The Overstory: A Novel Jun 05 2021 Winner of the Pulitzer Prize in Fiction Shortlisted for the Man Booker Prize New York Times Bestseller A New York Times Notable Book and a Washington Post, Time, Oprah Magazine, Newsweek, Chicago Tribune, and Kirkus Reviews Best Book of 2018 "The best novel ever written about trees, and really just one of the best novels, period." —Ann Patchett The Overstory, winner of the 2019 Pulitzer Prize in Fiction, is a sweeping, impassioned work of activism and resistance that is also a stunning evocation of—and paean to—the natural world. From the roots to the crown and back to the seeds, Richard Powers’s twelfth novel unfolds in concentric rings of interlocking fables that range from antebellum New York to the late twentieth-century Timber Wars of the Pacific Northwest and beyond. There is a world alongside ours—vast, slow, interconnected, resourceful, magnificently inventive, and almost invisible to us. This is the story of a handful of people who learn how to see that world and who are drawn up into its unfolding catastrophe.

Body Work May 24 2020 Memoir meets craft masterclass in this “daring, honest, psychologically insightful” exploration of how we think and write about intimate experiences—“a must read for anybody shoving a pen across paper or staring into a screen or a past” (Mary Karr) In this bold and exhilarating mix of memoir and master class, Melissa Febos tackles the emotional, psychological, and physical work of writing intimately while offering an utterly fresh examination of the storyteller’s life and the questions which run through it. How might we go about capturing on the page the relationships that have formed us? How do we write about our bodies, their desires and traumas? What does it mean for an author’s way of writing, or living, to be dismissed as “navel-gazing”—or else hailed as “so brave, so raw”? And to whom, in the end, do our most intimate stories belong? Drawing on her own path from aspiring writer to acclaimed author and writing professor—via addiction and recovery, sex work and academia—Melissa Febos has created a captivating guide to the writing life, and a brilliantly unusual exploration of subjectivity, privacy, and the power of divulgence. Candid and inspiring, *Body Work* will empower readers and writers alike, offering ideas—and occasional notes of caution—to anyone who has ever hoped to see themselves in a story.

The Chelsea Girls Dec 11 2021 The bright lights of the theater district, the glamour and danger of 1950s New York, and the wild scene at the iconic Chelsea Hotel come together in a dazzling new novel about a twenty-year friendship that will irrevocably change two women's lives—from the New York Times bestselling author of *The Lions of Fifth Avenue*. From the dramatic redbrick facade to the sweeping staircase dripping with art, the Chelsea Hotel has long been New York City's creative oasis for the many artists, writers, musicians, actors, filmmakers, and poets who have called it home—a scene playwright Hazel Riley and actress Maxine Mead are determined to use to their advantage. Yet they soon discover that the greatest obstacle to putting up a show on Broadway has nothing to do with their art, and everything to do with politics. A Red Scare is sweeping across America, and Senator Joseph McCarthy has started a witch hunt for communists, with those in the entertainment industry in the crosshairs. As the pressure builds to name names, it is more than Hazel and Maxine's Broadway dreams that may suffer as they grapple with the terrible consequences, but also their livelihood, their friendship, and even their freedom. Spanning from the 1940s to the 1960s, *The Chelsea Girls* deftly pulls back the curtain on the desperate political pressures of McCarthyism, the complicated bonds of female friendship, and the siren call of the uninhibited Chelsea Hotel.

The Beauty of Dusk Jul 26 2020 From New York Times columnist and bestselling author Frank Bruni comes “a book about vision loss that becomes testimony to human courage, a moving memoir that offers perspective, comfort, and hope” (Booklist, starred review). One morning in late 2017, New York Times columnist Frank Bruni woke up with strangely blurred vision. He wondered at first if some goo or gunk had worked its way into his right eye. But this was no fleeting annoyance, no fixable inconvenience. Overnight, a rare stroke had cut off blood to one of his optic nerves, rendering him functionally blind in that eye—forever. And he soon learned from doctors that the same disorder could ravage his left eye, too. He could lose his sight altogether. In this “moving and inspiring” (The Washington Post) memoir, Bruni beautifully recounts his adjustment to this daunting reality, a medical and spiritual odyssey that involved not only reappraising his own priorities but also reaching out to, and gathering wisdom from, longtime friends and new acquaintances who had navigated their own traumas and afflictions. The result is a poignant, probing, and ultimately “a positive message, a powerful reminder that with great vulnerability also comes great reward” (Oprah Winfrey). Bruni’s world blurred in one sense, as he experienced his first real inklings that the day isn’t forever and that light inexorably fades, but sharpened in another. Confronting unexpected hardship, he felt more blessed than ever before. *The Beauty of Dusk* is “a wonderful book. Honest. Poetic. Uplifting.” (Lesley Stahl).

Count the Ways Oct 21 2022 In her most ambitious novel to date, New York Times bestselling author Joyce Maynard returns to the themes that are the hallmarks of her most acclaimed work in a mesmerizing story of a family—from the hopeful early days of young marriage to parenthood, divorce, and the costly aftermath that ripples through all their lives Eleanor and Cam meet at a crafts fair in Vermont in the early 1970s. She’s an artist and writer, he makes wooden bowls. Within four years they are parents to three children, two daughters and a red-headed son who fills his pockets with rocks, plays the violin and talks to God. To Eleanor, their New Hampshire farm provides everything she always wanted—summer nights watching Cam’s softball games, snow days by the fire and the annual tradition of making paper boats and cork people to launch in the brook every spring. If Eleanor and Cam don’t make love as often as they used to, they have something that matters more. Their family. Then comes a terrible accident, caused by Cam’s negligence. Unable to forgive him, Eleanor is consumed by bitterness, losing herself in her life as a mother, while Cam finds solace with a new young partner. Over the decades that follow, the five members of this fractured family make surprising discoveries and decisions that occasionally bring them together, and often tear them apart. Tracing the course of their lives—through the gender transition of one child and another’s choice to completely break with her mother—Joyce Maynard captures a family forced to confront essential, painful truths of its past, and find redemption in its darkest hours. A story of holding on and learning to let go, *Count the Ways* is an achingly beautiful, poignant, and deeply compassionate novel of home, parenthood, love, and forgiveness.

Anxious People Oct 09 2021 Instant #1 New York Times Bestseller A People Book of the Week, Book of the Month Club selection, and Best of Fall in Good Housekeeping, PopSugar, The Washington Post, New York Post, Shondaland, CNN, and more! “[A] quirky, big-hearted novel... Wry, wise, and often laugh-out-loud funny, it’s a wholly original story that delivers pure pleasure.” —People From the #1 New York Times bestselling author of *A Man Called Ove* comes a charming, poignant novel about a crime that never took place, a would-be bank robber who disappears into thin air, and eight extremely anxious strangers who find they have more in common than they ever imagined. Looking at real estate isn’t usually a life-or-death situation, but an apartment open house becomes just that when a failed bank robber bursts in and takes a group of strangers hostage. The captives include a recently retired couple who relentlessly hunt down fixer-uppers to avoid the painful truth that they can’t fix their own marriage. There’s a wealthy bank director who has been too busy to care about anyone else and a young couple who are about to have their first child but can’t seem to agree on anything, from where they want to live to how they met in the first place. Add to the mix an eighty-seven-year-old woman who has lived long enough not to be afraid of someone waving a gun in her face, a flustered but still-ready-to-make-a-deal real estate agent, and a mystery man who has locked himself in the apartment’s only bathroom, and you’ve got the worst group of hostages in the world. Each of them carries a lifetime of grievances, hurts, secrets, and passions that are ready to boil over. None of them is entirely who they appear to be. And all of them—the bank robber included—desperately crave some sort of rescue. As the authorities and the media surround the premises these reluctant allies will reveal surprising truths about themselves and set in motion a chain of events so unexpected that even they can hardly explain what happens next. Rich with Fredrik Backman’s “pitch-perfect dialogue and an unparalleled understanding of human nature” (Shelf Awareness), *Anxious People* is an ingeniously constructed story about the enduring power of friendship, forgiveness, and hope—the things that save us, even in the most anxious times.

Someone Apr 15 2022 A fully realized portrait of one woman's life in all its complexity, by the National Book Award-winning author An ordinary life—its sharp pains and unexpected joys, its bursts of clarity and moments of confusion—lived by an ordinary woman: this is the subject of *Someone*, Alice McDermott's extraordinary return, seven years after the publication of *After This*. Scattered recollections—of childhood, adolescence, motherhood, old age—come together in this transformative narrative, stitched into a vibrant whole by McDermott's deft, lyrical voice. Our first glimpse of Marie is as a child: a girl in glasses waiting on a Brooklyn stoop for her beloved father to come home from work. A seemingly innocuous encounter with a young woman named Pegeen sets the bittersweet tone of this remarkable novel. Pegeen describes herself as an “amadan,” a fool; indeed, soon after her chat with Marie, Pegeen tumbles down her own basement stairs. The magic of McDermott's novel lies in how it reveals us all as fools for this or that, in one way or another. Marie's first heartbreak and her eventual marriage; her brother's brief stint as a Catholic priest, subsequent loss of faith, and eventual breakdown; the Second World War; her parents' deaths; the births and lives of Marie's children; the changing world of her Irish-American enclave in Brooklyn—McDermott sketches all of it with sympathy and insight. This is a novel that speaks of life as it is daily lived; a crowning achievement by one of the finest American writers at work today. Part mystery, part war story, part romance." --Anthony Doerr, author of *All the Light We Cannot See* Vienna, 1914. Lucius is a twenty-two-year-old medical student when World War I explodes across Europe. Enraptured by romantic tales of battlefield surgery, he enlists, expecting a position at a well-organized field hospital. But when he arrives, at a commandeered church tucked away high in a remote valley of the Carpathian Mountains, he finds a freezing outpost ravaged by typhus. The other doctors have fled, and only a single, mysterious nurse named Sister Margarete remains. But Lucius has never lifted a surgeon's scalpel. And as the war rages across the winter landscape, he finds himself falling in love with the woman from whom he must learn a brutal, makeshift medicine. Then one day, an unconscious soldier is brought in from the snow, his uniform stuffed with strange drawings. Long Bright River Sep 08 2021 ONE OF BARACK OBAMA'S FAVORITE BOOKS OF THE YEAR NAMED A BEST BOOK OF THE YEAR BY NPR, PARADE, REAL SIMPLE, and BUZZFEED AN INSTANT NEW YORK TIMES BESTSELLER A GOOD MORNING AMERICA BOOK CLUB PICK "[Moore's] careful balance of the hard-bitten with the heartfelt is what elevates *Long Bright River* from entertaining page-turner to a book that makes you want to call someone you love." – The New York Times Book Review "This is police procedural and a thriller par excellence, one in which the city of Philadelphia itself is a character (think Boston and Mystic River). But it's also a literary tale narrated by a strong woman with a richly drawn personal life – powerful and genre-defying." – People "A thoughtful, powerful novel by a writer who displays enormous compassion for her characters. *Long Bright River* is an outstanding crime novel... I absolutely loved it." —Paula Hawkins, #1 New York Times bestselling author of *The Girl on the Train* Two sisters travel the same streets, though their lives couldn't be more different. Then one of them goes missing. In a Philadelphia neighborhood rocked by the opioid crisis, two once-inseparable sisters find themselves at odds. One, Kacey, lives on the streets in the vise of addiction. The other, Mickey, walks those same blocks on her police beat. They don't speak anymore, but Mickey never stops worrying about her sibling. Then Kacey disappears, suddenly, at the same time that a mysterious string of murders begins in Mickey's district, and Mickey becomes dangerously obsessed with finding the culprit--and her sister--before it's too late. Alternating its present-day mystery with the story of the sisters' childhood and adolescence, *Long Bright River* is at once heart-pounding and heart-wrenching: a gripping suspense novel that is also a moving story of sisters, addiction, and the formidable ties that persist between place, family, and fate.

The Masterpiece Dec 23 2022 In this captivating novel, New York Times bestselling author Fiona Davis takes readers into the glamorous lost art school within Grand Central Terminal, where two very different women, fifty years apart, strive to make their mark on a world set against them. For most New Yorkers, Grand Central Terminal is a crown jewel, a masterpiece of design. But for Clara Darden and Virginia Clay, it represents something quite different. For Clara, the terminal is the stepping stone to her future. It is 1928, and Clara is teaching at the lauded Grand Central School of Art. Though not even the prestige of the school can override the public's disdain for a "woman artist," fiery Clara is single-minded in her quest to achieve every creative success—even while juggling the affections of two very different men. But she and her bohemian friends have no idea that they'll soon be blindsided by the looming Great Depression...and that even poverty and hunger will do little to prepare Clara for the greater tragedy yet to come. By 1974, the terminal has declined almost as sharply as Virginia Clay's life. Dilapidated and dangerous, Grand Central is at the center of a fierce lawsuit: Is the once-grand building a landmark to be preserved, or a cancer to be demolished? For Virginia, it is simply her last resort.

Recently divorced, she has just accepted a job in the information booth in order to support herself and her college-age daughter, Ruby. But when Virginia stumbles upon an abandoned art school within the terminal and discovers a striking watercolor, her eyes are opened to the elegance beneath the decay. She embarks on a quest to find the artist of the unsigned masterpiece—an impassioned chase that draws Virginia not only into the battle to save Grand Central but deep into the mystery of Clara Darden, the famed 1920s illustrator who disappeared from history in 1931.

Turning to the world of mortals for companionship, she discovers that she does possess power -- the power of witchcraft, which can transform rivals into monsters and menace the gods themselves. Threatened, Zeus banishes her to a deserted island, where she hones her occult craft, tames wild beasts and crosses paths with many of the most famous figures in all of mythology, including the Minotaur, Daedalus and his doomed son Icarus, the murderous Medea, and, of course, wily Odysseus. But there is danger, too, for a woman who stands alone, and Circe unwittingly draws the wrath of both men and gods, ultimately finding herself pitted against one of the most terrifying and vengeful of the Olympians.
