When Apple's mother returns after eleven years of absence, Apple feels almost whole again. In order to heal completely, her mother will have to answer one burning question: Why did she abandon her? But just like the stormy Christmas Eve when she left, her mother's homecoming is bittersweet. It's only when Apple meets her younger sister, Rain-someone more lost than she is- that she begins to see things for how they really are, allowing Apple to discover something that might help her to feel truly whole again. From the author of the acclaimed *The Weight of Water* comes a beautifully-crafted, moving novel about family, betrayal, and the ultimate path to healing. Dad's wishing for rain, Mum's wishing for rain, I'm wishing for rain. Will the rain ever come? A Good Morning America Book Club Pick and New York Times Bestseller! From debut author Asha Lemmie, “a lovely, heartrending story about love and loss, prejudice and pain, and the sometimes dangerous, always durable ties that link a family together.” —Kristin Hannah, #1 New York Times–bestselling author of *The Nightingale* Kyoto, Japan, 1948.

*“Do not question. Do not fight. Do not resist.” Such is eight-year-old Noriko “Nori” Kamiza’s first lesson. She will not question why her mother abandoned her with only these final words. She will not fight her confinement to the attic of her grandparents’ imperial estate. And she will not resist the scalding chemical baths she receives daily to lighten her skin. The child of a married Japanese aristocrat and her African American GI lover, Nori is an outsider from birth. Her grandparents take her in, only to conceal her, fearful of a stain on the royal pedigree that they are desperate to uphold in a changing Japan. Obedient to a fault, Nori accepts her solitary life, despite her natural intellect and curiosity. But when chance brings her older half-brother, Akira, to the estate that is his inheritance and destiny, Nori finds in him an unlikely ally with whom she forms a powerful bond—a bond their formidable grandparents cannot allow and that will irrevocably change the lives they were always meant to lead. Because now that Nori has glimpsed a world in which perhaps there is a place for her after all, she is ready to fight to be a part of it—a battle that just might cost her everything. Spanning decades and continents, *Fifty Words for Rain* is a dazzling epic about the ties that bind, the ties that give you strength, and what it means to be free. It's raining, but one little boy can't wait to go outside for an adventure with his granddad. Behind every cloud there is sun. Nate always sees the bright side of life. While others complain about rain, Nate is happy about the frogs that it brings. When you might think there is nothing to do, Nate is just happy to enjoy the view. Instead of wanting more, Nate is grateful for what he's got. Smile along with Nate as he enjoys all the good things life has to offer. *She-Rain* sweeps across nearly a century, telling an unforgettable story with beauty, humor, and a devotion to the boundless power of love. For anyone going through a difficult passage, this uplifting, beautifully illustrated picture book is about finding optimism in the darkest of places. Rain before rainbows, clouds before sun, night before daybreak—a new day’s begun. In this heartfelt story about courage, change, and moving on, a*

girl and her companion fox travel together away from a sorrowful past, through challenging and stormy times, toward color and light and life. Along the way they find friends to guide and support them, and when the new day dawns, it is full of promise. With gorgeous, richly realized illustrations and immense hope at its heart, Rain Before Rainbows holds out a ray of sunshine for anyone looking for light. Can two people brought together by desperate circumstances help one another heal, and maybe even begin a new life? New York Times bestselling author Charles Martin's Send Down the Rain answers the questions of what it means—and what level of sacrifice it takes—to truly love someone. Allie is still recovering from the loss of her family's beloved waterfront restaurant on Florida's Gulf Coast when she loses her second husband to a terrifying highway accident. Devastated and losing hope, she shudders to contemplate the future—until a cherished person from her past returns. Joseph has been adrift for many years, wounded in both body and spirit and unable to come to terms with the trauma of his Vietnam War experiences. Just as he resolves to abandon his search for peace and live alone in a remote cabin in the Carolina mountains, he discovers a mother and her two small children lost in the forest. A man of character and strength, he instinctively steps in to help them get back to their home in Florida. There he will return to his own hometown—and witness the accident that launches a bittersweet reunion with his childhood sweetheart, Allie. When Joseph offers to help Allie rebuild her restaurant, it seems the flame may reignite—until a forty-five-year-old secret begins to emerge, threatening to destroy all hope for their second chance at love. Send Down the Rain will take you on a journey that spans the sweltering migrant worker routes of south Florida, muddy battlefields of Vietnam, thickets of northwest North Carolina, and the idyllic shores of America's most beautiful beach (Cape San Blas). At the story's center lies the question: What does it mean—and what level of sacrifice does it take—to truly love someone? Praise for Send Down the Rain: "Charles Martin understands the power of story and he uses it to

alter the souls and lives of both his characters and his readers.”—Patti Callahan Henry, New York Times bestselling author Full-length, stand-alone novel Includes discussion questions for book clubs Also by bestselling author Charles Martin: The Mountain Between Us, Chasing Fireflies, When Crickets Cry, and The Letter Keeper The award-winning writer Charles Mungoshi is recognised in Africa, and internationally, as one of the continent's most powerful writers today. This early novel deals with the pain and dislocation of the clash of the old and new ways - the educated young man determined to go overseas, and the elders of the family believing his duty is to stay and head the family. From the author of 44 Chapters About 4 Men (inspiration for the Netflix Original series, Sex/Life) comes an immersive dystopian romance unlike anything you’ve ever read. "Consider us hooked. Addicted. Dying for more! A genius, unique premise with complex, intriguing characters, this story took us on the ride of our lives, and we CAN'T WAIT FOR MORE!!!" - Max Monroe, New York Times Bestselling Author “None of this matters, and we’re all going to die.” With only three days left until the predicted apocalypse, the small town of Franklin Springs, Georgia, has become a wasteland of abandoned cars, abandoned homes, abandoned businesses, and abandoned people. People like Rainbow Williams. Rain isn’t afraid of dying. In fact, she’s looking forward to it. If she can just outrun her pain until April 23, she’ll never have to feel it at all. "Supplies. Shelter. Self-defense." Wes Parker has survived every horrible thing this life has thrown at him with nothing more than his resourcefulness and disarming good looks. Why should the end of the world be any different? All he needs are some basic supplies, shelter, and a sucker willing to help him out, which is exactly what he finds when he returns to his hometown of Franklin Springs. As society crumbles, dangers mount, and secrets refuse to stay buried, two lost souls are thrust together in a twist of fate—one who will do anything to survive and one who can’t wait to die. Perhaps, together, they can learn how to live. Before their time runs out. This book is a story of a woman who had a

*near-death experience 7 years ago. Through her story, you will explore the true meaning of hope, the importance of imagination, the impact of colorism, and even reveal the purpose of the rain in our life. As a result of his hard exterior and lonely tendencies, Tyler Steele finds himself a single father alone in the world - until a stranger and her daughter show up and change his life. Third generation Texas Ranger Tyler Steele is the last of a dying breed-- a modern day cowboy hero living in a world that doesn't quite understand his powerful sense of right and wrong and instinct to defend those who can't defend themselves. Despite his strong moral compass, Ty has trouble seeing his greatest weakness. His hard outer shell, the one essential to his work, made him incapable of forging the emotional connection his wife Andie so desperately needed. Now retired, raising their son Brodie on his own, and at risk of losing his ranch, Ty does not know how to rebuild from the rubble of his life. The answer comes in the form of Samantha and her daughter Hope, on the run from a seemingly inescapable situation. They are in danger, desperate, and alone. Though they are strangers, Ty knows he can help-- protecting the innocent is what he does best. As his relationship with Sam and Hope unfolds, Ty realizes he must confront his true weaknesses if he wants to become the man he needs to be. Published more than forty years ago, *The Desert Smells Like Rain* remains a classic work about nature, how to respect it, and what transplants can learn from the longtime residents of the Sonoran Desert, the Tohono O'odham people. In this work, Gary Paul Nabhan brings O'odham voices to the page at every turn. He writes elegantly of how they husband scant water supplies, grow crops, and utilize edible wild foods. Woven through his account are coyote tales, O'odham children's impressions of the desert, and observations of the political problems that come with living on both sides of an international border. Nabhan conveys the everyday life and extraordinary perseverance of these desert people. This edition includes a new preface written by the author, in which he reflects on his gratitude for the O'odham people who shared their knowledge with him.*

He writes about his own heritage and connections to the desert, climate change, and the border. He shares his awe and gratitude for O'odham writers and storytellers who have been generous enough to share stories with those of us from other cultural traditions so that we may also respect and appreciate the smell of the desert after a rain. Longtime residents of the Sonoran Desert, the Tohono O'odham people have spent centuries living off the land—a land that most modern citizens of southern Arizona consider totally inhospitable. Ethnobotanist Gary Nabhan has lived with the Tohono O'odham, long known as the Papagos, observing the delicate balance between these people and their environment. Bringing O'odham voices to the page at every turn, he writes elegantly of how they husband scant water supplies, grow crops, and utilize wild edible foods. Woven through his account are coyote tales, O'odham children's impressions of the desert, and observations on the political problems that come with living on both sides of an international border. Whether visiting a sacred cave in the Baboquivari Mountains or attending a saguaro wine-drinking ceremony, Nabhan conveys the everyday life and extraordinary perseverance of these desert people in a book that has become a contemporary classic of environmental literature.

Catherine is a fifteen year old schoolgirl who wishes she could just be that little bit more popular, and is sure that once she improves herself, everything will be brilliant, the taunts will stop, and everyone will accept her for who she is. Her new year's resolution is to lose weight, just like many of her friends. But whereas her friends tire quickly of their diets, Catherine is fuelled by self loathing and gets the results she wants - fast. She can't stop, and her diet rapidly becomes a nightmarish cycle of starving and tortuous exercise routines. As her body shuts down and begins to break, Catherine can feel her grip on life slipping away, and realise she doesn't want to die. But anorexia is an illness that doesn't like being cured, and how do you get better when you're the germ for your own disease? Illustrated text, letters, and diary excerpts follow the fictional Buckler family during the Great Depression, as they leave Oklahoma, because of drought and dust storms, and move to California to find work and a better life. Michael Madsen has been gaining ground since 2005 as a true rebel poet in the style of the classic beats and Charles Bukowski. His books have been an international success. Expecting Rain is his forthcoming work once again blending poetry and original photography and classic, never before seen, images from Michael Madsen's films. This book will be dedicated to the late and iconic Dennis Hopper. Intro by Jerry Hopkins. Jerry Hopkins is an American author and journalist. He is best known as the co-author (with Danny Sugerman) of No One Here Gets Out Alive (1980), the definitive biography of Jim Morrison of The Doors, which was a key source for Oliver Stone's film about the band. He has written nearly 30 books about music, food and travel, including three volumes on Elvis Presley. He has also written for Rolling Stone (where he was a contributing editor for 20 years), The Village Voice, GQ and numerous other publications. His most recent book as of December 2007 is an oral history of Don Ho. Since the early 1990s he has lived in Thailand. When droughts hit northeastern Brazil, thousands of rural workers are forced to abandon their homes for the cities in search of work. The double impact of drought and corruption—with politicians taking advantage of drought

to buy votes and pilfer government accounts—contributes to an endless cycle of human suffering. In order to understand the impact of drought and the phenomenon of drought politics, Nicholas Gabriel Arons goes beyond traditional social-science scholarship to sources such as novels, poetry, popular art, and oral history. For many people in the region, these artistic renditions of life are, ironically, a better reflection of reality than political rhetoric, government archives, and newspaper accounts—even though they are infused with myth or hyperbole. Drawing on interviews with artists and poets and on his own experiences in the Brazilian Northeast, Arons has written a poignant account of how drought has impacted the region's culture. He intertwines ecological, social, and political issues with the words of some of Brazil's most prominent authors and folk poets to show how themes surrounding drought—hunger, migration, endurance, nostalgia for the land—have become deeply embedded in Nordeste identity. Through this tapestry of sources, Arons shows that what is often thought of as a natural phenomenon is actually the result of centuries of social inequality, political corruption, and unsustainable land use. Waiting for Rain dramatically depicts a region still suffering from austere social and political realities, where drought—even during rainy seasons—is ubiquitous in the hearts and minds of its residents. A book of hope and resistance, myth and reality, and suffering and salvation, it is also a personal narrative of self-discovery, tracing a young man's struggle to understand how human tragedy on a grand scale can exist alongside natural beauty. "Drawing on interviews with artists and poets and on his own experiences in the Brazilian Northeast, Arons has written an account of how drought has impacted the region's culture. Toby is protective of who he lets in until he meets Rain in Stamford. Can the secrets hiding among the villagers bring the two together? How innovation will save the United States--and Buffalo--from economic decline "Recreates the experience of living in Thailand's aqueous climate so viscerally that you can feel the water rising around your ankles." —Ron Charles, Washington Post "Important, ambitious, and accomplished." —Mohsin Hamid, New York Times bestselling author of Exit West A missionary doctor pines for his native New England even as he succumbs to the vibrant chaos of nineteenth-century Siam. A post-World War II society woman marries, mothers, and holds court, little suspecting her solitary fate. A jazz pianist in the age of rock, haunted by his own ghosts, is summoned to appease the house's resident spirits. In the present, a young woman tries to outpace the long shadow of her political past. And in a New Krungthep yet to come, savvy teenagers row tourists past landmarks of the drowned old city they themselves do not remember. Time collapses as these lives collide and converge, linked by the forces voraciously making and remaking the amphibious, ever-morphing capital itself. Bangkok Wakes to Rain is an elegy for what time erases and a love song to all that persists, yearning, into the unknowable future. Frye Gaillard has given us a deeply personal history, bringing his keen storyteller's eye to this pivotal time in American life. He explores the competing story arcs of tragedy and hope through the political and social movements of the times — civil rights, black power, women's liberation, the War in Vietnam, and the protests against it. But he also examines the cultural manifestations of change — music, literature, art, religion, and science — and so we meet not only the Brothers Kennedy, Martin Luther King Jr and Malcolm X, but also Gloria Steinem, Janis Joplin, Jimi Hendrix, Johnny Cash, Harper Lee, Mister Rogers, Rachel Carson, James Baldwin, Andy Warhol, Billy Graham, Thomas Merton, George

Wallace, Richard Nixon, Angela Davis, Barry Goldwater, the Beatles, Bob Dylan, and the Berrigan Brothers. "There are many different ways to remember the sixties," Gaillard writes, "and this is mine. There was in these years the sense of a steady unfolding of time, as if history were on a forced march, and the changes spread to every corner of our lives. As future generations debate the meaning of the decade, I hope to offer a sense of how it felt to have lived it. A Hard Rain is one writer's reconstruction and remembrance of a transcendent era — one that, for better or worse, lives with us still." A Kirkus Best Book of 2019! From the critically acclaimed author of Just Like Jackie comes a strikingly tender novel about one family's heartbreak and the compassion that carries them through, perfect for fans of Sara Pennypacker, Lisa Graff, and Ann M. Martin. It's been almost a year since Rain's brother Guthrie died, and her parents still don't know it was all Rain's fault. In fact, no one does—Rain buried her secret deep, no matter how heavy it weighs on her heart. So when her mom suggests moving the family from Vermont to New York City, Rain agrees. But life in the big city is different. She's never seen so many people in one place—or felt more like an outsider. With her parents fighting more than ever and the anniversary of Guthrie's death approaching, Rain is determined to keep her big secret close to her heart. But even she knows that when you bury things deep, they grow up twice as tall. Readers will fall in love with the pluck and warmth of Stoddard's latest heroine and the strength that even a small heart can lend."

Annie Bell can't escape the dust. It's in her hair, covering the windowsills, coating the animals in the barn, in the corners of her children's dry, cracked lips. It's 1934 and the Bell farm in Mulehead, Oklahoma is struggling as the earliest storms of The Dust Bowl descend. All around them the wheat harvests are drying out and people are packing up their belongings as storms lay waste to the Great Plains. As the Bells wait for the rains to come, Annie and each member of her family are pulled in different directions. Annie's fragile young son, Fred, suffers from dust pneumonia; her headstrong daughter,

Birdie, flush with first love, is choosing a dangerous path out of Mulehead; and Samuel, her husband, is plagued by disturbing dreams of rain. As Annie, desperate for an escape of her own, flirts with the affections of an unlikely admirer, she must choose who she is going to become."--Syndetics "A downpour of trials can be a force that destroys and washes away hope, or it can become a tool God uses to bring healing, growth, and new life to our hearts. Through God's Word, reflection questions, and prayers that you can personalize, these forty devotions deliver encouragement and hope, guiding you as you respond to circumstances. Writing space is provided throughout for collecting your thoughts and concerns, prayers and praises"--Page 2 of cover

Can Laci's faith help overcome the fear of what lies ahead in order to give Mitch her heart, or will she push him away to spare him from reliving a horrible tragedy in his past? When unexpected grief brings two families together, how do they start their journey to healing? Join Michael and Gina Spehn--bestselling authors and founders of the New Day Foundation--as they tell their story of resilience, remembrance, and reliance on their shared faith. Matt Kell and Cathy Spehn had known each other since grade school. As adults, they each got married, lived in their hometown, and attended the same church. Their kids even attended school together. Matt died at home on Christmas Day after a three-year battle with cancer, leaving behind his wife, Gina, and two young boys. After attending Matt's inspirational funeral and reaching out to Gina with offers of support, Cathy was diagnosed with inoperable brain cancer. She died only 17 days later, leaving behind her husband, Michael, and three young children. In her final hours, Cathy instructed Michael to call Gina Kell. The Color of Rain illuminates the stepping stones of loss and healing that ultimately led to a joyful new life for Michael, Gina, and their five children. Their path to becoming a modern-day Brady Bunch was paved with grief, laughter, and the willingness to be restored to a new and even better life despite the inevitable resistance they faced. As you learn more about Michael and

Gina's story, you'll learn: The importance of keeping God at the center of your marriage How they navigated becoming a blended family The life-changing power of faith, even on your darkest days As their dual first-person narrative reveals what it is like to walk through loss and love simultaneously, you'll have an intimate look at how Michael and Gina lived, lost, and ultimately persevered through extraordinary circumstances. Praise for The Color of Rain: "The Color of Rain is a testament to God's restoration and grace. Even in our suffering, there is beauty. It rarely makes sense, but it's always true: 'He makes all things beautiful, in His time.'" --Katie Davis, New York Times bestselling author of Kisses from Katie "Michael and Gina Spehn's The Color of Rain is not only an instant bestseller but also an instant classic, certain to be pressed into the hands of hundreds of thousands of grieving men and women by their closest friends, for it is a book that is painfully honest about the depths of sorrow but also full of the joy of the hard path back from near despair. It is another reminder that God is there, however dark the day, and that he will comfort those who call on him." --Hugh Hewitt, bestselling author and radio host A chance meeting aboard an airplane brings two people together to face unexpected sorrows, joys and new hope in the rain. This novel shows the bonds of friendship under the strain of apartheid as two lifelong friends, Tengo and Frikkie, come of age amidst the tragedy of South Africa. Rose Howard is obsessed with homonyms. She's thrilled that her own name is a homonym, and she purposely gave her dog Rain a name with two homonyms (Reign, Rein), which, according to Rose's rules of homonyms, is very special. Not everyone understands Rose's obsessions, her rules, and the other things that make her different – not her teachers, not other kids, and not her single father. When a storm hits their rural town, rivers overflow, the roads are flooded, and Rain goes missing. Rose's father shouldn't have let Rain out. Now Rose has to find her dog, even if it means leaving her routines and safe places to search. Hearts will break and spirits will soar for this powerful story, brilliantly told

In Israel, the High Holiday cycle marks the transition from summer to the rainy season. In Waiting for Rain, the acclaimed teacher Bryna Levy offers a compelling collection of meditations that examine the biblical and liturgical readings associated with the High Holidays, from Rosh Hashanah to Simhat Torah. Based on a series of

lectures given in Jerusalem at Matan – the Women's Institute for Torah Studies, and known as "The Hoshana Rabbah Lectures," Levy's readings of the traditional texts echo the natural and spiritual tenor of this season. Waiting for Rain joins the field of biblical interpretation known as parshanut ha-mikrah. It offers fresh insights into traditional rabbinic interpretation, together with the author's perspective as a modern Orthodox woman bible scholar. Levy explores the psyches of the biblical characters and addresses issues such as our connectedness to others, the tragedy of wasted opportunity, confronting evil, the denial of death, faith and doubt, personal and communal responsibility, universalism versus particularism, the challenge of leadership, sin and atonement, and the efficacy of prayer. The result is a highly personal approach to the meaning of the High Holidays that resonates with our own modern lives. Stories about heroes and heroines, love, faith, hope, and dreams make this book a moving and engaging source for study and reflection as well as an excellent companion to the traditional High Holiday prayer services. From the dark prisons of South Africa to the tranquil streets of the holy city of Jerusalem... Young Margo Tanzer and her brother, Hanan, fight to straddle the privileged world they live in and the world in which they are becoming dangerously entrenched. How far would you go to protect the ones you love? Rain has taken care of Ethan all of their lives. Before she even knew what autism meant, she was her twin brother's connection to the world around him. Each day with Ethan is unvarying and predictable, and Rain takes comfort in being the one who holds their family together. It's nice to be needed—to be the center of someone's world. If only her longtime crush, Liam, would notice her too... Then one night, her life is upended by a mistake she can't undo. Suddenly Rain's new romance begins to unravel along with her carefully constructed rules. Rain isn't used to asking for help—and certainly not from Ethan. But the brother she's always protected is the only one who can help her. And letting go of the past may be the only way for Rain to hold onto her relationships that matter

most. Newbery Medalist Karen Hesse recreates the body and soul-renewing experience of a summer downpour after a sweltering city heat wave.
