Ashes of the Tyrant Apr 22 2022 Farideh finds herself in the midst of a fast-paced murder mystery rife with political intrigue In the wake of the war brought on by the Sundering, Farideh's adopted father Mehen has been called back by the clan that cast him out—and twins Farideh and Havilar mean to go with him. Just as Mehen confronts the head of his former clan, a clutch of young dragonborn is found in the catacombs. Not only have they been brutally murdered, their bodies lay near an infernal summoning circle—one that looks all-too-familiar to Farideh. Charged by Mehen's aunt to solve the mystery, Farideh, Havilar, and Mehen set out to find whoever—or whatever—is behind the murders. Meanwhile, on the other side of Toril, tensions escalate between Dahl and his newly-rescued family when the agents of a criminal organization show up at their home. *Ashes of the Tyrant* is the fifth book in the *Brimstone Angels* series.

Ashes to Angels Jun 24 2022 A love story told as a horror story and a horror story told as a love story, *Ashes to Angels* is raw and edgy as the early millennial, hipster characters whose blended voices color much of the ink like a literary tattoo. With original poetry reminiscent of the Beat Generation, this performance-oriented narrative reinvents 21st century pop culture informed by a background in Shakespeare. The characters speak to each other alternately in poems and rock lyrics on a Lower East Side stage beset with demons, hookers, drug addicts, swingers, artist communes, and a schizophrenic poet and his punk angel lover. Aurn cuts off her wings -- with scissors -- in an ill-advised deal made with her demon twin sister looking for bail out of hell. Aurn falls out of the sky to earth, where she falls for Asher, failed artist. This is the story of the evolution and dissolution -- a vicarious nuclear catastrophe -- of their bizarre relationship: angel falls for atheist, poet steals from his own muse, mortal rapes a supernatural, immortal commits suicide. As a paranormal dark romance, it makes subversive comment in poetic meditation on the (im)possibilities of love, the arguably most lethal threat to human existence.

Fire from Ashes Mar 29 2020 Popular bloggers and podcasters Fr. Joseph Huneycutt and Steve "the Builder" Robinson explore the reality of life in Christ as perpetual conversion--falling and rising, falling and rising again. No matter how cold the ashes of our hearts, with Christ's help we can fan them back into flame. Illustrated with Steve's inimitable cartoons.

Gobekli Tepe: Genesis of the Gods Apr 10 2021 An exploration of the megalithic complex at Göbekli Tepe, who built it, and how it gave rise to legends regarding the foundations of civilization • Details the layout, architecture, and exquisite carvings at Göbekli Tepe • Explores how it was built as a reaction to a global cataclysm • Explains that it was the Watchers of the Book of Enoch and the Anunnaki gods of Sumerian tradition who created it • Reveals the location of the remains

of the Garden of Eden in the same region Built at the end of the last ice age, the mysterious stone temple complex of Göbekli Tepe in Turkey is one of the greatest challenges to 21st century archaeology. As much as 7,000 years older than the Great Pyramid and Stonehenge, its strange buildings and rings of T-shaped monoliths--built with stones weighing from 10 to 15 tons--show a level of sophistication and artistic achievement unmatched until the rise of the great civilizations of the ancient world, Sumer, Egypt, and Babylon. Chronicling his travels to Göbekli Tepe and surrounding sites, Andrew Collins details the layout, architecture, and exquisite relief carvings of ice age animals and human forms found at this 12,000-year-old megalithic complex, now recognized as the oldest stone architecture in the world. He explores how it was built as a reaction to a global cataclysm--the Great Flood in the Bible--and explains how it served as a gateway and map to the sky-world, the place of first creation, reached via a bright star in the constellation of Cygnus. He reveals those behind its construction as the Watchers of the Book of Enoch and the Anunnaki gods of Sumerian tradition. Unveiling Göbekli Tepe's foundational role in the rise of civilization, Collins shows how it is connected to humanity's creation in the Garden of Eden and the secrets Adam passed to his son Seth, the founder of an angelic race called the Sethites. In his search for Adam's legendary Cave of Treasures, the author discovers the Garden of Eden and the remains of the Tree of Life--in the same sacred region where Göbekli Tepe is being uncovered today.

Provides convincing evidence that angels, demons, and fallen angels were flesh-and-blood members of a giant race predating humanity, spoken of in the Bible as the Nephilim. • Indicates that the earthly paradise of Eden was a realm in the mountains of Kurdistan. • By the author of *Gateway to Atlantis*. Our mythology describes how beings of great beauty and intelligence, who served as messengers of gods, fell from grace through pride. These angels, also known as Watchers, are spoken of in the Bible and other religious texts as lusting after human women, who lay with them and gave birth to giant offspring called the Nephilim. These religious sources also record how these beings revealed forbidden arts and sciences to humanity--transgressions that led to their destruction in the Great Flood. Andrew Collins reveals that these angels, demons, and fallen angels were flesh-and-blood members of a race predating our own. He offers evidence that they lived in Egypt (prior to the ancient Egyptians), where they built the Sphinx and other megalithic monuments, before leaving the region for what is now eastern Turkey following the cataclysms that accompanied the last Ice Age. Here they lived in isolation before gradually establishing contact with the developing human societies of the Mesopotamian plains below. Humanity regarded these angels--described as tall, white-haired beings with viperlike faces and burning eyes--as gods and their realm the paradise wherein grew the tree of knowledge. Andrew Collins demonstrates how the legends behind the fall of the Watchers echo the faded memory of actual historical events and that the legacy they have left humanity is one we can afford to ignore only at our own peril.

Green Angel Jan 20 2022 Alice Hoffman is at her magical best in a new novel about loss and healing. When her family is lost in a terrible disaster, 15-yr-old Green is haunted by loss and by the past. Struggling to survive physically and emotionally in a place where nothing seems to grow and ashes are everywhere, Green retreats into the ruined realm of her garden. But in destroying her feelings, she also begins to destroy herself, erasing the girl she'd once been as she inks ravens into her skin. It is only through a series of mysterious encounters -- with a ghostly white dog and a mute boy -- that Green relearns the lessons of love and begins to heal as she tells her own story.

The Cygnus Mystery Mar 10 2021 The Cygnus Constellation holds the key to proving that life originated in the heavens—and will ultimately return there. Best-selling author Andrew Collins has uncovered an astronomy that is about 17,000 years old, with standing stones, temples, and monuments across the globe oriented towards Cygnus's stars. He also found that the use of deep caves by Palaeolithic man led to the rise of religious thought and the belief in life's stellar origins. Now modern-day technology has confirmed that high-energy particles come from a binary star known as Cygnus X3. Ancient people knew what science is finally verifying: that the DNA of life came originally from deep space.

The Taco Truck Dec 27 2019 Icons of Mexican cultural identity and America's melting pot ideal, taco trucks have transformed cityscapes from coast to coast. The taco truck radiates Mexican culture within non-Mexican spaces with a presence--sometimes desired, sometimes resented--that turns a public street corner into a bustling business. Drawing on interviews with

taco truck workers and his own skills as a geographer, Robert Lemon illuminates new truths about foodways, community, and the unexpected places where ethnicity, class, and culture meet. Lemon focuses on the Bay Area, Sacramento, and Columbus, Ohio, to show how the arrival of taco trucks challenge preconceived ideas of urban planning even as cities use them to reinvent whole neighborhoods. As Lemon charts the relationships between food practices and city spaces, he uncovers the many ways residents and politicians alike contest, celebrate, and influence not only where your favorite truck parks, but what's on the menu.

Woman of the Ashes Sep 15 2021 The first in a trilogy about the last emperor of southern Mozambique by one of Africa's most important writers Southern Mozambique, 1894. Sergeant Germano de Melo is posted to the village of Nkokolani to oversee the Portuguese conquest of territory claimed by Ngungunyane, the last of the leaders of the state of Gaza, the second-largest empire led by an African. Ngungunyane has raised an army to resist colonial rule and with his warriors is slowly approaching the border village. Desperate for help, Germano enlists Imani, a fifteen-year-old girl, to act as his interpreter. She belongs to the VaChopi tribe, one of the few who dared side with the Portuguese. But while one of her brothers fights for the Crown of Portugal, the other has chosen the African emperor. Standing astride two kingdoms, Imani is drawn to Germano, just as he is drawn to her. But she knows that in a country haunted by violence, the only way out for a woman is to go unnoticed, as if made of shadows or ashes. Alternating between the voices of Imani and Germano, Mia Couto's *Woman of the Ashes* combines vivid folkloric prose with extensive historical research to give a spellbinding and unsettling account of war-torn Mozambique at the end of the nineteenth century.

Tis Oct 05 2020 Frank McCourt's glorious childhood memoir, *Angela's Ashes*, has been loved and celebrated by readers everywhere for its spirit, its wit and its profound humanity. A tale of redemption, in which storytelling itself is the source of salvation, it won the National Book Critics Circle Award, the Los Angeles Times Book Award and the Pulitzer Prize. Rarely has a book so swiftly found its place on the literary landscape. And now we have *Tis*, the story of Frank's American journey from impoverished immigrant to brilliant teacher and raconteur. Frank lands in New York at age nineteen, in the company of a priest he meets on the boat. He gets a job at the Biltmore Hotel, where he immediately encounters the vivid hierarchies of this "classless country," and then is drafted into the army and is sent to Germany to train dogs and type reports. It is Frank's incomparable voice -- his uncanny humor and his astonishing ear for dialogue -- that renders these experiences spellbinding. When Frank returns to America in 1953, he works on the docks, always resisting what everyone tells him, that men and women who have dreamed and toiled for years to get to America should "stick to their own kind" once they arrive. Somehow, Frank knows that he should be getting an education, and though he left school at fourteen, he talks his way into New York University. There, he falls in love with the quintessential Yankee, long-legged and blonde, and tries to live his dream. But it is not until he starts to teach -- and to write -- that Frank finds his place in the world. The same vulnerable but invincible spirit that captured the hearts of readers in *Angela's Ashes* comes of age. As Malcolm Jones said in his Newsweek review of

Angela's Ashes, "It is only the best storyteller who can so beguile his readers that he leaves them wanting more when he is done...and McCourt proves himself one of the very best." Frank McCourt's *Tis* is one of the most eagerly awaited books of our time, and it is a masterpiece.

Angels to Ashes Dec 31 2022 In 1982, near Craig, Alaska, eight people were slaughtered aboard the fishing vessel *Investor*. This book starts with the actual scene of the murders and continues on through the lives of those involved as well as the two trials of the suspected killer or killers.

Fallen Angel - Ashes of Eden Sep 27 2022 Lucifer was the brightest archangel of them all...until he fell in love. Before Earth there was Heaven, a place of immortality and subservience where angels existed to watch the world transform. Until one angel changed everything. Stripped of his essence, flesh replaced light, and the weight of Lucifer's new wings bore down on him like a burden...until he saw her. By his side since the dawn of time, Gabriel was Lucifer's closest companion in brilliant light. But seeing her in the flesh changed him. Lucifer can't look away. And not because she's perfection personified. Beyond Gabriel's cascading hair, porcelain skin, and blushed lips, her silvery eyes are the windows to her very soul and her eternal hope—even for an unworthy angel like him. And Lucifer is unworthy. His thoughts of her alone are a sin. The intimate acts he imagines committing with her could cost him more than his place amongst the archangels. But he can't stop how he feels when she looks at him. When Gabriel's gentle hand lays flat over Lucifer's chest, his heart beats faster...for her. Controlling the forbidden desires that rule Lucifer will be the hardest thing he's ever had to endure, but giving in to them could cost him the one being he can't live without.

[Gods of Eden](#) Dec 19 2021 A groundbreaking historical documentation of the secret history of pre-Pharonic Egypt and the race of angels that built it. •By the author of *From the Ashes of Angels* and *Gateway to Atlantis* (more than 30,000 copies sold in the United Kingdom). •Unlocks the secrets of how the Great Pyramids and the Sphinx were built. •Explains the traces left by the race of Elder gods that founded ancient Egypt through ancient texts of the Hall of Records. •Proves the foundations of ancient astronomy 10,000 years ago. Hidden deep below Egypt's Giza plateau is perhaps the key to unlocking the mysteries of the Great Pyramid, one of the seven wonders of the world. Built using a technology unequalled even today, the ancient Egyptians claimed they inherited their advanced culture from a race of Elder gods who lived during a previous age known as Zep Tepi, the First Time. In his earlier companion book *From the Ashes of Angels*, renowned historical writer Andrew Collins provided historical and scientific evidence showing how these Elder gods, who were the flesh and blood members of a race of fallen angels, founded ancient Egypt. Now, in *Gods of Eden*, he describes the remarkable achievements of their culture. Assembling clues from archaeology, mythology, and religion, Collins shows us how this great society mastered acoustic technology and employed the

use of sound to raise heavy objects into the air and pierce holes through solid rock. It was with this technology that they were able to construct gigantic structures that have marveled adventurers and archaeologists worldwide. With findings based on more than 20 years of research and scholarship, Collins reveals the fascinating historical destiny of this culture of fallen angels and the imprints and legacies they left behind at the genesis of civilization.

birth and raised in a village of tiefling misfits, Farideh expects a life without friends, love, or control over her destiny. Then she makes a pact with a devil named Lorcan, and everything changes. Lorcan promises all she ever dreamed of and asks for nothing in return. Her twin sister Havilar urges Farideh to resist the devil's sway. But Farideh's not so sure. Lorcan may be dangerous but the power he offers is exhilarating. In the ruins of Neverwinter, Farideh's doubts get tangled up in a devilish snare six layers deep. A succubus playing human pawns against an otherworldly foe sees the twins as obstacles in her path. And Lorcan's monstrous sisters have their eyes on the city—and on Farideh. There's no time to question her pact with Lorcan—it will take every ounce of Farideh's newfound powers to get out of Neverwinter alive. Read More: If you are looking for more from Erin M.
