Isle of Woman Mar 20 2022 From the New York Times–bestselling author of the Xanth novels: An epic drama of two souls whose tragedies and triumphs span human history. Piers Anthony's *Isle of Woman* is a monumental epic of unprecedented drama and scope, retelling the saga of humankind in a unique and dramatic way. The culmination of more than a quarter century of research, it is a stunningly ambitious achievement from a master of imaginative fiction. At once grand in scope and intimate in human detail, *Isle of Woman* tells the story of a man and a woman born at the dawn of human history, separated by fate, yet united by an unquenchable passion that even time could not conquer: Blaze, the fire worker who raised his kind of savagery, and Ember, the beautiful green-eyed woman who forever haunted his dreams. Through their eyes and those of their descendants, we witness humanity's odyssey from savagery to civilization as they are reborn again and again throughout history. We share with these two eternal lovers an unforgettable odyssey of triumph, tragedy, and discovery that takes them from the African savannah to the ancient Middle East, from the South Pacific to the caves of northern Europe, from the court of imperial China to India during the British Raj, ending in a stunning reunion in an America in ruins only a few short years from now.

The Isle of Monte Cristo Jan 18 2022 This book of spiritual reflections is grounded in the life and work of Robert Lax, poet, seeker, and friend and contemporary monk of Thomas Merton. These meditations continue to explore his understanding of the divine Presence in everyday life. Drawing from a wide range of scholastic and creative experiences that highlight his faith journey Georgiou imparts how life is an inner pilgrimage that ultimately leads to the treasure of the Christ, hidden in our hearts. Georgiou's interior trek began on Patmos where St. John experienced the Revelation. There Georgiou serendipitously met Lax, (1915-2000), the much-beloved poet and hermit, who became his mentor. In this book a circle of love completes itself. As Br. Patrick Hart, last secretary to Thomas Merton, makes evident: "Like his mentor, Georgiou is now a teacher whose lesson-plan focuses on agape--the highest and purest form of love."

But it is deep in these woods that Hal and Alan become blood brothers and form an alliance with Ket the Red, the fiery-haired leader of a band of outlaws, to overthrow a tyrannical king. In their quest to establish a peaceful realm, they will fulfill a prophecy found in the Book of Suns. **The Sable Moon:** Lured across the seas by a powerful warlock, young Prince Trevyn of Isle is captured and enslaved. But he must escape and return, for the unprotected Isle and his beloved Meg are now at the mercy of the evil Wael. **The Black Beast:** After his father murdered his true love, Prince Tirell, along with the aid of his younger brother, Frain the healer, seeks an army to defeat the unrepentant monarch. But a sinister presence is spreading its malevolence throughout the land—and the kingdom can never again be truly whole until the brothers confront the terrible scourge of the Black Beast. **The Golden Swan:** When Prince Dair was a child and still in wolf form, he saw his future. It was prophesied that the changeling son of King Trevyn of Isle would travel far from his home, carrying his magic to the mainland. Dair feels but also suffers under the curse of a dark enchantment, will determine the fate of a troubled land.
