullying, sexual abuse and heartbreak. But ultimately it is also one of forgiveness and redemption, as Siobhan learns to lay to rest the ghosts of her past. For every book sold, a donation will be made to the NSPCC.
