Tumor Immunology and Immunotherapy Feb 25 2020 Patients are beginning to benefit from antibody based, cellular and vaccine approaches that are effective against genetically diverse and therapy-resistance cancers. BCG immunotherapy is now being used as a first line treatment for human bladder cancer and the introduction of prophylactic vaccination against Hepatitis B and HPV cancers is starting to show positive results. Following recent FDA approval for a vaccination against prostate cancer, and optimistic results in clinical trials for a vaccine targeting cancer antigens in lung cancer, cancer immunotherapy is now significantly impacting patient clinical management. Tumor Immunology and Immunotherapy provides an up-to-date and comprehensive account of cancer immunity and immunotherapy. It discusses our adaptive and innate immunity to cancer, the mechanisms underpinning our immune response, current approaches to cancer immunotherapy, and how tumour and host responses can circumvent effective anti-cancer immunity. The book examines recent results, publications and current areas of interest including 'immune editing' and the specific issues that are affecting the research and development of vaccines, providing insight into how these problems may be overcome, as viewed by world leaders in the field. Tumor Immunology and Immunotherapy will appeal to clinicians working in oncology and cancer immunotherapy, and research scientists including PhD and

masters students, post-doctoral researchers and senior investigators.

The Books of Catullus May 29 2020 The Books of Catullus is the first full English translation to take the Roman poet at his word. Simon Smith's versions are scholarly yet eccentric, mapping theme and register to contemporary equivalents (such as poem 16, which echoes Frank O'Hara). He divides Catullus's complete verses into three 'books', the form in which it is thought the poems were originally received. 'Smith gets the all-important rhythm of Catullus, whose meters, like all else about this poet, are deceptively complex', writes Vincent Katz. 'He achieves a delicious frisson again and again by fusing the classical and the contemporary. The reader is repeatedly pleased by unexpected

felicities.' (Peter Hughes)

Francis Alÿs: Children's Games Jun 10 2021 A remarkable chapter in the now extensive body of work of Francis Alÿs is his impressive series on children's games played all over the world. This collection of short videos has been steadily growing since 1999. The most recent addition to the series is number 18, featuring children playing knucklebones in Nepal (*Children's Games 18 / Knucklebones, Kathmandu, Nepal, March 2017*). In other videos, children kick a bottle up a steep street in Mexico City, play roughly with crickets in Venezuela, fly kites in Afghanistan, and ricochet stones on the sea near Tangier in Morocco.00The exhibition is accompanied by a richly illustrated English-language publication specifically devoted to the

Children's Games. With contributions by curator and art historian Cuauhtémoc Medina and David MacDougall, ethnographer and filmmaker. Medina places the Children's Games series in Alÿs' wider oeuvre. In his essay, MacDougall reflects on the limited research on children in ethnographic studies in general and the field of visual anthropology in particular.00Exhibition: Eye Filmmuseum, Amsterdam, The Netherlands (19.12.2019 - 08.03.2020).

Cultural Performance Mar 20 2022 This engaging text introduces the burgeoning and interdisciplinary field of cultural performance, offering ethnographic approaches to performance as well as looking at the aesthetics of experience and performance theory. Examining cultural performance from anthropological, geographical and corporeal standpoints, this book offers many examples of the ways in which performance art and entertainment utilize cultural methods to deepen and enrich the practice. Featuring case studies from a rich cross-section of academics, chapters explore performances from regions as far flung as Bhutan, Ethiopia, Ghana, Indonesia, Ireland, New Zealand and the USA. With cultural performances as varied as Catholic rituals, Maori ceremonies, Monster Truck rallies, musicals, theatre and singing performances, this fascinating text compares performance as art and performance as cultural expression. Core reading for introductory and interdisciplinary modules on performance, this is also an ideal text for upper undergraduate and postgraduate students of performance, visual arts, cultural studies or ethnography.

Not Working Jan 18 2022 In the tradition of Jennifer Close's

Girls in White Dresses comes a “a pin-sharp, utterly addictive debut” (Vogue U.K.) told in vignettes that speak to a new generation not trying to have it all but hoping to make sense of it all. “Everyone’s been talking about this book. . . . Charming and funny, this read is simply delightful.”—Bustle “A deadpan comic debut for the procrastination generation.”—The Guardian Claire Flannery has just quit her office job, hoping to take some time to discover her real passion. The problem is, she’s not exactly sure how to go about finding it. Without the distractions of a regular routine, Claire confronts the best and worst parts of herself: the generous, attentive part that visits her grandmother for tea and cooks special meals for her boyfriend, Luke, and the part that she feels will never measure up and makes regrettable comments after too many glasses of wine. What emerges is a candid, moving portrait of a clear-eyed heroine trying to forge her own way, a wholly relatable character whose imperfections and uncanny observations highlight what makes us all different and yet inescapably linked. Praise for Not Working “Ruefully funny . . . features a kind of millennial Bridget Jones whose red wine—and–TED Talk–fueled pursuit of a higher purpose in life leads to hard truths and hangovers.”—Vogue “In this laugh-out-loud debut, Claire Flannery is a lost soul who quits her day job to discover her true passion. In taking a hard look at her own character, Claire finds that her loveable qualities are sometimes squashed by mistakes, like the evenings she blurts inappropriate remarks after too many glasses of wine. [Lisa] Owens’s story is a smart, relatable and delicious debut.”—Harper’s Bazaar “It’s no mean feat to fashion a novel out of the stuff of everyday life. . . . Fortunately, Owens is quite a writer. . . . Not Working works

because there is lots going on beneath its placid, ordinary surface. . . . With this funny, serious debut, Lisa Owens has proved that she's one to watch."—The New Statesman "There are sharp observations about generational change, particularly on the topic of work. . . . The novel is a light read but it raises some timely issues. . . . A secure job with a future is not that easy to find, as Claire's comic and compelling tale serves to show. This book offers a form of catharsis for anyone who has felt that they are not quite doing their job right. . . . It is soothing to find you are not the only one noodling along in your career."—Financial Times "Stellar . . . [Owens has an] ability to take the potentially trite problem-of-the-privileged trope and deftly craft it into readable fun."—Publishers Weekly "Owens offers a millennial take on the traditional British chick-lit heroine. . . . Claire is a realistically awkward character who will appeal to readers looking for a less-angsty take on the new adult trend."—Booklist "A novel as insightful about the contemporary dilemmas facing young professionals as it is sharp, incisive and laugh-out-loud funny."—The Observer "Lots of people say they laugh out loud when they read a book they love. But in the case of *Not Working*, I really did laugh out loud, often and raucously."—Elisabeth Egan, author of *A Window Opens*

The Killing Kind Feb 16 2022 A hitman who only kills other hitmen winds up a target himself. - Winner of the Anthony Award for Best Novel- Nominated for the Lefty Award for Best World Mystery Novel- Nominated for the Best Thriller Barry Award- Nominated for the Macavity Award for Best First Mystery Michael Hendricks kills people for money. That aside, he's not so bad a guy. Once a covert operative for a false-flag unit of the US

military, Hendricks was presumed dead after a mission in Afghanistan went sideways. He left behind his old life--and beloved fiancée--and set out on a path of redemption...or perhaps one of willful self-destruction. Now Hendricks makes his living as a hitman entrepreneur of sorts--he only hits other hitmen. For ten times the price on your head, he'll make sure whoever's coming to kill you winds up in the ground instead. Not a bad way for a guy with his skill-set to make a living--but a great way to make himself a target.

Black Experience and the Empire Aug 01 2020 This work explores the lives of people of sub-Saharan Africa and their descendants, how they were shaped by empire, and how they in turn influenced the empire in everything from material goods to cultural style. The black experience varied greatly across space and over time. Accordingly, thirteen substantive essays and a scene-setting introduction range from West Africa in the sixteenth century, through the history of the slave trade and slavery down to the 1830s, to nineteenth- and twentieth-century participation of blacks in the empire as workers, soldiers, members of colonial elites, intellectuals, athletes, and musicians. No people were more uprooted and dislocated; or travelled more within the empire; or created more of a trans-imperial culture. In the crucible of the British empire, blacks invented cultural mixes that were precursors to our modern selves - hybrid, fluid, ambiguous, and constantly in motion. SERIES DESCRIPTION The purpose of the five volumes of the Oxford History of the British Empire was

to provide a comprehensive study of the Empire from its beginning to end, the meaning of British imperialism for the ruled as well as the rulers, and the significance of the British Empire as a theme in world history. The volumes in the Companion Series carry forward this purpose by exploring themes that were not possible to cover adequately in the main series, and to provide fresh interpretations of significant topics

[A Lonely Man](#) Feb 04 2021 "Elegant . . . A superb suspense novel, imbued with moral and narrative complexity and an omnipresent low cloud cover of dread." —Maureen Corrigan, *The Washington Post* Two British men meet by chance in Berlin. Robert is trying and failing to finish his next book while balancing his responsibilities as a husband and father. Patrick, a recent arrival in the city, is secretive about his past, but eventually reveals that he has been ghostwriting the autobiography of a Russian oligarch. The oligarch has turned up dead, and Patrick claims to be a hunted man himself. Although Robert doubts the truth of Patrick's story, it fascinates him, and he thinks it might hold the key to his own foundering novel. Working to gain the other man's trust, Robert draws out the details of Patrick's past

while ensnaring himself ever more tightly in what might be either a fantasist's creation or a lethal international plot. Through an elegant existential game of cat and mouse, Chris Power's *A Lonely Man* depicts an attempt to create art at the cost of empathy. Robert must decide what is his for the taking—and whether some stories are too dangerous to tell.

Dial A for Aunties Dec 17 2021 "Sutanto brilliantly infuses comedy and culture into the unpredictable rom-com/murder mystery mashup as Meddy navigates familial duty, possible arrest and a groomzilla. I laughed out loud and you will too."—USA Today (four-star review) "A hilarious, heartfelt romp of a novel about—what else?—accidental murder and the bond of family. This book had me laughing aloud within its first five pages... Utterly clever, deeply funny, and altogether charming, this book is sure to be one of the best of the year!"—Emily Henry, New York Times bestselling author of *Beach Read* One of NPR's Best Books of 2021! One of PopSugar's "42 Books Everyone Will Be Talking About in 2021"! What happens when you mix 1 (accidental) murder with 2 thousand wedding guests, and then toss in a possible curse on 3 generations of an immigrant Chinese-Indonesian family? You get 4 meddling Asian aunties coming to the rescue! When Meddelin Chan ends up accidentally killing her blind date, her meddlesome mother calls for her even more meddlesome aunties to help get rid of the body. Unfortunately, a dead body proves to be a lot more challenging to dispose of than one might anticipate, especially when it is inadvertently shipped in a cake cooler to the over-the-top billionaire wedding Meddy, her Ma, and aunties are working at an island resort on the

California coastline. It's the biggest job yet for the family wedding business—"Don't leave your big day to chance, leave it to the Chans!"—and nothing, not even an unsavory corpse, will get in the way of her auntie's perfect buttercream flowers. But things go from inconvenient to downright torturous when Meddy's great college love—and biggest heartbreak—makes a surprise appearance amid the wedding chaos. Is it possible to escape murder charges, charm her ex back into her life, and pull off a stunning wedding all in one weekend?

INTP: Understanding and Relating with the Logician Sep 13 2021 Learn how INTPs view the world and what makes them tick! Read on your PC, Mac, smartphone, tablet or Kindle device! In *INTP: Understanding & Relating with the Logician*, you'll learn about the INTP Myers Brigg Personality Type. This book covers a variety of topics regarding INTPs (Introverted Intuitive Thinking Perception) and why they make such great analysts. INTPs are often referred to the great philosophers and researchers of the world. In this book, we'll begin by exploring why the MBTI test is important, before then digging into why INTPs make great leaders. From there, we'll venture into the greatest strengths and weaknesses of individuals who identify as INTPs. Finally, we'll explore what makes INTPs happy, and what they value in their personal relationships. We'll close by learning about ten famous INTPs and what you can learn from them. If you are an INTP, read this book to begin your quest in learning why you act the way you do and how you can come to appreciate who you are as an individual. Grab your copy today. Here is a preview of what is inside this book: Foreword An Introduction to MBTI The Four Dimensions of the MBTI Why is the Myers-

Briggs Type Indicator Significant? Uncovering the "Logician": Who is an INTP? Why are INTPs Indispensable Leaders? The 8 Greatest Strengths of an INTP The 3 Greatest Areas of Improvement for an INTP What Makes an INTP Happy? What are Some Common Careers of an INTP? Common Workplace Behaviors of an INTP INTP: Parenting Style and Values INTP and Friendship INTP: Romantic Partners 7 Actionable Steps for Overcoming Your Weaknesses as an INTP The 6 Most Influential INTPs We Can Learn From Conclusion An excerpt from the book: Great leaders can come from any of the 16 personality types. However, INTPs are known for being great leaders. Probably some of the most famous leaders were considered extroverts, but history has shown that some of the best leaders were actually introverts. Some of these include: the United States President, Barak Obama; Facebook founder and CEO, Mark Zuckerberg, and; Founder and former CEO of Microsoft, Bill Gates. Below are five reasons why INTPs make great leaders. 1. They Make Decisions Based on Theories and Facts INTPs are often not hasty thinkers and love utilizing theory and facts to make decisions. They want to ensure that their decisions were made based on facts as they are thinkers and not feelers. Because of this, they always want to make sure that they make the absolutely best decisions and will use theory and thought to help make these decisions. 2. They are Great Visionary Leaders When leading a team, INTPs tend to focus more into the future or their goals and make decisions that help in the realization of these goals. They love setting a vision for others to follow. When setting up a vision, they will use logical and concrete facts about the environment and determine what works best. Because of this,

they are able to share their vision well with their subordinates. They are great at showing why the vision works and describing the concrete direction everyone needs to have in order to fulfill that vision. God Save Texas Oct 27 2022 A New York Times Notable Book National Book Critics Circle Award Finalist An NPR Best Book of the Year *God Save Texas* is a journey through the most controversial state in America. It is a red state, but the cities are blue and among the most diverse in the nation. Oil is still king, but Texas now leads California in technology exports. Low taxes and minimal regulation have produced extraordinary growth, but also striking income disparities. Texas looks a lot like the America that Donald Trump wants to create. Bringing together the historical and the contemporary, the political and the personal, Texas native Lawrence Wright gives us a colorful, wide-ranging portrait of a state that not only reflects our country as it is, but as it may become—and shows how the battle for Texas’s soul encompasses us all.
