If you love Jill Shalvis, Lori Wilde, and Susan Mallery, then you won't want to miss New York Times bestselling author Jennifer Ryan's riveting new novel about family, secrets, and a woman ready to embrace who she really is by facing down her past. As Sarah Anderson drives up to the house in Carmel, she knows she's on an impossible quest to make peace with the one person who truly hates her. For years, Sarah has hidden the truth about her late husband's lies from their children and their grandmother. When her mother-in-law, Margaret, threatens her with legal action to see the boys, Sarah strikes a bargain: she'll bring them for a six-week visit, hoping the boys, at least, will find connection and happiness with their extended family. It doesn't help that attorney and part-time rancher Luke Thompson lives right next door, and as an old friend of the family's he's agreed to investigate Sarah's past. Luke doesn't feel comfortable poking around in the very successful tech CEO's private life. What he finds is a truth very different from the one he's been led to believe. Far from being cold and unloving, Sarah is devoted to her boys and as at home on the ranch as she is in a boardroom. All Sarah ever wanted was a family, and all Luke wants now is her love. The time has come to reveal the terrible secrets that have been kept for so long. In losing the past, a new love—and family—can be found. The #1 New York Times bestselling series continues with a thrilling revelation -- three brand-new tribes of dragons!

Growing up in the hives, Cricket has always had a million questions. Why are trees forbidden, even in art? Why do her parents seem to hate her? And the biggest, most dangerous and secret question of all: Why is Cricket immune to Queen Wasp's powers? Whenever the queen takes control of all the HiveWings, speaking through their mouths and seeing through their eyes, Cricket has to hide, terrified of being discovered. Now she's hiding again, wanted for stealing the Book of Clearsight along with her new SilkWing friends, Blue and Swordtail, and the fierce LeafWing, Sundew. The fugitives need answers, and fast, in order to prevent a LeafWing attack. But Cricket has more questions than ever. How can she stay hidden and discover the queen's deadliest secret? And if she does succeed -- can a powerless dragonet really do anything to topple a regime and stop a war?

The #1 New York Times bestselling series continues! Snowfall didn't expect to be queen of the IceWings at such a young age, but now that she is, she's going to be the best queen ever. All she has to do is keep her tribe within IceWing territory, where it's safe -- while keeping every other tribe out, where they belong. It's a perfect and simple plan, backed up by all the IceWing magic Snowfall can find. That is, until a storm of unidentified dragons arrives on her shore, looking for asylum. The foreigners are completely strange and, Snowfall is certain, utterly untrustworthy. But as she escorts the miserable new tribes out of her kingdom, Snowfall

is forced to reconsider her plan. Maybe she can only keep her tribe safe . . . if she's willing to risk everything. Noble, with hooves and horn of gold, the unicorn is the embodiment of magic. When Princess Eleanor of England catches sight of him in Swinley Forest, she can't resist taking him back with her to Buckingham Palace.

Unfortunately, once the unicorn leaves the forest, both he and the forest begin to sicken. As the only witness to the unicorn's departure, Joyce, an intrepid and curious young fairy, sets out for London on a grand adventure to rescue the unicorn—and maybe help the princess while she's at it. This major source of Chinese mythology (third century BC to second century AD) contains a treasure trove of rare data and colorful fiction about the mythical figures, rituals, medicine, natural history, and ethnic peoples of the ancient world. The Classic of Mountains and Seas explores 204 mythical figures such as the gods Foremost, Fond Care, and Yellow, and goddesses Queen Mother of the West and Girl Lovely, as well as many other figures unknown outside this text. This eclectic Classic also contains crucial information on early medicine (with cures for impotence and infertility), omens to avert catastrophe, and rites of sacrifice, and familiar and unidentified plants and animals. It offers a guided tour of the known world in antiquity, moving outwards from the famous mountains of central China to the lands "beyond the seas." Translated with an introduction and

notes by Anne Birrell. The heir of ash and fire bows to no one. A new threat rises in the third book in the #1 bestselling Throne of Glass series by Sarah J. Maas. Celaena Sardothien has survived deadly contests and shattering heartbreak, but now she must travel to a new land to confront her darkest truth. That truth could change her life—and her future—forever. Meanwhile, monstrous forces are gathering on the horizon, intent on enslaving her world. To defeat them, Celaena will need the strength not only to fight the evil that is about to be unleashed but also to harness her inner demons. If she is to win this battle, she must find the courage to face her destiny—and burn brighter than ever before. The third book in the #1 New York Times bestselling Throne of Glass series continues Celaena's epic journey from woman to warrior. For centuries Mira has been a nightwalker—an unstoppable enforcer for a mysterious organization that manipulates earth-shaking events from the darkest shadows. But elemental mastery over fire sets her apart from others of her night-prowling breed . . . and may be all that prevents her doom. The foe she now faces is human: the vampire hunter called Danaus, who has already destroyed so many undead. For Mira, the time has come to hunt . . . or be hunted. This special edition of the #1 New York Times bestselling Wings of Fire series soars back in time to give readers a glimpse of Pyrrhia through new eyes. Atlantis. Is its story fact or fiction? While people no longer believe in the

Greek god Poseidon or in his son Atlantis, no one is really sure if there ever was a continent of Atlantis. Young readers can find out in this easy-reading tale. Discover the first four dragon-bite-sized Winglets stories from the #1 New York Times bestselling Wings of Fire series, now newly available together! The epic third novel in the #1 New York Times bestselling Court of Thorns and Roses series by Sarah J. Maas. Feyre has returned to the Spring Court, determined to gather information on Tamlin's actions and learn what she can about the invading king threatening to bring her land to its knees. But to do so she must play a deadly game of deceit. One slip could bring doom not only for Feyre, but for everything—and everyone—she holds dear. As war bears down upon them all, Feyre endeavors to take her place amongst the High Fae of the land, balancing her struggle to master her powers—both magical and political—and her love for her court and family. Amidst these struggles, Feyre and Rhysand must decide whom to trust amongst the cunning and lethal High Lords, and hunt for allies in unexpected places. In this thrilling third book in the #1 New York Times bestselling series from Sarah J. Maas, the fate of Feyre's world is at stake as armies grapple for power over the one thing that could destroy it. The New York Times bestselling series continues with a thrilling revelation -- brand-new tribes of dragons! Some secrets are deadly. It's no secret that Sundew wants to destroy the HiveWings. It's her life's

mission to exact revenge on the tribe that tried to wipe out the LeafWings and ripped every tree from the surface of Pantala. Every tree, that is, except the wild and dangerous Poison Jungle, where the surviving LeafWings have been hiding since the war. Hiding, plotting, and waiting for a dragon like Sundew, who is uniquely qualified to bring down the Hives. There are dark secrets in the jungle, though—some that Sundew is keeping, and some that she's only just beginning to discover. And now that a new war is upon them, Sundew and her friends must unearth the oldest secret in the jungle—even if what they find has the power to destroy them all. Everyone knows the legends... but does anyone know the truth?

Fiercetooth, a NightWing obsessed with what could have and should have been. Deathbringer, desperate to prove himself as the next great NightWing assassin. Six-Claws, a loyal SandWing, who will soon find that loyalty comes with a price. Foeslayer the NightWing, a dragon in love turned kidnapper, and Prince Arctic of the IceWings, a runaway turned captive. In these four short stories, dig deeper into the world of Pyrrhia to discover what really happened. The #1 New York Times bestselling series is hotter than ever, and this thrilling conclusion to the Lost Continent Prophecy arc is a must-read! With talons united . . . Luna has always wanted to change the world -- to fix it, to free it -- even if she's never actually known how. Now that all of dragon - and humankind are in mortal danger, Luna is flying

back home to Pantala with a team of dragons on a rescue mission, determined to be brave and useful. But saving a continent isn't as easy as a prophecy makes it sound, and "facing a great evil" definitely requires more than the fiery silk that Luna is uniquely able to create. As she fights her way to the abyss that hides the dark roots poisoning Pantala, Luna must uncover a long-buried secret and unite her friends, her enemies, and her own powers. If she doesn't, she won't get to change the world. She'll have to say goodbye to it -- forever. Some cities that once thrived have now disappeared, the sites sometimes turning into empty, ominous ruins. What dark secrets are hidden in these vanished cities? In this book, readers will explore the mysteries of the world's most famous lost cities and learn how these intriguing places were rediscovered. Among the 11 spooky places highlighted are the abandoned remains of a futuristic vacation town that was said to be cursed, and the crumbling ruins of an industrial town on an eerily deserted island. Fascinating histories and haunting photographs will keep kids turning the pages for more. WINGS OF FIRE comes to a thrilling conclusion in this action-packed finale! It all comes down to this: The Dragonets of Destiny must finally bring the epic war to an end, reconcile the seven tribes, and choose the next queen of Pyrrhia... and make it out alive. HERMIA: the perfect would-be Juliet in Athenwood High's upcoming spring production. Ok, maybe her only roles thus far have been trees

-- but this future star is ready to break out and wow the world! They wouldn't even think about giving the part to her more obviously Juliet-like best friend ... HELENA: a believer in true love. She's prepared to wait as long as it takes for her perfect soul mate. But with the limited Romeo selection at Athenwood High School, she thinks she might have to wait forever -- until she meets ... DMITRI: the new guy. He's sultry, he's mysterious, and he's trying out for the lead in the school play. Helena is sure it's fate, Hermia thinks something's fishy, but the only one who knows the truth about him is ... ALEX: Hermia's best-friend-turned-secret-love-interest. He's smart, he's adorable, and, like a typical guy, he's absolutely clueless that Hermia is head-over-heels crushing on him! Or is he? The stage is set for mayhem, magic, and misunderstandings. It might be hilarious, it may be crazy, but in the end, it must be love! Turtle the SeaWing dragon has long dreamed of being a hero, but when the companion inadvertently free Darkstalker, the oldest and most powerful dragon, from the spell that has trapped him, the best he can come up with is a spell that prevents the ancient dragon from seeing him or hearing his thoughts--Darkstalker claims he has changed, but Turtle suspects that he still plans to control dragonkind. For generations, four clans of wild cats have shared the forest. When their warrior code is threatened by mysterious deaths, a house cat named Rusty may turn out to be the bravest

warrior of all. Wholeness is about removing invisible boundaries from our lives that keep us from realizing our highest potential. In order to live an outer life without limits, we have to uncover and address the inner limitations that hide in our blind spots. This life-changing book explains that regardless of where you are in life, Wholeness will take you higher. Wholeness will elevate your sense of fulfillment in life, produce healthier, more rewarding relationships, and will position you for optimum success in every endeavor. International thought leader and pastor Touré Roberts explains we can't always choose the experiences that keep us from being whole, but we can take control of our lives today and bring healing to any broken area. Key chapters include an in-depth relationship guide titled "Two Halves Don't Make a Whole." "The Cracked Mirror" shows how unprocessed experiences can negatively shape our view of self, others, and the world around us. "Ghosts of the Past" gives powerful, practical tools for avoiding the traps of the past and ensuring that we enter into the amazing future that God has planned for us. Wholeness is filled with wisdom garnered from Touré's own life--raised by a single mom, narrowly escaping the trappings of inner-city life, and finding success in corporate America. His insight is further broadened by his role as founder of one of the most influential churches in the nation, with over fourteen years pastoring thousands of millennials, couples, families, and

a diverse group of individuals. Wholeness will take you on a transformational journey that won't leave you the same. Concluding with a "Wholeness Test," Wholeness will help you track and maintain your progress while walking out your journey to your full potential. A thrilling new series soars above the competition and redefines middle-grade fantasy fiction for a new generation! The seven dragon tribes have been at war for generations, locked in an endless battle over an ancient, lost treasure. A secret movement called the Talons of Peace is determined to bring an end to the fighting, with the help of a prophecy--a foretelling that calls for great sacrifice. Five dragonets are collected to fulfill the prophecy, raised in a hidden cave and enlisted, against their will, to end the terrible war. But not every dragonet wants a destiny. And when the select five escape their underground captors to look for their original homes, what has been unleashed on the dragon world may be far more than the revolutionary planners intended... This must-have collection includes the first three novels in the Wings of Fire series: \* Wings of Fire Book One: The Dragonet Prophecy \*Wings of Fire Book Two: The Lost Heir \*Wings of Fire Book Three: The Hidden Kingdom The New York Times bestselling Wings of Fire series soars to new heights in this graphic novel adaptation! "[This is] the book we needed to read yesterday... a book we will still be reading tomorrow." - Porochista Khakpour, author of Sick and Sons and

Other Flammable Objects Anita Felicelli's debut collection delivers a dazzling array of precisely drawn characters searching for identity in the seemingly narrow spaces of their everyday lives. From the glittering heat of India to the palm-lined streets of Silicon Valley, the backwoods of Kentucky to the vanilla-bean fields of Madagascar, immigrants, daughters, and lovers explore what it means to lose and to love, to continually reinvent oneself while honoring the personal histories and lost continents that shape us all. Determined to end a generations-long war among the seven dragon tribes, a secret movement called the Talons of Peace draws on a prophecy that calls for a great sacrifice, compelling five appointed dragonets to fulfill a painful destiny against their will. For centuries there have been rumors of another continent on the dragons' planet -- another land far across the ocean, populated by tribes of dragons very different from those we know. But there's never been any evidence, and most dragons dismissed t "I come from Des Moines. Somebody had to." And, as soon as Bill Bryson was old enough, he left. Des Moines couldn't hold him, but it did lure him back. After ten years in England he returned to the land of his youth, and drove almost 14,000 miles in search of a mythical small town called Amalgam, the kind of smiling village where the movies from his youth were set. Instead he drove through a series of horrific burgs, which he renamed Smellville, Fartville, Coleslaw, Coma,

and Doldrum. At best his search led him to Anywhere, USA, a lookalike strip of gas stations, motels and hamburger outlets populated by obese and slow-witted hicks with a partiality for synthetic fibres. He discovered a continent that was doubly lost: lost to itself because he found it blighted by greed, pollution, mobile homes and television; lost to him because he had become a foreigner in his own country. The #1 New York Times and USA Today bestselling Wings of Fire series flies to another epic adventure, this time in the secretive Rainforest Kingdom, where only the quickest and cleverest dragonets survive. Deep in the rain forest, danger awaits . . . Glory the knows that the dragon world is wrong about her being a lazy RainWing. Maybe she wasn't meant to be one of the dragonets of destiny, but Glory is sharp and her venom is deadly . . . even if it's also still a secret. So when the dragonets seek shelter in the rain forest, Glory is devastated to find that the treetops are full of RainWings who nap all day and know nothing of the rest of Pyrrhia. Worst of all, they don't realize -- or care -- that RainWings are going missing from their beautiful forest. But Glory and the dragonets are determined to find the missing dragons, even if it drags the peaceful RainWing kingdom where they never wanted to be -- into the middle of the war. 'Lost Cities' examines the search for lost cities and the important artifacts within them that can offer us an extraordinary window on to the past. Part of

the Treasure Hunters series, 'Lost Cities' offers a crosscurricular mix of science & technology and history & civilizations, with a fun, dramatic approach. Cities covered in the book include Pompeii, Troy, the desert city of Ubar, and the Inca city of Machu Picchu. The book also looks at the motives for these searches, and the importance of responsible archaeology: were the treasure hunters driven by personal greed or glory, or did they embark on their quest with a historical interest and a desire to preserve the lost treasures? In the next chapter of a fantasy series featuring five unforgettable sisters—the warrior, the magician, the lover, the zealot, and the gossip—an insidious threat jeopardizes a fragile peace. Four years have passed since the five royal sisters—daughters of the king—worked together to restore their father to health and to the throne while fracturing the bonds among themselves almost irreparably. Only Bluebell remains at home, dutifully serving as heir to her father's kingdom. Rose has been cast aside by her former husband and hides in exile with her aunt, separated forever from her beloved daughter, Rowan. Ash wanders the distant wastes with her teacher, learning magic and hunting dragons, determined that the dread fate she has foreseen for herself and her loved ones never comes to pass. Ivy rules over a prosperous seaport, married to an aged husband she hates yet finding delight in her two young sons and a handsome captain of the guard. And as for Willow, she

hides the most dangerous secret of all—one that could destroy all that the sisters once sought to save. The saga begins in . . . DAUGHTERS OF THE STORM “Five stubborn royal sisters continue to pursue their intersecting and often conflicting destinies in this follow-up to the Viking-inspired epic fantasy Daughters of the Storm. . . . The story gathers more depth and originality in this solidly action-packed middle volume, with the promise of more plot development—and probably a hefty dose of tragedy—to come.”—Kirkus Reviews

The first-ever special edition of the New York Times bestselling Wings of Fire series soars back in time to the origin of Pyrrhia's most dangerous dragon: Darkstalker. Three dragons. One unavoidable, unpredictable destiny. This is the beginning... of the end. In the SeaWing kingdom, a young prince learns he is an animus -- capable of wonderful magic that comes with a terrible price. In the mind of a NightWing dragonet, a thousand futures unfold -- and almost all of them, she knows, lead to disaster and destruction. And under three full moons and the watchful eyes of his NightWing mother and IceWing father, the most powerful dragon Pyrrhia will ever know is clawing his way out of his egg. Darkstalker, the dragon who will change the world forever. Long before the SandWing war, lifetimes before the Dragonet Prophecy... darkness is born. The #1 bestselling Wings of Fire series soars underwater, where danger and destiny await the dragonets! The lost heir to the SeaWing throne is going home at last. She can't believe it's finally happening: Tsunami and her fellow dragonets of destiny are

journeying under the water to the great SeaWing Kingdom. Stolen as an egg from the royal hatchery, Tsunami is eager to meet her future subjects and reunite with her mother, Queen Coral. But Tsunami's triumphant return doesn't go quite the way she'd imagined. Queen Coral welcomes her with open wings, but a mysterious assassin has been killing off the queen's heirs for years, and Tsunami may be the next target. The dragonets came to the SeaWings for protection, but this ocean hides secrets, betrayal -- and perhaps even death. What's a nice tiefling like Jester doing in a party like the Mighty Nein? Jester Lavorre had an unconventional upbringing, even for one born in cosmopolitan Nicodranas. Daughter of the famed Ruby of the Sea, she had many opportunities for mischief as a small child, of which she took full advantage! Dive into the mystery of Jester's early years, her first meeting with the Traveler, and the fateful events that set her on a path to eventually join the Mighty Nein. Jester's story is brought to life by writer Sam Maggs (Captain Marvel; The Unstoppable Wasp) with art by Hunter Severn Bonyun, in direct consultation with Laura Bailey! It's available as a gorgeous hardcover, ready to take its place in your Critical Role library! A Houston reporter-turned-mixologist mixes it up with murder in this series debut from Michelle Hillen Klump, superbly catering to fans of Diane Mott Davidson and Lee Hollis. Bad news for Samantha Warren: The plucky Houston, Texas,

reporter lost her job and her fiancé in rapid succession. But Sam has a way of making lemonade out of the bitterest of lemons. At a meeting of the local historical-homes council, she serves up the homemade bitters that she made as gifts for her wedding party. She intends to use that as her "in" to become an in-demand party mixologist. But the party's over for one of the council members, who keels over dead soon after he sips the bereft bride's bitter brew. It turns out that the victim, Mark, was poisoned—his drink spiked with oleander. Since Sam mixed the drink that Mark imbibed right before his demise, she finds herself at the front of the suspect line. Now, she'll have to use all of her reporter's wisdom and wiles to clear her name. Who could have wanted Mark dead? His wife, Gabby? His girlfriend, Darcy? Someone who wanted his seat on the council? Or another citizen of this sweet Texas town that holds some seedy secrets? Job hunting, building her mixology business, and fending off late-night phone calls from her nearly betrothed don't leave much time for sleuthing. But if Sam can't "pour" over the clues to find the killer, it may soon be last call for her. "When Moonwatcher, a young NightWing with secret powers, begins school at the academy started by the dragonets of destiny after the end of the war, she soon realizes that someone is attacking the students. Moon must choose whether to help or continue to hide her gifts"-- The #1 New York Times bestselling series continues with

a thrilling revelation -- brand-new tribes of dragons! Blue the SilkWing is content. Life in his Hive is safe; he loves his family; he has enough to eat. And Pantala has been at peace for as long as he can remember -- SilkWings and HiveWings live and work together in harmony, and because they stay vigilant, no one has seen a dangerous LeafWing in years. Now that Blue's sister, Luna, is undergoing her Metamorphosis, Blue knows things are going to change. Luna will have her wings and her silk, be assigned a partner and a work order, and move to another Hive. A few days later, Blue's own wings and silk will come in. But nothing could prepare Blue for what happens when Luna's wings start to grow. Suddenly his world is turned upside down, throwing him into dangers he never knew existed. Pantala isn't as peaceful as it seems, and Blue isn't safe. Whether he's ready or not, it's time to adapt -- and fight for his life. After finding another continent on the planet, the dragons discover a new tribe. When a young NightWing has the first prophecy in generations of the end of Pyrrhia, five young dragons are tasked with saving the world. The #1 New York Times bestselling Wings of Fire series soars to new heights in the fourth graphic novel adaptation! In the shadows, trouble is brewing . . . When Starflight is stolen by his own tribe, he hopes to at least discover some of the long-held NightWing secrets -- what magical powers they really have, who they're allied with in the war,

and where they've been living all this time. But the truth about Starflight's tribe is more terrible than he ever imagined: Not only do the NightWings live in a dark, miserable place, but they've imprisoned several innocent RainWings there, too. Stranded and alone, Starflight only wants to get back to his friends. But the fate of two kingdoms now rests in his talons, and with no one to save him, Starflight will have to find a way to be brave . . . before it's too late.
